College Will Enroll 1400 Freshmen for Next Term

Great Loss of Other Students Necessitates **Enlarging Incoming Classes in Order** To Maintain Usual Quota

Ranging from 1,300 to 1,400 stu- upper classes now enrolled," he add-Ranging from 1,300 to 1,400 students, the largest freshman class ever admitted to Penn State will enroll here next fall in line with present plans of College officials to enlarge the size of the first-year group, Adrian O. Morse, executive secretary to the President, announced yesterday. louring the past two years, the Col-lege has accommodated approximate-ly 5,000 students with a freshman class of about 1,275 members, accord-ing to Mr. Morse. Next year's fresh-man class will probably number be-tween 1,300 and 1,400 students, he declared.

"A greater loss of students among the three upper classes is expected this year than in any previous period because of extreme financial strindeclared.

"Parents of students now in College have, in many instances, reached the end of their financial reserve and must withdraw their children next year, while students who have so far depended on employment or loans to keep them in school are unable to procure either," the executive secretary aversed. because of extreme financial strin-gency among both parents and stu-dents," Mr. Morse stated. "The size of the freshman class will increase inversely with the size of that part of the student body represented by the

Cliques Must Report Finances by Monday

With only four days remaining before balloting in the annual class elections begins, clique chairmen must submit complete financial reports of the expenditures of their organization to Robert E. Tschan, chairman of the elections committee, by midnight, Monday.

Balloting will begin at 12:45 o'clock Tuesday afternoon, and will continue until 5:15,o'clock Wednescontinue until 5:15;6 clock Wednesday. Polls will open at 9 o'clock in the morning and iclose at 5:15 o'clock, while voting Thursday will be coinfined to the hours between 9 and 12:15; Balloting will take place in the first floor lounge in Old Main.

PHILLIPS PROPOSES 'LA VIE' PRICE CUT

Editor of Senior-Class Annual Recommends Reduction in Charge Next Year

Because of the uncertain means of many students, it is difficult to estimate the exact size of the freshman class which will be admitted next fall, Mr. Morse pointed out. Changes in economic conditions during the summer may modify the present estimate, he added.

Charge Next Year

A fifty percent reduction in the La Vie assessment for seniors, to go into economic conditions during the summer may modify the present estimate, he added.

Will Confer on Problems
In Talks Tomorrow
Over 300 high school journalists representing nearly 100 schools from every section of the state will be the guests of the College at the annual press conference tomorrow. The convention is sponsored by Sigma Delta Chi and Alpha Theta Epsilon, men and women's professional journalists will hold forums for faculty advisors, will hold forums for faculty advisors, will hold forums for faculty advisors, the discuss various problems encountered during the scholastic year. A late luncheon will be held in the basement of Old Main, where awards for meritorious journalists work will be presented by Sigma Delta Chi.

Students Will Speak
In the student conference for editorial workers, the speakers will intolated the suppose of the plant of the proposal and the student's high school or record, adding that the only criterion by which he may qualify for entrance.

VARSITY DEBATERS

The proposal would provide for fine year's senior class publication. The proposal would provide for the plant of the reduction of a definite scale, Phillips explained. Next year the senior, fee would be cut fifty percent, while the sophomores would receive, fifteen precent works, will make it possible to admit many eligible students who were turned away in previous years simply be cause the quota of admissions for the year had been filled, was cited by Mr. Morse as an advantage of the plant of the proposal in announcing the proposal plin declared that the would be in keeping with the general trend toward reduction of fees. The recommendation will be cause the size of the class.

Next year the senior, few would be cut fifty percent, while the sophomores would receive, fifteen precent wenty-five percent, while the sophomores would receive, fifteen precent wenty-five percent, while the sophomores would receive, fifteen precent wenty-five percent, while the sophomores would receive a fifteen precent wenty-five percent, while the sound the cut fifty percent, while the sophomore down the four years is proposal w

Three sections of this year's La Vie have already been printed, and the other sections of the book will be sent to the publishers this week, Phillips announced. He expects to have the volume ready for distribution by the middle of next month.

UPPERCLASSMEN GIVEN SOLE RIGHT OF WEARING BLAZERS
