but Lou had him on his back three times, and I think Lou can beat him. Cole would have had an easy time in retaining his title for another year if he weren't hurt. I think Snowden will repeat his 1932 victory. He should beat Barrowes, of Harvard. Scobey, of Lehigh, is a good man, but he isn't ready yet.

Of course, the luck of the draws

## A LADY WRITES:

A LADY writes:—"I like your candid way of asking me to compare OLD GOLDS with my present brand... instead of bombarding me with brazen claims. I have been wedded to another brand for five years. But your sporting approach has persuaded me to try OLD GOLD."

We've simply found that the best way to make an OLD GOLD convert is to invite him to try OLD GOLDS a few days and smoke out his own facts.

No better tobacco grows than is used in OLD GOLDS. And they are PURE. (No artificial flavoring)

We claim no special credit for being fair to the other fellow.
