Werner Opposes Adoption Of Metric Track Measures

"I am opposed to any change in our system of measurement for track and field events," Coach Charles "Chick" Werner, Lion track mentor, said in commenting on the recent decision of the IC-4A board to retain the linear system of measurement in this country.

At the IC-4A meet in New York, the board, composed of managers from each of the member colleges and universities, defeated the proposal to use the metric system for tracks.

"Track and field events have not attracted the interest or the following of other forms of competition because of the lack of the proper sort of promotion," the former Illinois star believes.

"Why, then, when we expect to secure the interest of the man in the street, should we confuse and discourage him by using a system of which he is totally ignorant. Very few people use the metric system in their everyday life, and have little opportunity to become familiar with it," he continued.

"Only when we adopt the metric system as a nation would the plan become feasible," he declared.

Many other more important subjects are demanding the attention of the athletic world, Werner says. He cites the confusion of rules, in which colleges are often forced to compete under A. A. U. rules for one meet, IC-4A rules for another, and N. C. A. rules for a third.

"Unification of rules throughout the United States would help the cause tremendously. If we achieved that

L. M. CAGERS ENTER SEMI-FINAL ROUND

Sigma Alpha Epsilon, Frear Hall Winners in Quarter-Finals Contests Last Night

Sigma Alpha Epsilon's intramural cagers added another feather to their victory cap last night when they defeated Phi Kappa Sigma, 28-15, in the quarter-final round of the tournament.

Sigma Nu put Delta Theta Sigma out of the running, 16-14, in a closely contested game, and Theta Kappa Phi dropped Tau Sigma Phi, 21-15.

At the same time Sigma Alpha Epsilon will clash with Theta Kappa Phi. The former will enter the contest with a slight edge, using O'Hara and Mervine at forwards, Horsfall at center, and Harper and Long at guards.

STICKMEN LAUNCH OUTDOOR PRACTICE

First Contest Scheduled With Hobart on April 14; Many Lost by Graduation

With the first game scheduled for April 14, fifty candidates for the Lion lacrosse squad have started outdoor work under the direction of Coach "Mike" Loeb.

Coach Loeb is faced with the problem of building an entire new defense, graduation taking heavy toll of the team last June.

Among the candidates is Jack Fletcher, captain-elect of soccer and a varsity basketball player, who, according to Coach Loeb, looks like a letter-winner in his third sport.

For the good of the athletes, and permitted them to remain unchanged for a period of years, we would be able to devote our time to building up popular interest in the sport," he concluded.

RICHTER '37 WINS FIRST LOCAL BOUT

Takes Decision From Snowshoe Man In Bellefonte Match—White '36 Drops Fight

Izzy Richter '37, formerly leading amateur light-heavy of Philadelphia, made a successful local ring debut Tuesday night when he defeated Lesko of Snowshoe in three easily-won rounds at the old Bellefonte Armory.

Lesko was totally unable to cope with his opponent and was saved from a terrific mauling by the grace of the Philadelphiaan who refused to punish the Snowshoe boy or to take advantage of opportunities for K. O.'s.

In the other bout of the night, Woodrow White '37, another light-heavy, failed to deliver the goods against a hard-hitting pug from Clarence named Macasson.

Although White managed to avoid serious beating, he was generally unable to keep the other boy from doing plenty of hitting and running up a sufficient margin of points in each frame to guarantee his right to the verdict.
