

# Lacrosse Ten Wins as 4 Out of 5 Teams Take Home Contests Saturday

## NITTANY STICKMEN DOWN LEHIGH, 8-4, ATTACK IMPROVED

### Koth Cages 3 Tallies; Fletcher, Robeson Hit Net Twice

By HARRY HENDERSON

Showing a more highly polished attack than ever before, the Lion lacrosse men handed a hard fighting Lehigh ten its fourth consecutive defeat by a score of 8-to-4 in a sunny but windy New Beaver field Saturday afternoon. It marked the Lions' second victory in three games.

Captain George Koth, playing at first attack for the first time this year, again showed his skill in handling the stick and his ability to pivot and dodge by scoring three of the Lion tallies himself. The Blue and White leader made the most outstanding individual plays of the game when he dodged and pivoted past three shifty Lehigh defensesmen to slam the ball into net before Grub; Lehigh goalie, had time to see who had the ball.

Wildman Heads Engineers

The Lehigh ten, beaten by Princeton the Saturday before, 11-to-1, played with all the skill and speed they had, but the Lions' fast working attack soon piled up a lead of two points—which they never were able to overcome. The Bethlehem boys were slow in getting their defensesmen down the field before a Blue and White attack and often they discovered too late that some Lion had been left open before the net.

Wildman, playing Lehigh's in home, was the most outstanding Brown and White attack man. He scored two goals; himself, half of his team's tallies. Both of his points were made on an excellently executed "sleeper" play that seemed to be the only thing Lehigh had in its bag of tricks.

Robeson Starts Lions Off

All of the Blue and White stickmen, with the exception of "Deb" Kline, were in condition to start. Bates Barnes, whose play has been above par in the last two games, started in "Deb's" regular place at center. Kline was put into the game in the second half for a few minutes.

"Tony" Robeson, starting his first game at out home, showed that he has more than just possibilities. Within a few minutes after the opening gun, he scored the Lions first goal on an well executed play which drew the Brown and White defensesmen away from their goal. He scored another goal a little later in the half and his play throughout the game was consistently good.

The Lehigh team was very slow in bringing the ball down the field throughout the game and almost refused to take advantage of the few opportunities which the Lion ten allowed it. The Lehigh goalie, Grub, played erratically, but at no time in the contest did his play ever touch the stellar work of Gerber, Lion sophomore, whose work has been of the best this year.

Jack Fletcher, soccer captain-elect, made two of the Lion's tallies, while Ernie Kaulfuss, playing the home position, scored the remaining Lion point on a very fast blocking play directly in front of the net.

All through the second and third quarters both teams seemed to lope their heads somewhat and there was a great deal of unnecessary "laying on the wood" and body checking. In the closing minutes of the game Lehigh, sensing the game was lost, started clipping and a roughness which the Lions: apparently didn't mind returning, much to the delight of some of the game's bloodthirsty fans who howled with glee on seeing some poor attack man being clubbed by a husky defenseman.

## WRIGHTING BETWEEN THE LIONS

By FRED W. WRIGHT

Texas had its Babe Didrickson, Poland its Stella Walsh, and the Chattanooga baseball club its woman pitcher, but none of them have anything to talk about that loyal Penn State sports followers can't equal if a motion now before the Senate is not tabled. And if said motion isn't tabled, somebody on the Lion tennis team is going to find himself on the bench watching a person by the name of 'Dot' Anderson, doing some fancy stroking. This is tennis, you.

Transferring from the University of Southern California last September, the lady in question is eligible—and willing—and able to represent Penn State on the court this season in both singles and doubles matches. It's odd to conceive of a woman on the men's tennis team, but her presence is going to add so much more strength to the team's chances for an unbeaten season, so they say.

Of course, we're not consulted often by the College on such matters, but we think we'll be able to stand the shock. If the ruling goes through, and Miss Anderson is permitted to chisel in on something that has been—like rotten politics—hitherto to the men's own private little racket, we intend to attend our first intercollegiate tennis match, if the six Deans can be persuaded to make room. Put that in our social book, Oscar.

The professor of Journalism was speaking. "The idea is to get the gist of the story into the headline," he said. But evidently the good gentlemen from Berwick have never heard the professor, or a head such as "FRANK SOUCHARK TO ENTER PITTSBURGH" would never have been last Friday in the 'Enterprise.' In fact, it would seem that the gentlemen don't get around very much in the western part of the State.

If they had, they would surely not have made such a blunder as reporting that a high school graduate-to-be has accepted a scholarship at Pitt. Furthermore, the gentlemen erred grossly when they were so careless as to let it reach print that "Souchark, one of the most prominent all-around athletes, received a scholarship on his athletic ability and accepted the invitation to play under the tutelage of Coach Joek Sutherland.

Gross libel, that Souchark, who was captain of the Berwick high school football team, outstanding player in the Keystone basketball league, and State schoolboy golf champion last year, is entering Pitt to procure a college education. Do not the gentlemen from Berwick realize that when Penn State and Pitt resume athletic relations in football for 1935, 1936, and 1937 that the Panther administration first assured College athletic officials that there was no taint of commercialization in their eleven's?

## NETMEN TO MEET BISONS WEDNESDAY

### Lion Team Will Engage Bucknell Squad in Attempt To Gain Second Victory

By CHARLIE SCHWARTZ

The Lion netmen will attempt to hang victory number two on the records Wednesday afternoon when they encounter a strong Bucknell team here. The Bisons beat Gettysburg 7-to-2 last week.

"Flip" Block, who turned in a stellar performance last Saturday afternoon, when the Stovermen took the Bulls over the hurdles, 8-to-1, can expect most of the opposition from Bucknell's first man, who is reputed to be an excellent player.

Skillen Wins Match

Block experienced trouble with his serve during his first set with Achey on Saturday, but his cheery game enabled him to down the Gettysburg man, 6-3, 6-2. Nels Green found an easy opponent in Fink, trouncing him 6-3, 6-0.

Captain Randy Skillen opened the afternoon with a fast and furious set, defeating a bewildered McIlhenny, 6-1. In the second set, however, the fighting spirit lagged and it was only after fourteen games of sawing advantage, that the Nittany leader managed to eke out an 8-6 victory.

Jimmy Smith, up in fourth position as a trial, proved his worth by easily winning over Dunkelberger, 6-1, 6-1. Although he had no difficulty in taking the opening set, Pete Barbor had the tables turned on him after a game fight in the succeeding two, to drop the only match of the afternoon, to Livingston, 6-1, 4-6, 3-6. Homer Manwaring found plenty of trouble in Brazel, winning his match 9-7, 6-3.

A perfect doubles combination has been found in Jimmy Smith and Nels Green, who defeated Achey and Dunkelberger, 6-0, 6-0. Elock and Jack Heyison topped Fink and McIlhenny, 6-2, 8-6. In the third singles, Skillen and Freddy Smith, playing for the first time together, found little trouble with Livingston and Ulrich, winning 6-2, 6-2.

League in the number of base hits scored this season, and Johnny Broaca, a student at Harvard, who will join the Yankees after his graduation this spring, are others who owe their rise to Kritchek's quest for new material.

## FRESHMAN TEAM TAKES THIRD PLACE AT RELAYS

By JACK BARNES

The Nittany Lion isn't as fast as he used to be, but there are a couple of new Lion cubs who remind one of their father in his best days.

This is the impression gained at the Penn Relays last week-end where the freshman team—State's only place-winner—finished third in the mile-relay. With the exception of 1932, when they unexpectedly won their second leg on the sprint-medley cup, Nittany trackmen haven't done any better since 1929.

Unlike Columbia who finished first after starting from the outside lane, the Penn State frosh were unable to overcome their tenth lane position and remained in third place throughout the race. Although anchor-man Downey shaded 49 seconds for his lap, he could not overcome the first lap loss and finished ten feet behind the winner and several feet behind the second-place Manhattan man.

## OWLS DEFEAT LION BASEBALL NINE, 8-0

### Nittanymen Scheduled To Meet Western Maryland Here Wednesday at 4

By BILL McDOWELL

Smarting under the 8-to-0 defeat administered to them by Temple here Saturday, the Nittany Lion tossers will be seeking to avenge their first upset of the season when they meet Western Maryland on New Beaver field at 4 o'clock Wednesday afternoon.

Last year the Lions blanked the Green Terrors 6-to-0 last season. Keith Parks and Zev Zawacki are slated for the Blue and White batteries for the fray Wednesday.

Owls Score in Second

The boys were definitely off their stride Saturday and Temple was out for blood after being defeated by Bucknell the day before. Two scratch hits which Johnny Stocker made in the first and last innings were the best the Lions could do against "Lefty" Berry's hurling and airtight fielding. No Penn State man was able to advance beyond first base at any time during the game.

The Owls amassed five runs including a homer by Gavazzi in the second inning. Two of these capers were facilitated by errors. A fielder's choice and an error by O'Hara at short enabled Berry to score in the fourth.

Stonik belted the sphere over center field under the football bleachers to circle the bases in the sixth inning. Brown added the final Cherry and White marker in the seventh when Gavazzi drove him in after he had stolen second.

## LION GOLFERS TROUNCE STRONG RED SQUAD, 4-2

By WALT FREUNTSCH

The Red and the Blue and White mingle splendidly to make Fourth of July bunting; the same combination on the links most appropriately produces plenty of fireworks. All of which adds up to a Lion victory over the Cornell golfers, 4-to-2, on the College course Saturday afternoon.

Winning three of the individual matches, and one of the best-ball tilts, the Nittany divot-takers threw a big gob of mud on the hitherto unblemished escutcheon of the "sons of Ezra," who came here with victories over Haverford, Penn, and Colgate to their credit. Captain Lloyd, "Chick" Beyer and Dick Ritenour turned in the lowest rounds, both scrambling about the course for scores of 75, not had under the cool conditions that prevailed.

In the first foursome, Beyer walloped Danny Wilcox, and 5, while Cornell's number one man, Charley Newman, topped Tom Marshall, 2 and 1, in the day's closest match. The Ithacans also took the best-ball match in this foursome, for their other point. In the second foursome, Ritenour and Don Masters downed Johnny Haskell and Johnny Carver respectively, by scores of 5 and 4 and 3 and 2. Ritenour and Masters also added a point to the team total with a best-ball victory.

## With Our Opponents

BASEBALL

Bucknell—10; Albright—9.

Temple dugout, Parks struck out seven Owl batters before Lutcher relieved him in the seventh and fanned two more. Berry whiffed only four Nittanymen.

The way tobacco is cut has a lot to do with the way Chesterfield burns and tastes

There are many different ways of cutting tobacco. A long time ago, it used to be cut on what was known as a Pease Cutter, but this darkened the tobacco, and it was not uniform. The cutters today are the most improved, modern, up-to-the-minute type. They cut uniformly, and cut in long shreds. The tobacco in Chesterfield is cut right—you can judge for yourself how Chesterfields burn and how they taste. Everything that science knows is used to make Chesterfield the cigarette that's milder... the cigarette that tastes better.
