

Between the Lions with The Sports Editor

On the heels of the forced resignation of the head football coach at the University of Delaware comes the announcement that "Skip" Stahley has been signed as head grid mentor and track coach at that institution. The former Lion athlete goes there from Western Maryland where he was lacrosse and basketball coach.

Stahley was a letterman in three sports here, and captained the basketball team in his senior year. His prowess on the gridiron gained him a backfield post on the All-East team in their game with the West in 1930, while he limited his spring sport to lacrosse, being a regular on Coach Ernie Paul's eleven.

It seems that Delaware has also physical-education minded, because Charley Rodgers, whose place Stahley takes, was forced to resign because of his refusal to take any part in the directing of physical education activities at that institution.

Rodgers was one of the best football players ever put out at the University of Pennsylvania, but reached the peak of his career on the freshman team there, tapering off in form from then on.

Lions Seek Fifth Consecutive Victory In W. & J. Game Here Saturday Night

Morrie Lieber Listed With Headley as Co-Captains

By JAMES B. WATSON JR. Determined to add yet another victory to the role of four successful matches engraved on the right side of the Lion sports ledger, Penn State's court quintet will step out on the Recreation hall floor at 7 o'clock Saturday night to oppose Washington and Jefferson, a team fighting to avenge a 47-to-21 disillusionment at the hands of the Lesliemen last year.

One man's spectacular playing dominated the fray last year. That man, Forward Morrie Lieber, scored twelve points, maintaining what was then his pet hobby, the scoring of at least twelve points in every game in which he played. He'll be back as co-captain of the Presidents Saturday night.

Presidents Win One, Drop Two His partner at the head of the Maroon and Black aggregation is Headley, also a forward. He didn't play here last year, but he's seen plenty of service in the three games it at the Little Washington team has played this year, and he's looking forward to the battle here. So far, the Presidents have beaten Bethany twice, 26-to-19 and 34-to-30, and dropped their game with Geneva, 36-to-26.

Coach Spike Leslie isn't bothered by the prospect of an embroilment with the administrative crew. In the breathing space from the Lion two-week schedule he's gone over fundamentals again, has smoothed out individual performances through minutes of light scrimmage, and tonight will be able to get a slant at

Co-Captains of Presidents' Team

HEADLEY

LIBER

comparative performance when the Juniata-Washington and Jefferson game comes to an end. Tomorrow night the Presidents will play Bucknell, and Spike will have that score to figure with.

Thomas To Start Saturday

With Dave Thomas ready to play again after his short enforced holiday from an infected floor burn, the Lion defense will be strengthened to withstand Presidential onslaughts. Norrie MacFarlane, Johnny Stocker,

and Curt Henning will open the Lion offense as usual. Who'll start as guard number two is doubtful. Blyler, Stocker and Parks are all ready to go if Spike gives the word. He's waiting to see how their before the game appearance is.

In addition to Lieber and Headley, Washington and Jefferson will start Barkell, who played here last year but didn't score a point, at center; and in the guard positions, Davis and Grable.

FRESHMAN BOXERS WIN CHAMPIONSHIP

Bachman 145; Ritzie 155; Rhoda Heavyweight, Take Over Upperclass Pugs

Four victories, one a default, in the finals of the inter-class boxing tournament last night in Recreation hall gave the freshman class undisputed claim to the championship of the College.

The first of the freshman victories came in the 145-pound class when Paul Bachman won a hard fought decision over George Greb-Lasky, a senior, who had previously beat him in the intra-mural bouts. Louis Ritzie, fighting in the 155-pound division, was the next freshman to win his bout. He looked very impressive over Irwin Jackson who was barely on his feet at the end. Rhoda, heavyweight freshman, had an easy time with Schooley, the gamest man who stepped into the ring last night.

Johnny Comet, a senior, fighting in the 125-pound class came through in great style after two slow, nervous rounds to win over Stephen Crosswell, a sophomore. The only other senior to win his fight was Bob Watkins who had a tough time with freshman Goodman.

Petner, 115-pound class, and Hogan, 165-pound division, were the only juniors to win their fights. Fetter beat Eifler, a sophomore, in a lightning fast bout, and the battle between senior Espy and junior Hogan was the slug-fest of the card with both boys landing them hard. Brinton, a sophomore, defaulted to White, 175-pound class, to give the freshmen their fourth victory.

Interclass Wrestling Tourney Listed The interclass wrestling tournament will take place in Recreation hall at 2:30 o'clock Saturday after-

noon. Although the elimination contests have not been completed, the majority of the freshman team has been picked.

The first-year men will probably line up with Gray in the 118-pound class, Halpin in the 126-pound class, Calvin in the 135-pound division, and Douglas as the 145-pound representative. In the 155-pound class will be found Dutcher, while Eisenman will be in the 175-pound class, and O'Dowd as the heavyweight.

The only other class that has completed its eliminations is the juniors, who will be represented by Dirito,

'37 CO-EDS LEAD I. C. CAGERS

Freshmen women lead in the inter-class basketball tournament after defeating the seniors by a score of 42-to-16, and the sophomores to the tune of 46-to-9. The senior class team defeated the junior outfit by a 28-to-25 score last Monday night.

135-pounds; Clayt Cramer, 126-pounds; Horvath, 135-pounds; Bill Cramer, 145-pounds; Civitts, 155-pounds; and Howard Johnston, 165-pounds. Kreizman, Zimmerman, or Yoder will fill the 175-pound class and the heavyweight position.

Only the Center Leaves are used in LUCKIES

For these are the Mildest and fully ripened for perfect smoking

We buy only the center leaves for Luckies. Not the top leaves for they are under-developed. Not the bottom leaves for they are inferior in quality. Only the center leaves for these are truly mild and fully ripe. And that's the fine tobacco we use—to make Luckies so round, so firm, so fully packed—free from loose ends that spill out. That's why Luckies are always mild, always truly mild. And remember, "It's toasted"—for throat protection—for finer taste.

Lucky Strike presents the Metropolitan Opera Company Saturday at 2 p. m., Eastern Standard Time, over Red and Blue Network of NBC, Lucky opera "DON GIOVANNI."
