Group Appointed to Investigate Advantages of Buying Cooperatively

COUNCIL CONSIDERS NEW RUSHING SYSTEM RULES

Under Plan Rushee Would Use Preferential System in Choosing House

Appointment of two committees; one to supervise the scheduling of social fraternity dances with a view to better distribution of the affairs, and one to investigate the advantages of cooperative buying among local organizations featured the meeting of Interfraternity Council held last right.

In addition to the appointment o the two new committees, the Council read the temporary suggestions of the regular committees of both the fraterially advisors council, and of interfraternity Council. The major suggestion of the draft is to find a system whereby the freshman may date the fraternity, as well as the fraternity dating the freshman.
