

BLUE AND WHITE TO CROSS STICKS WITH HOBART HERE SATURDAY

FIRE HEADQUARTERS MOVED
 Because the floor of the Town Hall on Frazier street is being concreted, the trucks of the Alpha Fire Department have been moved to a garage in back of one of the five and ten-cent stores on Allen street.

EXPERIMENT STATION MAKES TESTS ON FINE WOOL LAMBS
 Shearing and feeding tests on 106 fine wool lambs have just begun at the College agricultural experiment station. The animals were selected in Washington county by Thomas E. Keith, of the department of animal husbandry.
 The lambs will be shorn at different times so that the economy and rate of gain and the effects of early shearing may be studied.

Coach Loeb's Will Start 8 Veterans in First Test

Geneva Team Untried This Year; Downed Lions in 1933

To the Lion lacrosse team falls the opportunity to record the first victory of the spring sports season when they meet the Hobart sticksters on New Beaver field at 2:30 o'clock Saturday afternoon. This is the earliest opener for the Nittany stickman for several years, but Coach Mike Loeb's has had practices in Recreation hall and finally out doors for nearly two months.
 Hobart, one of the strongest lacrosse clubs in the East, comes here more or less an unknown quantity, it being the first game for both squads. The Lions fell victims of this same team last year at Geneva, losing one of the closest games of the season by a 4-10-3 score.

Lacrosse Mentor

GILBERT F. LOEB'S

out home. Robeson or Bosman will be found at the in home position. Bosman played last year, while Robeson, a sophomore, back in school after a year's absence, has been showing up well in practice this spring.

Lions Boast Veteran Team
 The Lions are fairly well fortified with veteran material this year, and a much more successful season is anticipated than last spring. Every position except two, or at the most three, will be filled by veterans, Coach Loeb's not having definitely decided on one or two positions.

Either Gerber or Jim Reed will start at goal for the Nittany team. Reed held down the post last year but Gerber has developed fast. Both will probably see action.

Weber will start at point, while Roy Reed, one of the newcomers, will hold down cover point. Moulthrop will start at first defense, with Rathmell at second defense.

Either Kline or Barnes, both experienced men, will get the nod as starter at center. Either Fletcher, a junior, or Hasek, a sophomore, will start at first attack. Fletcher, captain-elect of the soccer team, and basketball standby, is seeking his third major sports letter, while Hasek is making his first bid for inter-collegiate competition.

Captain Koth will hold down second attack, while Kaufuss will start at

PHI SIGMA DELTA WINS I. M. VOLLEYBALL FINALS
 Will Meet Sigma Phi Epsilon, Last Year's Winner, in I. M. Finals

Phi Sigma Delta entered the finals of the intramural volleyball tournament Tuesday afternoon by virtue of a victory over Sigma Pi, last year's finalists, 15-10-6 and 15-10-7.

They will encounter Sigma Phi Epsilon, cup winners last year, who defeated Chi Upsilon in the semi-final round last night 15-13 and 17-15. The finals will be held in Recreation hall Sunday afternoon at 4:30 o'clock. William D. Gates '35, intramural volleyball manager announced last night.

PATRICK TO AID GOVERNMENT IN SOIL EROSION PREVENTION

Working under the sponsorship of the Department of the Interior, Dr. Austin L. Patrick, of the department of agronomy, will head a project to study methods for the prevention of soil erosion in Pennsylvania. The

work will start as soon as weather conditions permit.
 Dr. Patrick recently conferred with H. H. Bennett, in charge of the appropriation of money for the establishment of eighteen regional farms over the country, and outlined a comprehensive plan which was approved.

BEDENK SHUFFLES DIAMOND LINE-UP

Lion Mentor Tries Bielicki at First, Ochsner at Third In Training Game
 Not definitely committing himself that he is unsatisfied with the Lion infield and admitting that he is willing to give any combination a try-out, Coach Joe Bedenk has shifted Joe Bielicki, a second-baseman earlier in the season, to first, moved Johnny Stocker from third to second, and is giving 'Red' Ochsner, who played third base for the freshman team last year, a chance to exhibit his wares in varsity competition.

To bring about this change, Coach Bedenk has shifted Bill McKechnie temporarily back to the second-string outfit until he regains his batting eye. The new combination first made its appearance early this week.

Suitable outfield mates for Captain Bill Kascsak, veteran leftfielder, are still worrying the Lion baseball mentor. But then, with only two men back in regular positions from last year, what coach wouldn't be worried with only eight days to go before the season opens.

The chief baseball exigency just at the present time is a rightfielder who can hit and field. Per Miller is showing up well in early season workouts in centerfield, but if he doesn't come through, Coach Bedenk will have to do some last minute Houdini stuff.

The diamondmen to date have played only a couple of training games, but, weather permitting, there will probably be one this Saturday that will be a large factor in determining for Bedenk just who's who and what's what.

LUCKY STRIKE CIGARETTES

Certainly, I'll try one of yours . . .
but I prefer Old Golds

"THANK you, I will smoke one of your cigarettes. They're not my brand, but I don't dislike them. In fact, I like all the leading brands.

"But as a 'steady diet' . . . I really do prefer OLD GOLDS. They seem so honey-smooth and pleasant. And they're so well-filled and nicely made. I'm not trying to in-

duce you to jilt your brand. But just for a few days, why don't you try smoking OLD GOLDS? You might get an agreeable surprise!"

No better tobacco grows than is used in OLD GOLDS. And they are PURE. (No artificial flavoring)
