

TRACK, LACROSSE SQUADS WILL ENGAGE CADETS HERE TOMORROW

Trackmen To Open Season Against West Point Team

By PHILIP W. FAIR Jr. '35

New Beaver field, lacking only the furry aquatic animal which could comfortably live in the swamp that the recent spring rains have made it, will be the scene for the Nittany track squad's initial meet of the season when they entertain an untried Army team here tomorrow.

Coach Cartmell's boys have been seriously hampered during the past week by the heavy rains, which have necessitated indoor practice most of the time. In a few time trials taken Tuesday afternoon, a slow, muddy track made accurate forecasting of probable performances impossible.

In the running events, Coach Cartmell will attempt to strengthen the team by placing Harry Sigel and Rhodes in the quarter-mile run, changing Harvey to the two-mile event, making Hughes a half-mile,

while Dunaway and Seisky will run in the mile event.

At least three men on the Cadet outfit give promise of ranking with Eastern track leaders this year. Robin Epler, high scorer on the team last year, took first in both hurdle events in the dual meet at the Point, and is counted upon to repeat his performance. Captain Win Graham, a veteran of two seasons, annexed the mile run last year, but is now running the 880.

Al Starbird, captain of the cross country team last fall, running his last season for the Corps, will be closely watched tomorrow as he is counted upon to secure precious points for Army in the Penn Relay carnival at Philly next week. A former Penn State undergraduate, Bill Martz, who ran on the freshman track team here and won his letter in football as an end, will be in the quarter-mile run.

Stickmen To Tangle With Army on New Beaver Field

By JOHN A. BRUTZMAN '35

When the Lion lacrosse men tangle sticks with the Army ten on New Beaver field tomorrow afternoon, they will run into an undefeated squad that emerged with the seals of their first three opponents this year. The Cadets have scored thirty-eight points against their opponents' seven, having defeated M. I. T. 12-to-2, New York University 16-to-2, and Springfield by a score of 10-to-3.

Army comes here with one of the most powerful squads that has ever been at the Point. Nine seniors and

one junior will be seen in the starting line-up, which includes one All-American and a member of last season's All-American second team.

Mike Loeb, Lion coach, is far from pessimistic concerning the outcome of the game. "On a dry field, we'll give them a good game," he said. "I believe our defense is as strong as theirs." The deciding factor is going to rest with the ability of the two attacks.

Jim Reed will start at goal for the Lions. Day and Morehouse will line

up at point, while Hescn and Kane are slated for the defense posts. The center position is still undecided, and either Northrup or Kline will start there.

Captain Jake Edel will start at second attack, with Koth, his running mate, at first attack. The home positions are a toss-up, with the two starting men to be chosen from Bosman, Kaulfuss, Barnes, Maloy, or Hasson.

Quinn and Senter will start at defense for the Army team. Frenz and Captain Pottenger are slated for attack. Pottenger has been chosen on the All-American squads for the past two seasons, and is considered one of the best in college lacrosse today. Douglas and Doleman will hold hold down the home positions for the Cadets.

HARDEEN
PACKING CASE ESCAPE**

LAST NIGHT I SAW HARDEEN DO A WONDERFUL ESCAPE ACT.

WHAT HE SAW

SHACKLED, NAILED IN A PACKING CASE, AND ROPED, HARDEEN, FAMOUS BROTHER OF HOUDINI, ESCAPED FROM THE BOX!

YOU KNOW WHAT THAT TRICK IS DON'T YOU? NO—WHAT IS THE CATCH?

HE HOLDS THE KEY TO THE HANDCUFFS BETWEEN HIS TEETH. THE ORIGINAL NAILS THAT HELD THE BOX TOGETHER HAVE BEEN REPLACED BY LITTLE SHORT NAILS SO THAT HARDEEN CAN PUSH A BOARD UP AND CRAWL OUT. THEN HE PUTS THE BOARD BACK TO MAKE THE BOX LOOK O-KAY.

I SEE THE TRICK NOW. HAVE A CIGARETTE?

NOT THAT KIND.

WHY NOT? THEY'RE Milder AREN'T THEY?

SAY BUDDY, THERE'S NO MAGIC IN CIGARETTES. IT'S THE TOBACCO THAT COUNTS.

THIS IS Milder. I HAVE BEEN FOOLING MYSELF ABOUT CIGARETTES.

"IT'S MORE FUN TO KNOW," ISN'T IT?

Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. Learn to appreciate the true mildness of costlier tobaccos. After smoking Camels, we believe you will find that other cigarettes taste flat and insipid.
