

**Between  
the Lions  
with  
The Sports Editor**

The weather break Coaches Bedenk, Cartmell, and Loeb have been awaiting has arrived, and with it general interest in spring sports, which swing into action next Friday, is on the rise among campus sports followers. Because of their excellent records in recent years and the number of veterans back, the diamondmen bear the Lions' highest hopes as they tear into a formidable schedule against Maryland in the first game of the Southern trip next Friday. Prospects are not so bright in track and lacrosse, but the usual strong showing these teams make may be expected.

Friday, we suggested that the practice of tendering gold awards to our intercollegiate boxing champions should be duplicated insofar as this year's intercollegiate wrestling kings are concerned. Since then, Mr. Fleming has informed us that these presentations are the regular gold awards tendered all senior athletes and will be awarded to Bob and King next year, a fact which was not obvious in the athletic association's announcement of awards. We are glad to absolve athletic officials from any oversight we may have inferred; and, believe it or not, we did not receive one cent for this statement!

This and That  
Add another undefeated team to the long list of Lion invincibles... the fencers had only one meet, but won in a walk... If you bother counting them, you'll find there are some forty spring sports events listed on this season's schedules... which isn't so many when compared to Princeton's eighty, but should help in whiling away a few of these lazy spring afternoons... and, apropos of the gridiron banquet tonight, here's hoping some of you athletes roast in peace.

-S. H. B.

**NITTANY BATSMEN  
PRACTICE INDOORS**

Lion Tossers To Face Md. Next Friday—Runners Will Meet Army on April 22

Candidates for baseball, track and lacrosse, although hampered by the spring rains of the last week, have been practicing daily as the opening encounters approach. The tennis squad opened practice on the macadam courts yesterday.

Kept from outdoor drill by Jup Pluvius' latest capers, candidates for the Lion baseball team are contenting themselves with indoor practice in Recreation hall until more favorable weather permits regular workouts on New Beaver field.

So far this season the Nittany pine has been able to practice out of doors only three afternoons in preparation for the annual southern trip, now only ten days away. The Lion batsmen will meet the University of Maryland next Friday, the University of Virginia the following afternoon, and Navy on Monday, April 17.

Trackmen To Meet Army  
The lacrosse squad of thirty-five players faces the first scrimmage of the season, this week under Coach Mike Loeb. With about twenty players of former experience on the squad, Mike will probably build his team around Captain Edell in one of the at home positions, and Kane, Hesch, and Day at the defense posts.

Following a poor indoor season, and handicapped by the loss of several capable veterans of last year's squad, the Lion trackmen have been working steadily for the last week preparing for the dual meet with Army here on April 22.

Although weak in the quarter-mile and the broad jump events, Coach Cartmell is depending upon Dale and Captain Dunaway as sure point-gatherers. The team is working to make a better showing against a strong Cadet outfit that handed them an 87-to-39 lacing at the Point last year.

**I. M. HANDBALL TOURNAMENT  
COMPETITION NEARS FINALS**

Seventeen teams remain in the intramural handball tourney as competition nears the finals, which will be played next week. Sigma Nu, and Chi Upsilon, each with two teams, head the entry list at this stage of the competition.

Following rules and regulations of the A. A. U., the tournament is conducted under the elimination system. Matches are held on the Recreation hall courts at 4 o'clock each afternoon.

**A MIRACLE...** You sit at home in easy chairs, behind closed doors, while from a sound-proof room... perhaps thousands of miles away... comes the music that you listen to on the Chesterfield program.

That sealed room in the Columbia Broadcasting Headquarters sends out good music and good songs 6 nights a week to 50 million people from coast to coast... with the voice of Norman Brokenshire... just about the best announcer in this country... to tell you "Chesterfields are milder and taste better."

Why is the Chesterfield Program broadcast 6 nights a week over a coast-to-coast network reaching 50 million people?

Because we want every smoker in this country to know that Chesterfield cigarettes are milder.

We want to tell every smoker from coast to coast that Chesterfield cigarettes taste better...

We want everyone to know that they can depend on a LIGGETT & MYERS product.

**Chesterfield**

**THEY'RE Milder—  
THEY TASTE BETTER**
