# DO YOU WANT

## A SWELL WEEK-END IN NEW YORK
## » » » WITHOUT PUTTING A BIG
## DENT IN YOUR POCKET-BOOK?

Here's the happy solution for a crowd that can't afford to shoot the works even on a victorious week-end but nevertheless want a good time and plenty of it. And it's one sure way to hold down the free spenders so they won't break the rest of the crowd.

Sign in at the Hotel Times Square this week-end for an all-expense included week-end. When you pay your all-inclusive price at the hotel desk, you are given paid up tickets for everything listed below. Your cash troubles are over and the crowd sticks together for their good times.

If you mail your reservation to us, pin together those that want adjoining rooms. A whole floor if you need it or just a room or two. Or if you prefer go to Frederick L. Taylor, Business Manager of the Penn State Collegian, Phone 292-W or 32 and buy your all-expense ticket from him. He'll make your hotel reservation for you.

The Hotel Times Square is a modern 1,000-room hotel. Comfortable as can be and right within walking distance of everything you want to do and see. Easy to get to by motor and near the R. R. terminals and all lines of transportation within the city. This saves you time, money and trouble. More than a hearty welcome awaits you.
