

STUDENTS NOTIFIED CONCERNING WORK ON CWA PROJECTS

To Work on Cindering, Drainage Of Parking Areas About Campus Grounds

AUTHORITIES CALL OUT 62 FOR HOLIDAY LABOR

Engineering Student Chosen for Employment at Federal Fish Hatchery

Sixty-two students were notified this afternoon that they will be employed on work authorized at the College here by the Civil Works Administration over the Christmas vacation period.

Confusion and lack of authority at the Bellefonte administrator's office over the employment of students on CWA projects was responsible for the delay in the selection and notification of the student laborers, it was announced today.

Neediest Cases Chosen The list of over 600 students who applied for work under the CWA plan was carefully checked at the offices of the registrar and the treasurer, where an attempt was made to choose only the neediest student cases for the work.

Requisition slips for sixty-two students were sent to Bellefonte yesterday by Superintendent George W. Ebert, of the department of grounds and buildings, and finally approved. The students will be set to work on the recindering and drainage projects on the parking areas around the campus.

Engineer Receives Work After the Christmas vacation period, additional students will be put to work, Ebert stated. All future projects and labor for them is contingent upon the approval of the State offices, however, he added.

James R. Rorabaugh '35, engineering student, was notified yesterday that he will be employed on a project at the Federal fish hatchery on Fishing Creek at Lemar in Clinton county during the coming weeks.

Other requests for engineering students to aid in engineering and construction jobs over the State during the Christmas vacation are expected momentarily by administration officials. These students will be notified as soon as possible after word is received here, it was said.

LIONS TO PLAY 4 LACROSSE GAMES

Hobart, Navy, Lehigh, Army on 1934 Schedule—2 More Games Expected in May

With the opening game four months away, four encounters for the Lion lacrosse team have been scheduled by the athletic authorities for the spring season. Negotiations are still under way for at least two more games.

The Lion stickmen will open their season April 14 when they meet the strong Hobart team here. On April 21 the Nittany team will travel to Annapolis to meet Navy, who played here last year.

The next week-end, April 28, the Lehigh stickmen will come here. The only other game scheduled as yet lists Army, at West Point, May 5. The Cadets also appeared on New Beaver field last spring.

The athletic authorities are desirous of scheduling two more games some time during May, inasmuch as those on the card to date are very early in the season. It is expected that before the season opens, the stickmen will have games on May 12 and 19.

ARNOLD GIVES TRANSLATIONS

Dr. Harrison H. Arnold, professor in the romance language department, gave original translations of two contemporary Spanish plays in the upper lounge of Old Main at 4:10 o'clock yesterday afternoon.

ICE SKATING SEASON OPENS

Students were able to ice skate this week on the pond east of State College for the first time this year.

College Will Enforce Recess Cutting Fine

The five dollar fine ruling for each class cut within twenty-four hours of the beginning and end of the Christmas vacation will be rigidly enforced, it was announced by College authorities today.

Christmas vacation officially begins at 11:50 o'clock Saturday and ends at 1:10 o'clock on Wednesday, January 3.

2 BANDS TO MAKE CHRISTMAS TOURS

Morris, Bortoff Will Furnish Music for 13 Functions During Holidays

Providing music and entertainment for thirteen dances during the Christmas holidays, two of Penn State's dance bands, Duke Morris and Bill Bortoff, will conduct annual vacation tours throughout Pennsylvania between Christmas and New Year's nights.

Duke Morris will play for the Anatole Club dance in Pittsburgh on Christmas night, and on succeeding nights will fill engagements in Clearfield, at the Elk's Ball Room in Punxsatawney, and at the Penn State dance in Towanda. The band has also been engaged to play for the National Student Federation ball in Washington, D. C., on December 30, and the following nights they will play at Greensburg and at Mt. Carmel for New Year's dances.

Will End at Wilkes-Barre Conducting a tour throughout the eastern part of the State, Bill Bortoff will play at Troy on Christmas night, and on Tuesday and Wednesday nights of that week will play for dances in Minersville and Upper Darby. On December 20 the band will fill an engagement in Coatesville, and will play for a New Year's Eve dance at Bethlehem. They will conclude their tour at Wilkes-Barre on New Year's night.

In addition, several Penn State dances and intercollegiate balls are scheduled during the vacation. On Christmas Eve the Aragon Club of Pittsburgh will conduct a dance at the Schenley Hotel, with Emerson Gil and Jesse Hawkins' Virginians providing the music. The Hazelton club will conduct a dance on Christmas night.

The annual intercollegiate ball will be held at the Hotel William Penn in Pittsburgh on Christmas night, with Emerson Gil, Jan Garber, Dick Fidler, and the Wash-Jeff Twelve furnishing continuous music. The intercollegiate dance at Harrisburg will be held in the Penn Harris Hotel the following night, while the Penn State alumni of Luzerne and Lackawanna counties will hold their annual dinner dance in Kingston on December 28.

STUDENT PUBLICATIONS FORM BUSINESS COUNCIL

Caraher '34 Selected President of Newly Organized Group Here

Formation of the Business Council of Student Publications, an organization composed of the business managers of the eight campus publications, was effected at a meeting held by the group Monday night.

Promotion of closer cooperation among the individual members of the staffs and the institution of some method of preparatory training for business staff candidates was given as the purpose of the new group. S. Jack Caraher '34, business manager of the Beaver Field Pictorial, and Albert T. Stohr '34, business manager of the Student Handbook, were elected president and secretary respectively.

Other business manager members of the newly formed board are: Harold J. Batsch '34, of the Old Main Ball; Eugene G. Fouse '34, of the Farmer; David G. Hammond '34, of the Engineer; John E. Ryan '34, of the Froth; Donald B. Smith '34, of the La Vie; and Frederick L. Taylor '34, of the COLLEGIAN.

Staff To Issue Next Paper on January 4

Because of the Christmas holidays, the next issue of the COLLEGIAN will be published Thursday night, January 4, 1934.

The COLLEGIAN staff takes this opportunity to wish all its readers a merry Christmas and a prosperous New Year.

WILLIAM T. HEBEL AWARDED JOHN W. WHITE SCHOLARSHIP

Charles M. Morris '35, Robert W. Frings '36 Also Given Memorial Prizes

13 STUDENTS WIN LOUISE CARNEGIE SCHOLARSHIPS

Dienna, Fisher, Johnson, Mitch, Seniors, To Benefit From Annual Bequests

William T. Hebel '34 received the John W. White senior scholarship, Charles M. Morris '35 was awarded the junior John W. White scholarship, and Robert W. Frings '36 received the John W. White sophomore scholarship for the coming year.

Louise Carnegie scholarships, of which thirteen were awarded this year, went to four seniors, Jack E. Dienna, Fred Fisher, Walter C. Johnson, and Herbert J. Minieh, while the junior awards were won by Manlio F. DeAngelis, Lucille G. Hansen, James R. Rorabaugh and Thomas R. Williams.

Carnegie Awards Listed Sophomores receiving the annual Carnegie prizes this year were Martin Brezin, Susan L. Chestnut, John T. Hermanson, Robert W. Miller and Beaula M. Rhodes. Five scholarships were awarded in the sophomore class instead of the usual four because of a small treasury surplus this year.

The annual John W. White prizes carry with them a cash award of \$200 for the senior scholarship, \$150 with the junior award, and \$100 with the sophomore prize. All Louise Carnegie scholarships are \$100, awarded annually.

Award System Explained John W. White awards are provided by a memorial fund, from which interest is drawn annually to provide the awards. Receivers of the White prizes are chosen from members of the three upper classes who have made applications for the prizes.

Cash for the Louise Carnegie scholarships is drawn from a \$25,000 interest account, at the rate of \$1,200 per year on the average. An accumulated surplus, however, has allowed the awarding of an additional \$100 in the sophomore group. Winners of the awards are chosen from applicants from the upper tenths of the senior, junior and sophomore classes, by a joint committee composed of members of the committee on academic standards and three representatives of Student Board.

Ritenour Denies Neglect Of Duty in Student Case

College Physician Says That Useful Treatment Can Be Given Only at Infirmary

Charges that College physicians refused when summoned to visit Walter Hobson '36 in his room at Watts Hall November 30 were branded as false by Dr. Joseph P. Ritenour, College physician, Tuesday.

Dr. Ritenour explained that, with only two physicians on the College health service staff, it is impossible for its members to make personal visits except in the most urgent cases. Since useful treatment can be administered only at the College infirmary and since the greatest majority of cases ultimately are moved there, he pointed out that time which under ordinary circumstances would be beneficially spent in treating patients is lost in needless trips over the campus.

The controversy resulted from a letter which was sent to the COLLEGIAN by hall-mates of Hobson, charging that College physicians had refused to visit the patient. Lawrence L. Bedard '37 and Ralph R. Nichols '37 both became incensed at what they considered as disregard of a physician's professional oath.

Remaining Freshmen Class Heads Elected

Edward Schenkenseyer, Locust Lane, was elected freshmen class secretary over Lawrence W. Bedard, Campus, at elections held in the Chemistry amphitheatre last night. Julius J. Julian, independent nominee for the office, withdrew from the list of candidates just before balloting began.

Joseph J. Neely, Locust Lane, received the post of treasurer over Raymond A. Byrne, Campus candidate. Carl F. Maish, Locust Lane, was elected class historian by defeating David W. Wright, Campus candidate.

SCORERS SELECTED FOR LIQUOR TESTS

More Than 250 To Begin Work Saturday at 2 O'clock in Recreation Hall

Scoring of the Civil Service examinations of more than 7,000 applicants for positions in State liquor stores will be started in Recreation hall at 2 o'clock Saturday afternoon when the first shift scorers report for duty, according to Charles C. Peters, of the psychology department, who will supervise the correcting of the tests.

With the selections based on the rating in the aptitude tests given to nearly one thousand applicants for the positions as scorers last Saturday afternoon, more than 250 students and townspeople were notified to report either Saturday afternoon or at 7 o'clock Sunday morning. The scorers will work in two shifts of eight hours duration each, and Dr. Peters estimated that each scorer will work for a total of 16 hours.

2,500 Positions Created Since there are four scoring centers in the State, only one-fourth of the total number of examinations will be corrected here. Dr. Peters pointed out that there are more than 28,000 applicants for the 2,500 positions which were created by the establishment of the State liquor stores.

Each applicant will be required to fill out four separate test forms, making a total of nearly 30,000 tests to be graded here. The examinations, taken this week, will be brought here from the districts in the central part of the State, and will include those taken by applicants for positions in Centre county's two stores, located in Bellefonte and Phillipsburg.

Dr. Peters declared that each student will be required to sign a voucher after the completion of his work at testing to the number of hours he spent. The vouchers will be forwarded to Harrisburg and the checks will be sent to the College. Because of the delay caused by this transaction, he believes that the students will not receive their remuneration until after Christmas.

Students Requested To Publicize College

Asked to Visit High Schools in Attempt to Contact Worthwhile Students Who May Enter Penn State

An appeal to the undergraduate students of the College to advertise and sell Penn State as their future College to high school students back home over the Christmas holidays was made today as the opening gun in the College's publicity drive to secure a larger number of prospective students and applicants for the institution for next year.

Students are requested to visit their high schools after their return home next week and make a definite attempt to contact worthwhile students who intend to enter college after graduation. If possible, it is suggested that the student address his old high school body or clubs within the school on the advantages of Penn State.

Non-Recruiting Policy Dropped Formed last spring to study means on interesting students in choosing Penn State as their alma mater, a committee, headed by Dean Edward Steidle, of the School of Mineral Industries, submitted a report to President Ralph D. Hetzel in which it urged the use of undergraduate students here as the best medium of winning students.

Faced with a steadily decreasing number of applicants in the last years, the College has been forced to abandon its policy of not seeking recruits for the freshman class each year. In former years, due to the large list of applications, this procedure was not necessary, but with urban institutions making every effort to secure students to fill their quotas, this College has been forced to do likewise.

After talking to individual students who appear to be good material, and are interested in learning more about Penn State, undergraduates are asked to take the name and address of the prospective applicants and turn the names in at the office of the registrar upon their return after the vacation period.

Upon the receipt of these names, the registrar's office will forward to them a preliminary announcement and bulletin and send them circulars on available courses. Every effort will be made to induce them to apply for entrance here in order to have a large list from which to select and choose the members of the incoming class.

Committee Members Named Members of the committee conducting and planning the drive are Edwin H. Rohrbach, representing the School of Agriculture; J. Orvis Keller, of the School of Engineering; Prof. John H. Frizzell, representing the School of Liberal Arts; Arthur R. Hurrell, of the School of Education; Oscar F. Smith, of the School of Chemistry and Physics; and Robert A. Higgins, of the School of Physical Education and Athletics.

Other members of the committee are Edward K. Hibshman, representing the alumni interests; Adrian O. Morse, the administration and the President; Carl E. Marquardt, representing the registrar's office; Wes W. Dunlap, of the publicity department; Dean of Women Charlotte E. Ray; and Dean of Men Arthur R. Warnock.

I. C. ASSOCIATION WANTS OFFICIALS' FEE REDUCED

Miller, Bring, Hermansen Elected as President, Secretary, Treasurer

Berwyn L. Miller '35, Martha J. Bring '35, and John T. Hermansen '36 were elected president, secretary, and treasurer, respectively, of the International Relations club at the second annual Middle Atlantic conference of the club held at the George Washington University, Washington, last Friday and Saturday.

Miller announced today that next year's conference of the club would be held here. The invitation to the club was extended jointly by President Hetzel and the local chapter of the organization.

Thirty-seven leading eastern colleges and universities sent representatives to the conference. Others from here who attended the conclave were Peter K. Fisher '34, and Homer V. Roberts '34, who has just served a term as recording secretary.

Tomorrow Night Phi Delta Theta Dinner Dance Bill Bortoff (Formal-Closed) Triangle (Invitation) Duke Morris Alpha Phi Delta (Invitation) John Chick

COMMITTEE PLANS CUTS IN BUDGETS OF CLASS DANCES

Reduction in Expenditures for Sophomore Hop, Senior Ball Proposed

ADMISSION FOR AFFAIRS SET AT \$3.00 PLUS TAX

\$500 Allowed for Senior Band As Sophomores Get \$600 Music Allowance

Reductions in several items of expenditures for the Senior Ball and Sophomore Hop this year were included in the proposed budget submitted by the Interclass Finance Committee, which was approved by Student Board Monday afternoon.

The budgets, based on the financial report for each of the dances last year, provided for an estimated surplus of slightly more than \$65 in each case. Senior Ball last year showed a profit of \$55, while a deficit of \$318 was incurred by Sophomore Hop.

Admission Set at \$3.00 The admission for both affairs was set tentatively at \$3.00 plus tax. The attendance for the Senior Ball, scheduled for Friday, February 9, has been anticipated at 425, two below last year's attendance figures.

The budget for the Sophomore Hop to be held on Friday, March 2, is based on a contemplated attendance of 450, fifty more than the paid admissions for the 1932 affair. Booth rental, checking, and catering assessments are other sources of income.

With the exception of the provisions for music and for the tax on admission, the items of expense on both proposed budgets are identical. An expenditure of \$550 for an orchestra, an increase of \$50 over last year's allowance, has been provided for Senior Ball, while \$50 has been cut from the Sophomore Hop figures to set the allowance at \$600.

Additional Expenses Listed With \$200 set aside for the decorations for each dance, a reduction of from \$35 to \$60 over last year's costs have been effected. Advertising has been reduced \$16 to set the allowance at \$100, while a like amount has been designated for each of the items of checking, College labor, and programs. Small savings have been provided in each of these items.

The budget provides \$60 for catering service, and \$20 each for flowers, for ticket printing, and miscellaneous expenses. The compensations for the dance chairman, and class president will remain the same as last year, while the salary for the ticket seller and doorman is also the same as was listed in last year's report.

Student Board also discussed the possibility of having coat hangers placed in the halls of the North Liberal Arts Building. Alex J. MacDonnell '35 was delegated to make inquiries about the matter.

EDITOR WILL TALK OF PRESS LIBERTY

Fred Fuller Shedd To Give Opening L. A. Lecture of Series January 8

"Freedom of the Press" will be the subject of a lecture to be given by Fred Fuller Shedd, editor-in-chief of the Philadelphia Evening Bulletin in the auditorium of the Home Economics building from 7 to 8 o'clock on January 8 when he will open the series of Liberal Arts lectures here. Preceding the lecture, Sigma Delta Chi, national professional journalism fraternity, will give Mr. Shedd a dinner at the State College Hotel.

Mr. Shedd began his work as a newspaper man as a bookkeeper on the Haverhill Gazette in 1886. He was a reporter on the Haverhill Evening Gazette in 1889 and was editor of the same paper from 1889 until 1907.

Following this position he worked as an editorial writer on the staff of the Boston Herald until 1909 when he became editor. In 1911 he accepted a position as an editorial writer on the Philadelphia Evening Bulletin and remained in this capacity until 1921 when he assumed his present position of editor-in-chief.

Mr. Shedd was president of the American Society of Newspaper Editors in 1930 and 1931. Each week he delivers an address to the sophomore students in the journalism curriculum here, speaking in the Little Theatre in Old Main.

12 FACULTY MEN GO TO CONCLAVES

Members To Attend Conferences In 3 Eastern States Over Christmas Holidays

Twelve faculty members will attend important conventions in three eastern states over the holidays. Papers read at these meetings will include subjects on chemistry, psychology, education, bacteriology, sociology, and public speaking.

Dean Frank C. Whitmore, of the School of Chemistry and Physics, will read one of the fifteen papers given at the Organic Chemistry Symposium of the American Chemical Society at Ithaca, N. Y., on December 28. The symposiums, held every two years, invite organic chemists from all parts of the country to read papers by popular vote.

Dean Warnock to Preside As the retiring chairman of the chemistry division of the American Association for the Advancement of Science, largest organization of its kind in the world, Dean Whitmore will read a second theoretical paper at the Harvard University, at Cambridge, Mass., on December 29. Dr. Robert G. Bernreuter, of the School of Education, will also attend this meeting.

Dean of Men Arthur R. Warnock will act as chairman of the university section of the Pennsylvania State Educational association which meets in Philadelphia from December 27 to 29. Dr. Bruce V. Moore, of the School of Education, will speak at the same meeting. Dr. Charles E. Peters, of the same school will preside at a meeting of the American Sociological Society in the same city during the holidays.

Other faculty members attending meetings include Dr. J. A. Snerry, Prof. M. H. Knutsen, and Prof. R. D. Reid, all of the division of bacteriology, at a meeting of the Society of American Bacteriology in Philadelphia from December 27 to 29; Dr. Wheeler F. Davey, retiring president, at the meeting of the Society of Rheology in Pittsburgh December 27 and 28; Prof. John H. Frizzell, Joseph F. O'Brien, and Herbert Koepf-Baker, of the public speaking division, at a meeting of the Association for Teachers of Speech in New York City the last week in December.

DATE FOR HOUSES' APPLICATIONS SET

Fraternities Who Wish To Open For Summer Sessions To Apply Before January 3

All fraternities wishing to use their houses as Summer Sessions dormitories should return their applications to the Summer Sessions office not later than January 4, according to Dr. Charles C. Peters, Summer Sessions head.

In anticipation of a lessened demand for housing facilities next summer, the authorities are planning to open at least two or three houses less than last year, Dr. Peters said.

Houses will be chosen on the basis of the quality of previous service to the Summer Sessions, he stated. Any new houses submitting applications will be judged on the possible superior points that they may offer.

A definite number of houses will be set later by Dr. Peters after all the applications have been received. The list will be released some time later.

WEYSEER TO USE COLLECTIONS

Mr. John L. G. Weyseer, instructor in mining, spent the week-end in the mining regions around Mt. Carmel where he gathered various specimens of anthracite coal which he plans to use in his research work in coal geology.
