

WOOD ADDRESSES WOMEN STUDENTS AT MASS MEETING
Explains Proposed Government Merger at Ceremonies Monday Night

BLICHFELDT INSTALLED AS 1934 W. S. G. A. HEAD
W.A.A. Letter, Numeral Awards Given—Y.W.C.A. Officers Assume Posts

Explaining the proposed merger of men's and women's student governments, John A. Wood, president of the graduating class, addressed women students at their annual mass meeting held in Schwab auditorium Monday night. Installation of officers into W. S. G. A., Y. W. C. A., and W. A. A. positions took place at the same time, as well as the awarding of W. A. A. letters and numerals.

Eva M. Blichfeldt '34, Lucy J. Erdman '35, and Janet M. Beman '36 were installed as president, vice-president, and secretary of the Women's Student Government Association, while Ethel H. Fibert '34 assumed the position of treasurer. Installation was conducted by A. Elizabeth Preston, retiring secretary.

Incoming Officers Listed
Betty B. Thompson '34, Louise A. Halbach '35, Claire M. Lichty '35, and Selena A. Wunderlich '36 were installed as 1933-34 officers of the Y. W. C. A., while Doris M. Acker '34, Victoria R. Magda '34, Elsie M. Douthett '35, and Mildred L. Rupp '35 were installed as W. A. A. officers for the coming year.

"S" sweaters were awarded to Elsie W. Darlington '33, Helen A. Hoover '33, Alice M. Marshall '33, Doris M. Acker '34, and Helen F. Tananis '34 in recognition of their winning 125 Women's Athletic Association points.

Award Winners Named
Full numerals for winning seventy-five W. A. A. points were given to Marion O. Howell '33, Mary A. Frederick '34, Jane C. Laird '34, Ethel B. McFadden '34, and Harriet P. Murray '34. Similar awards were given to Fern A. Shoemaker '34, Betty B. Thompson '34 and Elsie M. Douthett '35.

Ethel L. Herman '33, Frances H. Miller '33, Mary E. Snyder '33, Josephine S. Setler '34 and Elizabeth K. Barton '35 received their last two class numerals for winning forty W. A. A. points. Similar awards were made to M. Elizabeth Diefenderfer '35, Kathryn H. Enders '35, Sarah Anne McKee '35 and Mildred L. Rupp '35.

Rifle emblems for competition on this year's women's rifle team were awarded to Elsie M. Douthett '35, Ruth Everett '35, Frances T. Paschall '35, Mildred E. Smith '35, and Edith M. Tay '35. The women's intramural basketball cup was given to Cih Omega, winners of this year's tourney.

HETZEL TO GIVE TALK TOMORROW
Will Address Pennsylvania Council Of Republican Women at Nittany Lion Inn

President Ralph D. Hetzel will deliver the opening address at the convention of the Pennsylvania Council of Republican Women which will convene here tomorrow. The convention will be held at the Nittany Lion Inn. Mrs. F. W. Haller, in charge of the program.

Over 150 women from all parts of the State are expected to attend the convention, which will feature an address by the Hon. Daniel B. Hastings, United States Senator from Delaware, whose subject will be "What We Are Doing in Washington."

"The Problem of Employment" will be the subject of an address by Eric W. Biddle, director of the State committee on unemployment relief, while Dr. Edward S. Meade, of the University of Pennsylvania, will discuss "Inflation, What Does It Mean?"

Registration for the convention will be held at 10 o'clock tomorrow morning, and the first session will be held immediately upon conclusion of the registration. Speeches by delegates and guests will be delivered before the afternoon session.

W8YA JOINS ARMY NETWORK
Station W8YA has been designated as an assistant net control station of the army third corps area of the United States signal corps reserve.

Student Leaders Advocate Enforcement of Customs
Ryan, Anderson, Suchors, Pruitt Favor Strict Adherence to Tribunal Regulations

"If freshman customs are to be continued at Penn State, they should be strictly enforced. If they can not be enforced properly, they should be abolished entirely," declared John T. Ryan '34, newly-elected senior class president, in commenting on the criticism that has been directed at the Student Tribunal and its work.

This sentiment was also expressed by William C. Anderson, president of next year's Tribunal, by William J. Suchors '34, chairman of the committee appointed by Student Council to investigate the tribunal, and by J. Briggs Pruitt '36, sophomore class president and tribunal secretary. They stated that the enforcement of customs has lagged noticeably during the past few years.

Anderson cited the lack of cooperation by the student body as one cause of the difficulty. He declared that he would seek the cooperation of members of campus societies in reporting violations, and in enforcing punishments meted out to offenders.

"I believe that with a few minor changes, customs should be left as they were this year," Pruitt said. "I am in favor of lifting all regulations at the end of the first semester, since other schools stop them by that time."

VOLUNTEERS ENTER MEMORIAL PARADE
Herbert R. Kinley, Legion Post Commander, Announces May 30 Plans

Participation in Memorial Day exercises to be held Tuesday, May 30, will be entirely voluntary, Herbert R. Kinley, commander of the local American Legion post announced yesterday.

The program will open with commemorative services at President Atherton's plaque in the rear of Old Main at 9:15 o'clock, with a student committee taking charge. A wreath in commemoration of war veterans will be placed on the memorial stone. Tentative plans also include short talks by an alumnus who is a veteran of the World War.

R. O. T. C. Students Volunteer
All patriotic units are requested to participate in the parade which will begin at 10 o'clock, Kinley said. Approximately 300 R. O. T. C. students, a regiment of the army, scout units, and the fire department will take part in the parade. Although fraternities have been asked to enter flags in the procession, they will not be requested to march in groups, according to the action of the student committee in charge.

Participants in the annual parade will form a line on West College avenue at Burrows street intersection, and proceed past the reviewers' stand, which will be located at the intersection of College avenue and Allen street, to the Stone House on Holmes field. The freshman R. O. T. C. band has volunteered to furnish music for the procession.

Services will be conducted on Holmes field in honor of the men who sacrificed their lives in the World War. Although no speaker has been obtained for the occasion as yet, arrangements will be completed by next week, Kinley said. Short talks by faculty members, invocation and benediction will complete the program.

EVANS NAMED '36 PRESIDENT
George S. Evans '36 was named president of Phi Eta Sigma, freshman scholastic honorary society, at a meeting recently. Other officers elected at the same time were William D. Bertoletto '36, vice-president; Walter S. Radcliffe '36, secretary; Joseph F. Laucious '36, treasurer; and Harold S. Ray '36, historian.

Open Lectures
Speaking on "Transmutation of Atomic Nuclei," Dr. Karl K. Darrow, research expert of a New York telephone research laboratory, will present the first of a series of two lectures on subjects relating to his field, in the chemistry amphitheatre at 8 o'clock tonight. Tonight's address will be non-technical.

With "Aspects of Nuclear Theory" as his topic for the second lecture, Dr. Darrow will give the final and technical lecture in the chemistry amphitheatre at 11:10 o'clock tomorrow morning.

Everyone who is reported to tribunal should be punished," he added.

Suchors, however, favors making drastic changes both in tribunal and in the customs themselves. He believes that the regulations on dating and smoking should be changed, and that a new system should be installed in the tribunal.

"Tribunal should be a distinctly judicial body and not an enforcement organization," Suchors said. "In the past the system has been wrong, I believe, and that is the reason why they haven't accomplished much. It is necessary that they have the cooperation of the entire student body for the proper enforcement of the punishments."

The committee which has investigated the tribunal will make a report at the next meeting of Student Council. Their recommendations will receive the action of both the Council and the Student Board.

\$3,460 DISBURSED BY FACULTY GROUP
Student Loan Fund Benefits by Donation of \$2,317 From Relief Committee

Approximately \$3,460 was disbursed to seven relief projects of the College during the past year, according to the 1933 general relief report issued recently by the relief fund committee, headed by Dean Edward Steidle. Of this amount the student loan fund exceeded \$2,317 in support of the projects.

While a total of \$6,368.82 was received from both the faculty and student loan fund, a \$2,906.91 balance was retained to aid projects at the beginning of the 1933-34 term. This action was referred to the President with the suggestion that the general committee be retained intact until the 1933 relief project was completed.

Sub-Committee Appointed
The recent action of the committee in the difficulty encountered in the obtaining of such a relatively small fund. Although both federal and State relief work was carried on during the year, no duplications were apparent.

At the third annual meeting of the general relief committee recently, the chairman was instructed to appoint a sub-committee of not less than three members to ascertain the total amount transferred from the 1932 unemployment relief fund and 1933 general relief fund to the College for the purpose of granting loans to students.

Further steps were taken by the committee to arrange with the proper administrative officers of the College for the establishment and administration of a permanent faculty student loan fund. All contributions applied to the relief fund will be transferred to the student loan fund, according to the report.

GAMMA PHI BETA WINS CO-ED DEBATE CONTEST
Marquardt '35, Strong '35 Win From Phi Mu Representatives

Gamma Phi Beta, represented by Gretchen I. Marquardt '35 and Anna C. Strong '35, defeated Phi Mu, represented by Ruth Goldstein '33 and Joyce A. Colt '34, to claim the award in the women's intramural debate contest Tuesday.

The winners upheld the negative side of the question, "Resolved, That Men's and Women's Student Governments Should Merge." The contest was the first of its kind to be sponsored on the Penn State campus. Debaters were coached by Clayton H. Shug, of the division of public speaking.

A silver cup from the Forensic Council was presented to the Gamma Phi Beta representatives by Sarah A. Ferrel '33, on the part of Delta Alpha Delta, women's professional speech fraternity, which sponsored the contest.

DELEGATES VISIT CONCLAVE
Professor Leonard A. Dagggett, of the department of electrical engineering, and John D. Colvin, president of the Penn State branch of the American Institute of Electrical Engineering, attended the Institute's convention last Friday in Schenectady. Professor Dagggett presented a talk on "Reactive Power."

Investigating Group Appointed by Board
Plans for New Non-Fraternity Group Made at Meeting On Monday Night

In an effort to provide the student body with a correct interpretation of the proceedings of the Cartmell resignation, a committee has been appointed by Student Board for the purpose of conducting such an investigation. The committee will also sound out student sentiment concerning intramural athletics.

Members of the investigating committee appointed at Tuesday afternoon's Board meeting are John T. Ryan '34, chairman, Walter C. Moser '33, Thomas J. Harper '34, Charles A. Myers '34, Thomas A. Slusser '34, William M. Stegmeier '34, William G. Van Keuren '34, Albert J. Mikelonis '35, John M. Stocker '35, Richard A. Maurer '36 and J. Briggs Pruitt '36.

PHI SIGMA IOTA TO MEET HERE TODAY
duMont Will Greet Delegates At Annual Convention of Fraternity Group

Phi Sigma Iota, honorary romance languages fraternity, will open its sixth annual convention here at 3 o'clock today when Dr. Francis M. duMont, head of the department of romance languages, will officially welcome the delegates to Penn State.

After the opening session, which will be held in the Hugh Beaver room in Old Main, dinner will be served in the Corner Room. An informal reception will follow at the home of Dr. Carl E. Marquardt, College examiner. Committee meetings will be held tomorrow morning, with the second group meeting planned for the afternoon.

Espenshade to Speak
The convention will end with a formal dinner at the Nittany Lion Inn tomorrow night, at which Prof. A. Howry Espenshade, of the department of English composition, will be the principal speaker. Short addresses will also be given by the national officers: Dr. Church, of Allegheny, president; Dr. Marquardt, vice-president; Dr. Altohouse, of Wooster College, treasurer; Dr. A. S. Corbier, of Muhlenberg, historian; and Miss Constance Ferguson, Illinois Wesleyan, secretary.

Representatives from Allegheny College, State University of Iowa, Illinois Wesleyan, Lawrence College, and Muhlenberg College will attend. Other institutions represented will be University of Rochester, Gettysburg College, and Wooster College.

During their visit here, the delegates will be conducted about the campus on tours of inspection by members of the local chapter of Phi Sigma Iota.

4 DISCHARGED BY COLLEGE HOSPITAL
5 Students Admitted During Past Week—1 Appendicitis Patient Moved to Bellefonte

Four cases were discharged from the College infirmary and five additional cases were admitted during the past week. One appendicitis case was removed to the Bellefonte hospital, while another student was treated for minor burns suffered in an explosion.

Alfred F. Shingledecker '34 was admitted Friday and was later removed to the Bellefonte hospital for appendicitis. Benjamin S. Bloom '35, George M. Chamberlain '35 and William W. O'Brien '36 were discharged Saturday after treatment.

Rosalie Joseph '35, with gastro-enteritis, and Henry D. Brown jr. '36, suffering from minor burns of the face, neck, and ears, were admitted Monday. Brown was burned when an incinerator at the Beta Theta Pi house exploded. He was discharged yesterday.

Ethel Williams '34, with jaundice, was admitted Tuesday. Roy S. Helm '34 and James C. Fink '36, were admitted to the College hospital Wednesday for treatment of tonsillitis.

PENN STATE PLAYERS ELECT NEW OFFICERS AT MEETING
Clayton R. Page '34 was elected president of the Penn State Players at a meeting of the organization Wednesday afternoon. June B. Roberts '34 was elected vice-president.

At the same time, Julia J. Ludwick '34 was named secretary, and Jesse E. Holland was chosen as treasurer. John B. Bot '35 was elected as representative to the Players' board of control.

DE ANGELIS NAMED PRESIDENT OF NEW INTER-UNIT COUNCIL
Plans for New Non-Fraternity Group Made at Meeting On Monday Night

Plans for a non-fraternity inter-unit council, and elections of temporary officers, to hold positions until October 1, were made at a meeting of non-fraternity men representing town boarding and rooming houses, and Frear, Varsity, and Watts halls in Old Main Monday night, according to Manlio F. DeAngelis '35, temporary president of the association.

Other officers elected were Willard D. Moyer '35, vice-president, Albert P. Mikelonis '35, athletic manager, John M. Bernat '35, social chairman, F. Lynn Christy '35, secretary, and Douglas R. Borst '35, treasurer. Completion of a constitution is expected in time for permanent organization of the body in October.

48 Delegates To Form Group
Four men will be delegated by each unit, under the plan, to represent them on an inter-unit council, made up from the twelve designated units. Present plans call for the replacement of the non-fraternity units, used in intramural athletics, by the new division of men. The athletic manager of the inter-unit council will cooperate with intramural officials in planning and taking care of sports contests among non-fraternity men, as well as between fraternities and units.

The athletic board of the association will consist of representatives of each of the twelve units, in addition to the athletic manager of the council itself. In this way, cooperation of all the non-fraternity men involved in the association is expected, DeAngelis said.

Plan Executive Board
Following the plan of the present Fraternity Presidents Council, the non-fraternity group will form an executive board, consisting of the twelve unit presidents in addition to the six officers of the inter-unit organization. Management and discussion of general policy of the association as a whole will come under the province of this executive board, plans state.

In addition to the executive functions of the new organization, plans call for several non-fraternity dances next year, as well as the forming of a system for the distribution of eight-weeks grades among non-fraternity men. Better cooperation in enforcing rulings of the existing student governmental organizations is also an aim of the new association, according to the president.

SPEERS TO SPEAK IN SUNDAY CHAPEL
Minister Chooses "What Is Vital In Religion?" as Subject Of Morning Talk

Speaking on "What Is Vital in Religion?", Dr. Thomas G. Speers will address the chapel service in Schwab auditorium at 11 o'clock Sunday morning. Dr. Speers is pastor of the Brown Memorial Presbyterian church at Baltimore, Md.

The speaker is a graduate of Princeton University, where he received his bachelor of arts degree in 1912, after which he matriculated at the Union Theological Seminary, and was graduated in 1916. Immediately after leaving the theological seminary, Dr. Speers traveled to China as a missionary.

Upon his return, the speaker became associate minister at the University Place Presbyterian church, New York City, where he remained two years, and then transferred to the army, in which he served as chaplain during the World War.

Following the armistice, Dr. Speers returned to the United States, and assumed the position as associate minister at the First Presbyterian church in New York City.

P. S. C. A. ELECTS CABINET MEN
Richard H. Maurer '36 and Chester W. Moore '36 were elected to the cabinet of the Penn State Christian Association at a meeting recently, according to Carson W. Culp '34, president of the association.

President Expresses Confidence in Policy
College Head Favors Action of Board Of Control

"I have complete confidence in the present athletic policy of the College. It was established after very exhaustive study participated in by students, alumni, faculty, and trustees, and it is in keeping with the current trend of policy and organization in the leading colleges and universities of the country. It makes physical education and athletics a part of the educational program of the College and provides for the largest measure of student participation under the direction of teachers and coaches who are members of the College faculty."

"We are still in the transitional period between the old order and the new, but we are making gratifying progress. Naturally there are problems concerning the administration of the new policy which must be settled upon their merits as they arise."

"It is to be expected that during the transitional period the College intercollegiate teams will be under some measure of handicap, particularly in competition with the colleges which have not yet adopted the new policy. However, the fact that this institution was one of the first in the East to adopt the new order will give our intercollegiate teams a corresponding advantage as time goes on and other institutions come into line. The new policy should mean stronger intercollegiate athletic teams because of the more extensive participation in sports and games on the part of the student body. Under able and expert instruction and coaching there will be a natural development of student athletic skills which will provide better and more plentiful material for the College sports teams."

"Every day brings added proof that the new policy is in harmony with the most progressive developments in the field of higher education."

R. D. HETZEL

LAUNDRY OWNERS CONTINUE SESSION
State Association Will Convene Here Again Today To Discuss Operating Problems

Featuring discussion on "Consumer Relations," and "Certified Laundries," the annual convention of the Pennsylvania Laundryowners association began here yesterday and will continue today. W. G. Conover, who is a member of a large Philadelphia laundry concern, is presiding at all sessions of the convales.

Yesterday, Miss Edith P. Chace, director of the department of home economics, gave the address of welcome. At the same meeting, Dr. Pauline Beery Mack, of the department of chemistry, lead a discussion. E. Mae Yoder '32, research associate here, will speak today.

Following the session yesterday afternoon, a dinner and dance was held at the Nittany Lion Inn. A tea for the wives of delegates will be held this afternoon, also at the Inn. In charge of the tea will be J. E. Beery, of State College.

As an additional interest for wives of the delegates, an automobile trip through the mountains and countryside near here is being planned by Mrs. Frank C. Whitmore, wife of the Chemistry and Physics School dean. The conference, annual affair, is held here to further information concerning the latest developments in the field of laundry operating.

SHOEMAKER '34 ELECTED PRESIDENT OF BLUE BAND
David K. Shoemaker '34 was named president of the freshman, sophomore and Blue Bands at a joint meeting last Tuesday night in Room 401, Old Main. Other officers include Gordon E. Snyder '34, manager, and Dan E. Nesbit '34, secretary.

Plans for the rest of the year include a commencement concert by the Blue Band. The freshman band will play for the Decoration Day exercises.

PAJAMA PARADE HELD TO SHOW DISAPPROVAL
Wood, Ryan Disperse Carousers After Explaining Results Of Former Events

Complete confidence in the athletic policy of the College was expressed by President Ralph D. Hetzel in a statement relative to the institutional athletic program which was released to the COLLEGIAN yesterday morning.

Student sentiment favoring the retention of Prof. Nate J. Cartmell, who recently tendered his resignation as Lion track mentor, has been aired by means of petitions sponsored by individual organizations and by a mass demonstration in the form of a "pajama parade."

Wood Halts Parade
At least three petitions agitating for the retention of Professor Cartmell were under way to be circulating among the undergraduates since Tuesday. One petition was confined to members of the track team alone, while the other two were circulating among pro-Cartmell adherents in the student body at large, according to reports.

About 150 freshmen protested against the possible dismissal of Coach Cartmell by a "pajama parade" Wednesday night. The parade formed at 9:45 o'clock but was broken up after John A. Wood '33 and John T. Ryan '34, retiring president and president-elect of the senior class, explained the possible consequences of such action.

Intervention Explained
As a representative of Student Board, Wood explained that any damage done would be taken out of the deposits for military equipment. To prove that Student Board is vested with the authority to carry this into effect, Wood pointed out a test case in 1927 when costs for damages done to College property were defrayed from R. O. T. C. deposits.

"Our sole object in breaking up the rally was to acquaint the freshman participants of possible results," Wood said when explaining his action. "In the past it has always been the case that upperclassmen enter these freshman 'pajama parades' and do the damage. They know that they will not be blamed and that each freshman will be saddled with the costs."

Petitions Circulated
"Our interference was only to inform the participants that they would be made to defray all of the expenses for possible damage, regardless of who was to blame," Wood continued. "Since Student Board has complete executive authority over general student discipline, we thought it best to explain what has generally happened in the past."

Although the petition circulated among members of the track team was not unanimously signed yesterday, its backers were expecting to have the action unanimous, it was reported. About 250 names had been signed to each of the petitions circulating among the undergraduate student body at large.

DR. DARROW WILL TALK HERE TODAY, TOMORROW
Director of New York Laboratory To Address Physics Society

Dr. Karl K. Darrow, who is a director of a New York telephone laboratory, will address open meetings here today and tomorrow. The meetings, which are sponsored by Sigma Pi Sigma, honorary physics society, will be held in the chemistry amphitheatre at 8 o'clock tonight, and in the physics lecture room at 11:10 o'clock tomorrow morning.

"Transmutation of Atomic Nuclei," will be the subject of the first address by the New York research specialist. His talk will be non-technical, and will cover work done recently in the field of current physical research.

Discussing "Aspects of Nuclear Theory," Dr. Darrow will talk on a more technical subject tomorrow morning. In his address, the telephone research expert will discuss contemporary concepts of sub-atomic phenomena. The meetings will close the series sponsored by the physics honorary this year.
