

# Lion Nine, Victors in First, 8-7, Face Muhlenberg Wed.; Ten Loses 13-3

## Parks Whiffs 19 Susquehanna Batters in 14-Inning Contest; Lutchter Will Pitch to Mules

### Contest Scheduled for 4 O'clock on New Beaver Field

By BILL McDOWELL  
Jack Lutchter and Dick Woolbert are slated for battery work when the Lion baseball nine faces Muhlenberg on New Beaver Field at 4 o'clock Wednesday afternoon.

Against what is reputed to be a veteran team Bedenk will use the same infield and outfield that saw action Saturday. Bill McKechnie will play first-base and Johnny Stocker and "Red" Ochsner are scheduled for second and third.

Frank (Red) O'Hara will work at short-stop with Captain Bill Kascak, 'Pero' Miller and Joe Bielicki in the outfield, reading from left to right.

Three times in the past have the Mules invaded Lion territory only to be repulsed by point margins which increased each time. Last year rain prevented playing the scheduled game here.

The visitors played their first game with Nittany batters in 1929 when they came out on the short end of an 8-to-3 score. The 1930 and 1931 encounters ended with 6-to-0 and 12-to-3 victories for the Blue and White.

#### HARRISBURG CLUB SIGNS SMITH

Reggie Smith, leader of last year's Lion diamond squad, has been signed to play third-base for the Harrisburg club in the New York-Pennsylvania circuit this season.

### EAST SQUAD BEATS WEST IN GRID-TILT

Sectional Game Ends With 7-0 Win for Easterners in Opening Contest

By JOHNNY MILLER  
Winning by a 7-0 score, secured in the first part of the game, the East football squad defeated the West in the first game of the three-series contest to be played by the 1934 Penn State grid candidates on New Beaver field last Saturday afternoon. Morrison captained the winning team and Andrews led the other side.

Several passes were attempted by each of the teams but the attacks from that angle were weak. At some of the most strategic points, the centers would make a low pass and cause the backfield man to either get a poor start or a worse punt. On the whole, interference was good although there were several times when the Wests were blocking the Wests. The other side hit the same difficulty but not as frequently.

The morale of the entire squad is high. "That boy can certainly run that ball," "Gee, that was tough, he tried hard," "Look at 'im go," were only a few of the expressions uttered by the men on the sidelines. At the end of the half, the players came running off the field. Bob Higgins met them. "How do you feel," he asked, "Tired?" "No," and smiles that covered their faces, were the answers.

### Miller's Fourth Single Drives in Kascak To Win Game

By BILL McDOWELL  
Nineteen strikeouts in fourteen innings of sterling ball twirled by Pitcher Keith Parks. A single by 'Pero' Miller, his fourth of the game, which allowed Captain Bill Kascak to score from second-base.

These were the main factors in the Nittany nine's 8-to-7 victory over Susquehanna in the opening game of the season on New Beaver Field Saturday afternoon. Parks broke a record that he set last season when he fanned fifteen batters.

Stocker and Kascak tallied in the first inning. Bastress, Susquehanna center fielder, singled to bring in Morrow and Spitzner for the visitors in the third.

The Bedenkman retaliated in their half of the same inning with three runs. Kascak hit a pop fly which was fumbled by Spitzner, Crusader second-base man, and allowed him to reach third, Bielicki and Miller got on and O'Hara batted them in.

Susquehanna piled up four runs in the fifth inning before they settled back to an innocuous languor which lasted until they secured their last run of the game in the tenth.

It all began when Morrow was enfranchised with a base on balls. Bastress and Hanna singled. With the bases loaded, Eisenhour clouted the only home run of the game to bring his three colleagues in for an impromptu Old Home Day.

Blue and White hopes were chilled by a wind which blew over the field for two scoreless innings of the game until Johnny Stocker smashed out a long drive over the center-fielder's

### WRIGHTING BETWEEN THE LIONS

By FRED W. WRIGHT  
The gentleman from Berwick came along, as they say on the witness stand, "Mindin' my own business." Said gentleman has been well and favorably known in these parts for some time now as Harry Latorre, guard on the Lion grid machine and terror to opposing line-buckers. In fact, with Bedoski, Woolridge, Berry, et al, about to enter the diploma line, Latorre will provide the answer to at least one of Head Coach Bob Higgins' problems next fall. Motion carried.

Something was said about an invention that Latorre had patented. The gentleman from Berwick pleaded guilty in the first degree. "Oh, I had one; sold it though."  
And to whom? "Oh, a silk company bought it; it's no good now. Somebody just invented a better one." Good point, that. The gentleman from Berwick was a man who knew when to get out of the market. What about the future? "Well, I made enough to get me through school this year; think I'll have another one for next year." By this time Latorre was nearly out of ear-shot—thirty feet on a clear day when the reception is good. The soft-spoken, clear-cut Italian is much more at home over a work-bench or on a football field.

### Hamas Has Chance for Try At World Heavyweight Title

A chance at the world's heavyweight championship title lies in store for Steve Hamas '29, former Lion boxing ace and winner of eleven letters in five different sports.

"I'm in line for a shot at the title," Steve said while visiting with his wife over the week-end. "I already have definite promise from the managers of both Carnera and Baer that they will give me a chance at the winner of their bout in June. The fight will probably come sometime in September. Philadelphia looms as the probable location."

Although he has been back to State College only once since being graduated in 1929, Steve is still villy head and Miller chased him home.

Cotton scored a run in the first half of the tenth for the invaders and Stocker knotted the score for the Lions in their half. The Kascak-Miller combination which brought in the winning Lion counter was made after only one out.

### Navy Sinks Stickmen As Defense Weakens

#### Fletcher, Robeson Hit Net for Scores; Gerber Stars

By HARRY HENDERSON  
Hopelessly outclassed in physique, speed, and reinforcements, the Blue and White stickmen were easily defeated by a powerful Middy squad at Annapolis, Md., Saturday afternoon. This marks the second victory for the Tars and the Lion's first defeat.

Although as far as stick-work is concerned the Tars were on equal terms with the Lion ten, on the field they were usually a step or two ahead of the Blue and White team who often found two of them open near the goal. Gerber, sophomore Lion goalie, stood out throughout the game for his brilliant work. He stopped shots that seemed beyond stopping. His play was highly commended by the Navy coach, George Findlayson.

The Lion ten, fighting desperately, staved off the Middies' onslaughts for the first eight minutes of the game, but finally, weakened by the speed of play, loosened up defensively, and Bill Clark and Ken Schacht, Navy grid-iron stars, ran up four points between them before the end of the quarter.

Jack Fletcher, captain-elect of the Lion soccer team, opened second quarter scoring when he dropped one in from a difficult angle. He followed this a few minutes later when, taking advantage of a Tar in the penalty box, he slipped through the Navy points and chalked up his second tally.

This put the score at 4-to-2, perhaps a bit too close for George Findlayson, Middy coach, for he immediately rushed his first string attack into the fray who by the end of the half had added three goals to Navy's score. Condon, Middy captain who has just been released from the hospital, scored two, and Ward the other tally. The score at the end of the half was 7-to-2, Navy leading.

#### The Box Score

Penn State—3	Pos.	Navy—13	Pos.
Gerber	G	Wright	G
Weber	F	Murray	F
Reed	C	Rankin	C
Mouthrop	F	Rittenhouse	F
Rathmell	S	Buse	S
Kline	C	Veth	C
Barnes	S	Gimber	S
Fletcher	F	Thompson	F
Kaulfuss	O	Clark	O
Koth (c)	I	Schacht	I
Penn State scoring—Fletcher, 2; Robeson, 1. Navy scoring—Clark, 2; Condon, 3; Schacht, 5; McQuilken, Thompson, Ward.			
Referee—Wehr (Syracuse.)			

#### BAD WEATHER RETARDS SELECTIONS FOR RELAYS

Freshmen Mile Relay Team Only Sure Choice for Philadelphia Trip

By JACK BARNES  
Opening the season with the Penn Relays is a bad proposition for any track coach, but when you add to that only one week of clear weather practice on the cinders and two incomplete time trials, you are really in a tough spot. If you don't believe it ask Track Coach 'Chick' Werner.

In Saturday's time trials Cessna looked good in winning the 100 yard dash in 10.1 seconds on a slow track. This sophomore also won the 220 yard dash handsly and gave indications of a successful season. The freshman mile relay team, Downey, Osterland, Rosenberg, and Crum, which 'Chick' has definitely decided to take to the Relays, also looked good.

A freshman-sophomore meet will be held Wednesday afternoon as the first of a series of inter-class and intra-mural contests. Coach Werner said that the broad jump, hurdles, and shot put were especially weak and asked that any students who believe they have any ability at all in the above events report to him at the field any afternoon.

about Cigarettes

As to the cigarette paper on Chesterfields

THIS reel of cigarette paper is sufficient to make 42,000 Chesterfield Cigarettes. It is of the finest manufacture.

In texture, in burning quality, in purity, it is as good as money can buy.

Cut open a Chesterfield cigarette. Remove the tobacco and hold the paper up to the light. If you know about paper, you will at once note the uniform texture—no holes, no light and dark places. Note also its dead-white color.

If the paper is made right—that is, uniform—the cigarette will burn more evenly. If the paper is made right—there will be no taste to it and there will be no odor from the burning paper.

Other manufacturers use good cigarette paper; but there is no better paper made than that used on Chesterfields. You can count on that!
