NOV. 18 SELECTED AS HALF-HOLIDAY

Student Council Allows Tribunal To Act Temporarily With Present System

Saturday morning, November 18, has been designated as the regular football half-holiday this year by action of Student Council and Student Board at regular meetings this week.

The Student Tribunal will be allowed to operate for two or three weeks under the present plan, and after that time the tribunal will elect a permanent president, the council decided. It was also pointed out that freshmen must wear their R. O. T. C. hats at all times when they wear the uniform.

The council accepted the action of Student Board in approving the formation of the Non-Fraternity Association. The appointment of Albert J. MacDonell '35 to serve as representative on the College committee on grounds and buildings was approved.

The group sanctioned the restricting of the annual freshman dance to members of the first-year class. Admission to the function will be secured only through matriculation tickets.

Gerald C. Borland, '34, Albert Deane '35 and Chester W. Moore '36, were named as members of the student-faculty committee on scholastics ethics. The second and fourth Tuesday nights of each month were set as the dates for council meeting.

what makes a cigarette taste better

WHAT makes anything taste better? It's what is in it that makes a thing taste better. CHESTERFIELDS taste better because we buy ripe tobaccos. These ripe tobaccos are aged two and a half years—thirty months. During this time the tobaccos improve—just like wine improves by ageing. CHESTERFIELDS taste better because they have the right kind of home-grown tobaccos and Turkish Tobaccos "welded together." We hope this answers your question.
