

**Between  
the Lions  
with  
The Sports Editor**

It has been the custom here to regard the Lebanon Valley football team as the weakest opponent on the Nittany Lion schedule. With this in mind we were surprised at the record of the Flying Dutchmen for the past eleven years. In that time "Hooks" Mylin has developed teams which have won thirty-six out of ninety-three games played, tying twelve, and losing forty-five. But of the games lost, the Lebanon Valley teams dropped thirty to teams entirely out of their class.

This year, Mylin handicapped by a small squad, placed his eleven at the top of the mythical small college championship list, with its greatest achievement that of holding P. M. C. to a scoreless tie. But the Flying Dutchmen still look back to 1927 when they defeated Brown 13-to-12.

**Columbia Places 6 Gridders in All-Opponent Football Selection**

**Syracuse, Penn Place 2 Each; Lehigh Man Named**

**All-American Eleven Selected by Members Of Nittany Varsity Squad in Survey**

Six players of the Columbia University football team were named on the mythical all-opponents eleven by Lion gridmen last night. Pennsylvania and Syracuse were each represented by two players, while one gridman from Lehigh was selected on the team.

Three line and three backfield positions were awarded to Columbia players. Dzamba, Ferrara, and Matal were named to the three positions on the right side of the mythical line, while Montgomery, captain of the Rose Bowl tournament entrants, was a unanimous choice for quarterback and Barabas and Brominski monopolized the halfback positions.

**Second Team Named**  
Pennypacker, who scored the tying touchdown in the Penn-Penn State game, was named to the left end position and captain Engle was selected as the first team center. Steen, Syracuse, was selected as the left tackle, while his team-mate, Stark, was named to the fullback position. Lehigh gained the other position, with Robinson being named to the left guard position.

On the second team, Columbia again had the most players selected on the all-opponents team. Four stalwarts of King Leo were selected, with Pennsylvania and Syracuse each placing three. Muhlenberg had two men selected, while Lehigh placed one. Out of fourteen positions Columbia players were chosen to fill ten.

**Close Vote on Ends**  
With the exceptions of left end and

left guard, the selections figuratively fell into place. Pennypacker shaded McDowell, of Columbia, by only one vote for the wing position, while Robinson won out over Watkins, of Muhlenberg, Pinckney, of Columbia, and Suvalsky of Lehigh, by the same margins.

Second team selections, however, ran closer. Watkins, Pinckney, and Suvalsky finally wound up in a tie for second team guard honors, while three of the backfield positions were hotly contested.

**Select All-American Team**  
Captain Tisdale, Syracuse, won out over Merz, his team-mate, by one vote. But the closest vote centered around the quarterback selection. Since Weiner, of Muhlenberg, lead Kellett, of Pennsylvania, by only one vote and other backfield selections trailed far in the distance, the Miles' field general was placed at quarterback, with the Quaker being moved to a halfback position.

Lion lettermen also selected a mythical All-American team, naming Skaldany, Pitt, and Petrosky, Michigan, ends; Ceppi, Princeton, and Crawford, Duke, tackles; Jablonsky, Army, and Corbus, Stanford, guards; Bernard, Michigan, center; Warburton, Southern California, quarterback; Sauer, Nebraska, fullback; Buckler, Army, left halfback; Lund, Minnesota, and Purvis, Purdue, right halfback. Two of Captain Slusser's team-mates selected him as All-American left end, while Cole and Bedoski were also mentioned for honors.

**GEIGER CHOSEN TO LEAD GLENNLAND SWIMMERS**

Meet With Williamsport Scheduled For Tuesday Night Postponed

Richard A. Geiger '36 was elected captain of this year's Glennland swimming team at a meeting of squad members last week.

Geiger won the first all-College swimming meet held at Glennland recently. He is the present holder of the Tri-State record for the 100-yard backstroke and co-holder for the 100-yard freestyle. He won the Schuylkill three and one-half mile backstroke swim three years in a row, breaking four records in it. In 1932 he broke the one-mile freestyle on his back in seventeen minutes at Sharpless Lake, Westchester. In 1931 and 1932 he swam for Penn A. C.

A. C., originally scheduled for Tuesday night, has been postponed indefinitely, according to Coach Beatty.

Like **IMPORTED PILSENER BEER** its basic element is right

The character of Imported Pilsener Beer is due largely to its **Basic Element**—the famous Water of Pilsen. Scientists testify that the water from Scheidt's exclusive wells is so like the famous Water of Pilsen that they cannot tell them apart. And only the most expensive malt and hops are used.
