

Between the Lions with the Sports Editor

It all started when those two Columbia scouts in the stands here last Saturday reported to Coach Lou Little. Now the Blue coach has decided to take the Penn State game seriously, and is even a bit worried about it. And well he might, for the Blue and White team is going into that game with the determination to come out on top in the battle of the Lions. Little has had his first team trying to perfect a defense against the Penn State passing attack, but the result hasn't been too successful. Such a report bodes well for Tommy Slusser and his teammates, because passing will probably be the bulwark of their attack.

FRESHMAN SQUAD, BOOTERS TO PLAY

Soccermen to Meet Lafayette Team—Plebes Will Fight Gettysburg Eleven

Penn State will play host to Lafayette's soccer team and Gettysburg's freshman football team on New Beaver field at 2 o'clock Saturday afternoon. The soccer team will fight for its third straight victory while the plebes will be gunning for their second consecutive conquest.

Forseeing an easy victory, Coach "Bill" Jeffrey and his Nittany Lion soccermen will stack up snappy exchange passes and precise kicks against the invaders, to continue its undefeated record. The Blue and White team handed the Leopards a 5-to-0 shutout score last year.

Have Lost Two in Seven

Captained by Ritch, who will cover the post of inside right, the Maroon and White team will come here with six varsity players. Although the probable line-up has been listed, many substitutions will be made for the invaders. Thus far, the Lafayette squad has suffered two losses in its schedule of seven encounters.

By defeating the Leopards, the Jeffrey-coached aggregation will be one step nearer the eastern intercollegiate soccer championship. Having defeated Navy at Annapolis, the winner of last year's title, the Nittany booters are well prepared to handle any attack Lafayette might offer, and in return display an offense that has been working smoothly and efficiently.

Bell, regular goalie for the Lions, will again take stand in front of the Lafayette net, with Palmer acting as a substitute. Other shifts in the line-up will place Ambler at outside right position, Corbett as center forward, and Captain "Shorty" Edwards as outside left.

Freshman Line-up Listed

Coach Nels Whitke is not looking forward to this game with any degree of optimism. Gettysburg is expected to show plenty of football in four quarters of Beaver field battling, in their only game of the season, they defeated York Collegiate Institute 21-to-0.

If the line proves as hard-charging and tough to crack as it did in the Villanova game, the freshmen will stick to the same straight football that worked so well last week. However, if the Bullets prove stubborn, the entire bag of tricks will be opened up, and a passing attack, similar to the one developed by the varsity, will be used.

Only one or two new faces will be seen in the starting line-up of the freshman team. Sunday and Morini will hold down the end positions, with Schuyler and O'Dowd at tackle. There will be plenty of weight in the center of the line with Battaglia and Klock at guard and Murray at center.

In the backfield, Girton will again call signals from the quarterback post. Rhoda will start at one half, while either Hess or Cornick will be at the other halfback position. Robbins, at fullback, will complete the starting eleven.

386 ATHLETES UNIFORMED

Three hundred and eighty-six men in cross-country and football were equipped this fall, according to A. P. Burrell, locker room attendant. Seventy-eight uniforms were issued to varsity cross-country men, with eighty-seven members of the freshman squad receiving suits. In football, seventy-eight varsity players were equipped, while 143 yearlings received uniforms.

WIN THIRD TENNIS MATCHES

Winning their third round matches, Richard D. Chapman '37 and Clark W. Johnson '36 advanced into the fourth round of the all-College tennis tournament this week. They defeated William A. Hand '36 and John R. Eck '35, respectively.

'37 WOMEN'S HOCKEY TEAM LEADS INTERCLASS TOURNEY

The freshman women's field hockey team is still leading in women's interclass competition, having won three games and tied one, with half of the tournament already played, according to Fern A. Shoemaker '34, hockey manager. Dorothy I. Mergenthaler '34 is assistant manager. Virginia E. Detwiler is manager for the senior class while Doris M. Acker is captain.

In the junior class, Adele T. Aungst is manager and Marian L. Foreman is captain. The sophomore team is managed by Sara E. Bitting and captained by Selina A. Wunderlich, while Margaret Manning is manager of the freshman team.

I keep coming back to that word "balanced" on the back of the Chesterfield package

YOU often hear the word balance—something is out of balance—top-heavy, not on an "even keel."

What you read, "Chesterfield Cigarettes are a balanced blend," means that the right amounts of the right kinds of tobacco are welded together; that is, home-grown tobaccos, the right kind, the right quantity—are blended and cross-blended with tobaccos from Turkey and Greece.

When these tobaccos are balanced one against the other, then you have a mild cigarette.

When they are in balance, then you have a better-tasting cigarette.

May we ask you to read again the statement on the back of the Chesterfield package?
May we ask you to try Chesterfield?
