

Between the Lions with The Sports Editor

This is our last column. We're going to get through with it quick and make a short introduction of the new sports editor for the coming year.

Before we go, we're going to use this clipping that's been saved for some time now. It's an editorial that came out of the Ducknellian, and shows what fraternity athletic rivalry can do to the spirit of a school.

"Martin McAndrews, the new assistant football coach, was placed on the spot here soon after his arrival last week. He was asked to officiate at the Intermural Boxing Conference. While complying with the request of the Intramural Council, Mr. McAndrews happened to reach two decisions which did not meet with sound approval.

"Nothing would be thought of the matter if the fraternity doubting his judgment were not the group which makes a large contribution to the personnel of the football team. The group which benefited from his decision also happened to be a fraternity which makes equal if not greater contribution of its members to the football team. No matter which way he decided, it seems his judgment would have met with resentment in some group.

"It so happens that Mr. McAndrews was fully qualified to referee the bouts. Four years of coaching in the sport at the Pennsylvania State Police Training School, plus an admirable record at Penn State—he was Eastern Intercollegiate champion—give him more than a passing knowledge of the game. His decisions at the intramural fights were fair and popularly accepted, except on the part of the groups in question.

"McAndrews should not worry about the matter. It will be forgotten in a short while. It does prevent him, however, from getting off to the popular start he deserves. The intramural authorities should take care in the future they do not place any other man in such an embarrassing position at the outset of his career here. It is a very unfair handicap." —J. M. S.

NITTANY STICKMEN RALLY TO TROUNCE HOBART, 9-TO-4

Score 7 Goals in Second Half To Capture Opener

Koth, Barnes, Weber Set Pace as Lions Flash Snappy Attack To Win After Visitors Lead, 4-to-2, at Half-time

Flashing a powerful second half rally which netted them seven points while they held their opponents scoreless, the Lion lacrosse ten hacked their way through to a 9-to-4 victory over the Hobart stickmen on a slow New Beaver field Saturday afternoon.

"The results of the second half certainly showed the efforts and the hard work of the boys during their practice sessions," said Coach Mike Loeb, in commenting on the game. "I was well pleased with the work of all the members of the squad, both defensive and offensive. The game showed the potential strength of a great many sophomores and juniors who saw action for the first time Saturday."

Hobart Scores First It was Captain Koth, holding down the first attack position, and Bates Barnes, flashy center, who did most of the scoring for the Lions, each slipping three goals past the Hobart goalie. Weber led the defense. Stein led the attack for the visitors, netting two points.

The game started in a chilling light snow flurry. Soon after the opening whistle Harvey slipped a shot, fast shot past Reed for the first Orange and Blue tally. Captain Georgie Koth came back with one for the Lions to tie the score.

Stein Heads Hobart Scoring Although the sun came out again in the second period, it still looked cloudy for the Lions. Stein and Rich each sunk a goal to put the score at 3 to 1. Barnes managed to slip one past Johnson, bulky Hobart goalie, but Stein came through with another before the whistle ending the half was blown. The score was 4-to-2.

After the half-time rest, Coach Loeb's proteges started off slowly, but once they got underway, they showed latent possibilities that should take them places this season. The pace was too furious for the boys from Geneva.

Lions Gain Lead In Third Koth again broke the scoring lull about the middle of the third period, with Barnes scoring soon after to tie the score at four-all. Another pair by Barnes and Moulthrop put the Lions in the lead for the first time as the third quarter ended.

Coach Loeb was substituting profusely throughout the second half, in an effort to give as many men as possible a taste of varsity play. Fletcher, Rathmell, and Hasek each scored in the last period to put the final score at 9-to-4.

VARSITY GOLFERS VIE FOR POSITIONS

Linksmen Prepare for Opener Against Strong Cornell Team April 28; Many Veterans Return

Candidates for varsity berths on the golf team are touring the course daily in preparation for the opening match with Cornell here on April 28. With a veteran squad ready to tee off, Coach William Rutherford anticipates a strong Blue and White team.

Tom Marshall, Lloyd Beyer, Roger Hetzel, Dick Rittenour, Don Masters, and the Cramer brothers, Fred and George, are the leading contenders for squad positions. The course is being carefully groomed and the greens will probably be put into service tomorrow for the first time this year.

Last year the Red team from Ithaca marred an otherwise perfect Nittany season when they handed the Lions two successive defeats in the last meets of the year. Rodney Bliss, Cornell ace, turned in a sparkling 66 on the local course in the final match to equal the course record.

Among the teams to fall before the superior strokes of Coach Rutherford's proteges were Swarthmore and Penn, who lost 4 1/2 to 1 1/2; Pitt, defeated 4 to 2; and Centre Hills Country Club, trounced 32 to 11. Lafayette held State to a 3-3 tie.

HIGGINS PLANS EAST-WEST TILT

Coach Bob Higgins has divided all of the members of the spring football squad into two teams, according to whether their homes are east or west of the College. Twenty-nine players were placed on the East team and twenty-seven on the West.

Lion Netmen Prepare for Opener With Gettysburg

Captain Skillen, Block, Green, Manwaring Form Nucleus of Squad of 50 Candidates

With their opening match with Gettysburg only two weeks away, Lion netmen have been working out daily under the tutelage of Coach "Dink" Stover, who is trying his best to select a team.

Four lettermen—Capt. Skillen, "Pip" Block, Nels Green, and Homer Manwaring—form the nucleus of a squad of more than fifty candidates.

Elimination trials for positions on the squad for the forthcoming season will begin this week, Coach Stover said. A new backboard has been erected on the cement court where the netmen have been perfecting their strokes.

Jim Smith, lanky sophomore who won the freshman tourney last year, has developed a fine all-around game, which puts him in the running for a position on the squad this year, while Block and Green, who played first and second men, and Capt. Skillen all seem assured of having an opportunity of repeating their performances again.

Other possibilities to fill the fifth and sixth posts on the squad are Bill Shapiro, Bill Hammond, Chuck Rummel, and Pete Barbor. Coach Stover is not sure about anything, feeling that there is some good material which has not turned up yet.

It looks to him at present as if Hammond or Barbour will give Smith plenty of fight for the two unfilled positions. Next week he will cut the squad—which is the largest ever to turn out—down to twelve.

PHI SIGMA DELTA WINS VOLLEYBALL TOURNEY

Championship Wrested from Sigma Phi Epsilon in 2 Straight Games

Phi Sigma Delta came through to wrest the intramural volleyball championship in two straight games from Sigma Phi Epsilon, 15-to-6 and 15-to-11. They will receive a cup.

Sam Brownstein and Lou Kreizman, playing all over the court, starred for the winners, and were mainly responsible for the victory. The second game was closer than the opener, the teams being even until the score stood 11 to 11.

Brownstein, Cohen, Goodman, Hey-ison, Kreizman, and Miller played for Phi Sigma Delta, while the Sigma Phi Epsilon lineup included Blyler, Custer, Fisher, Gies, Lyons, and Stocker. Eugene V. Bischoff officiated.

might uncover some material which has not as yet turned out for the squad. With this point in mind he intends to keep a "weather eye" on the remaining play-off matches, that is, if the weather will clear up long enough.
