WOMEN'S SPEAKING CONTEST TRIALS TO BEGIN MARCH 23 Preliminary trials in the women's speaking contest sponsored by Delta Alpha Delta, women's honorary de- bating fraternity, will be held Tues- day, March 28 with finals scheduled for Thursday, March 30. Prizes of ten and five dollars yill be awarded to the women making the two best speeches. Featuring the topic, Resolved: "That men's and women's student government bodies should merge," the annual women's intranuural debate, sponsored by the debating fraternity, will be held early next month, accord- ing to Sarah A. Ferree '33, manager of the competition. The entrance fee has been set at one dollar by the com-	WHITMORE WILL SPEAK AT THIRD L. A. LECTURE Selects 'Habits of The Atoms' for Address Tuesday Night As the third speaker in the Liberal Arts lecture series, Dr. Frank C. Whitmore, dean of the School of Chemistry and Physics will speak on "The Habits of the Atom," in the Home Economics auditorium Tuesday night. Dean Whitmore came here in 1929 to accept his present position. He was head of the chemistry depart- ment at Northwestern University in 1924, and spent one year in Wash- ington as chairman of the Division of Chemistry and Chemical Technology of the National Research Council. His talk will present to non-chem- ists the fact that the apparently com- plicated and senseless formulas of chemistry are based on relatively
