

**Between
the Lions
with
The Sports Editor**

When the Lion football team makes its bow on New Beaver field Saturday, it will be starting on its toughest schedule in years. One hundred and sixth in the college grid standings last year, a squad which will buck a card including Syracuse, Columbia, Lehigh and Penn will have its hands full raising its intercollegiate football rating.

But the Higgins-coached eleven will hold few fears of its opponent in the 1933 grid debut against Lebanon Valley Saturday. To make the first show of the season more complete the Nittany Lion cast will enter the game arrayed in new uniforms. Features of the new regalia will include silk pants with black stripes traversing the back seams, and Blue Pittsburgh helmets. With scenery and costuming complete nothing remains but for the pony Blue and White backfield to rip through the Lebanon Valley team and extend its unbroken string of seventeen victories over the Annville school.

This and That

Eddie Brominski has returned to the regular backfield of the Columbia grid team after taking a lay-off because of injuries. . . . Teaming with Cliff Montgomery he will make plenty of trouble for the Nittany eleven in the game at New York City October 28. . . . Sports followers here will remember Brominski as Ray White's catcher in the Columbia baseball game here last spring. . . . He was picked as catcher on College Humor's All-American second team. . . . While White, signed by the Yankees immediately after leaving school, compiled a good record with Binghamton of the NYP league. . . .

LIONS TO OPEN GRID SEASON HERE

**GRIDMEN TO FACE
LEBANON VALLEY**

(Continued from page one)

pararily out because of a minor injury, will be ready for reserve duty. Harry Sigel and "Barrell" Morrison, the twins of the Lion's pony backfield, will start at the halfback positions. Leo Skemp will be at his usual fullback post, with Jim Boring ready to enter the game at a moment's notice.

Visitors Outweigh Lions

Lebanon Valley will invade New Beaver field with a string of defeats since 1905, when the series started, as a record. The hostiles outweigh the Lions eight pounds to the man as a team, as the visiting line averages 179 pounds to the Nittany forward wall's 171.

Only two men who will start for Lebanon Valley Saturday afternoon are not lettermen, in comparison with four Nittany Lions. Boyd Sponaugle, 185-pound guard, and Sincavage, 180-pound center are the only two members, starting the game who have not earned letters.

Hold Bucknell to 34-0 Score

Although Lebanon Valley lost to Bucknell Friday night, they showed plenty of strength in holding the Bisons to a 34-0 score. The Bisons failed to score until the last five minutes of the first half and only when superior man power and overwhelming numbers of fresh players were substituted did the score begin to look lop-sided.

Concession suffered in a pre-season scrimmage last week robbed the Flying Dutchmen of one of their best quarter-backs in many a moon. Consequently, "Smoky" Rust, whippet understudy, will start the game in place of the injured Frank Boran.

Rust, who crowded the short time he played against Bucknell with plenty of brilliant feats, is rated as a triple-threat back. He does Lebanon Valley's thinking, passing, kicking, and considerable broken-field running—all despite his 158 pounds.

And, incidentally, if Lebanon Valley's center, Sincavage, plays the same type of game he did against Bucknell, the Lion backs are going to find him able to handle the assignment. He plays the best defensive game of any of the hostiles and roams all over the field.

Lions, Tear Down That Valley

Penn State	Weights	Positions	Lebanon Valley	WL
Slusser (c)	174	Left End	Williams	165
Cole	193	Left Tackle	Rose	190
Kreizman	187	Left Guard	Furlong	175
Anderson	142	Center	Sincavage	180
Bedoski	162	Right Guard	Sponaugle	185
Parks	195	Right Tackle	Volkin (c)	170
Rosenberg	145	Right End	Smith	190
O'Hara	167	Quarterback	Rust	158
Sigel	160	Left Halfback	Light	157
Morrison	147	Right Halfback	Feaser	165
Skemp	175	Fullback	Whiting	192

**BOOTERS PREPARE
FOR OWL CONTEST**

Alacrity in Movement, Accuracy in Passing, Precision in Kicking, Noticed in Workouts

"They're showing great improvement. If they keep up their present stride, I'm sure that even a more successful season will ensue than last year's."

The Nittany Lion soccer mentor, Bill Jeffrey, was speaking. "With an abundance of efficient kickers and aggressive halfbacks at hand, I expect them to show a great deal of fast improvement. Although the encounter with Temple is listed one week away, the salient weaknesses will have been detected and overcome by that time."

Recent workouts developed the fact that the varsity has unusual aptitude for precision in kicking and ability in passing. Each man on the squad who is competing for a post is showing alacrity in movement and accuracy in his passing.

Competition is keen, and for that reason, every member of the squad is working hard in an effort to land a berth on the varsity. With the opening game a week away, it is still too early to take even a guess at the starting lineup. Bill Jeffrey is altogether silent on this point.

**BOWLING TOURNAMENT
TO START NEXT WEEK**

Monday Noon Set as Deadline for Tourney Entries by Manager

Competition in the first half of the intramural bowling tournament will be started next week at the Dux Club, and games will be scheduled for each Tuesday and Friday night during the fall and winter.

All entries should be submitted before Monday noon to Harry Hopkinson '35, intramural bowling manager, at the Sigma Alpha Epsilon fraternity house or at the Dux Club.

Houses already entered in the tournament include Sigma Alpha Epsilon, Delta Chi, Chi Upsilon, Theta Upsilon Omega, Sigma Nu, Alpha Sigma Phi, 1932 champions, Delta Upsilon, Kappa Delta Rho, and Alpha Phi Sigma.

CRAMER, BEYER WIN MEETS

George E. Cramer '35 defeated George E. Sperling '36 3 and 2, while H. Lloyd Beyer '35 conquered George A. Menard '37 2 up in the first matches played of the all-College golf tournament which is being held this week.

**FOOTBALL TO OPEN
I. M.'S NEXT WEEK**

More Than 50 Teams Expected To Participate in Autumn Sport Tournament

More than fifty teams are expected to take part in this fall's touch football tournament which will be started next week as the opening event of Penn State's intramural program. William W. Laurer '35, intramural football manager, announced following a meeting of the fraternity managers Monday night.

Four major changes in the rules were agreed upon at the managers' meeting. The first change sets the minimum number of men in the line at any time at six, in contrast to last year's rule which demanded only one.

While on the offensive, a team will be allowed four downs to gain twenty yards, instead of six downs to score a touchdown, as was the case last year. In case of a tie the team having compiled the greater number of first downs will be awarded the decision.

No player will be allowed to wear any regular football equipment with the possible exception of football or soccer shoes.

—about **Cigarettes**

Of all the ways in which tobacco is used the cigarette is the mildest form

YOU know, ever since the Indians found out the pleasure of smoking tobacco, there have been many ways of enjoying it.

But of all the ways in which tobacco is used, the cigarette is the mildest form.

Another thing—cigarettes are about the most convenient smoke. All you have to do is strike a match.

Everything that money can buy and everything that science knows about is used to make Chesterfields.

The right home-grown tobaccos—seasoned with just

enough aromatic Turkish—are blended and cross-blended the Chesterfield way.

Then the cigarettes are made right—firm, well-filled. Chesterfield uses the right kind of pure cigarette paper.

There are other good cigarettes, of course, but Chesterfield is

the cigarette that's milder, the cigarette that tastes better. Chesterfields satisfy—we ask you to try them.
