developing players' accuracy in foul shooting, so that by all indications, this season should show a marked increase in the percentage rating of Penn State's court squad as far as the timed shots are concerned.

As was the case last year, the Nittanymen will wear white uniforms with blue stripes and numerals, while the Selingsgrove quintet will be forced, because their equipment was destroyed by fire last night, to also wear Lion uniforms...

INTERCLASS GLOVEMEN WILL REPORT MONDAY

Tourney Participants Will Start Regular Practice Tuesday

Organization of the interclass boxing tourney will begin in Recreation hall at 4 o'clock Monday afternoon when ring aspirants from all three classes will report to Earl C. Bischoff, assistant professor of physical education, for instructions concerning the program.

The bouts will be scheduled and managed by Robert J. Stine '35 who was in charge of the intramural boxing contests which were recently concluded. Pairings will be announced as soon as a list of participants is secured.

Regular afternoon workouts under the supervision of members of the School of Physical Education and Athletics will begin Tuesday afternoon and continue until the conclusion of the tourney, according to Stine.

BOARD TO SELECT BOXING CHAMPION

Herasimchuk, Harvey To Vie for Choice as No Unit Has Another Winner

By KENNETH C. HOFFMAN '33 since no one fraternity or non-fraternity unit secured more than one intramural boxing champion, the winner of the tournament will be decided upon at the meeting of the Intramural board this week.

John V. Herasimchuk '34, Delta Upsilon's 115-pound fighter, was the only last year's champion to repeat the performance this year, defeating Francis M. Kehoe '36, Theta Kappa Phi, by a technical knockout in the second round.

Jones Wins 135-lb. Crown In the 115-pound class, John V. Herasimchuk '35, Delta Upsilon, defeated Francis M. Kehoe '36, Theta Kappa Phi, on a technical knockout in the middle of the second round.

Sheldon Jones '36, Sigma Pi, captured the 135-pound crown on a decision over Frank Goodman '37, Phi Sigma Delta. In the 145-pound class, Joseph T. Buczkowski '36, Frear Hall, won on a foul from George E. Greblasky '34, Commons Club.

In the 155-pound division, Louis J. Ritzie '37, independent, won the decision from William J. Cramer '35, Sigma Alpha Epsilon. George D. Douglas '36, Alpha Tau Omega, won the 165-pound championship by taking the decision from Wallace J. Stokes, Sigma Nu.

Woodrow B. White '37, independent, won on a technical knockout in the second round over Paul D. Metzger '34, Alpha Chi Sigma, in the 175-pound class. In the final bout William P. Rhoda '37, Sigma Phi Epsilon, won in the unlimited class by a decision over Clyde U. Anderson '36, fighting for Delta Theta Sigma.

Wanted---Positive Reducing Recipe; Submit to Coach Speidel---Reward

Weight—that's the problem facing eliminations, whether they are out for the team or not. Varsity men, number winners, and just plain wrestlers, they're all eligible for class teams. Coach Speidel is anxious to have a large number of entrants as he continues his search for material.

At first glance, it looks like a toss-up between the juniors and seniors, with Rosenberg, Ellstrom, Shanahan, and "King" Cole as almost certain finalists for the seniors, and D-Rito, Horvath, Bill Cramer, Howard Johnston, Civitts, and Kreizman among the strongest contenders for the junior team.

The sophomore squad will be made up largely of the freshman team of last season, unless some stronger men are found by the eliminations. The freshman team will prove the hardest problem, as there are 120 plebes reporting, and the whole squad will be given a chance in the elimination tourney.

It adds something to the Taste and makes them Milder

Modern storage warehouse for Chesterfield tobacco

SOMETHING like the method of ageing fine wines is used in ageing and mellowing the tobaccos for Chesterfield cigarettes.

The picture you see here was taken inside one of our modern storage warehouses where the tobaccos for Chesterfield are put away.

There are about four and one-half miles of these Liggett & Myers warehouses filled with thousands of casks of Domestic and Turkish tobaccos, most of it lying there ageing and mellowing for Chesterfield cigarettes.

It takes just about three years to age the tobacco for your Chesterfields.

Everything that money can buy and that science knows about that can make a cigarette that's milder, a cigarette that tastes better, is used in making Chesterfields.
