YOUR EYES AND OUR SERVICE

It is regrettable but true that a person may have defective vision and not be aware of it. Defects. That is, though a defect is present the eyes in many cases automatically overcome it. The eyes often overcome vision and the person may see to HIS satisfaction. This is the cause; cause in such cases the eyes are of much bodily discomfort, be-naturally neglected.

NETMEN TROUNCE PLAID; UPSET BY PANTHERS, 5-10-4

To Meet Maroon and White Wednesday At 4 O'clock

By CHARLIE SCHWARTZ

The Lion netmen will clash raquetts here Wednesday afternoon with a Lafayette squad of unknown strength. Coach "Dink" Stover expects to use the same team that has been playing together in the past three meets.

A strong Pitt team handed the Stovermen their first defeat of the season Saturday, tripping them 5-10-4. 'Pip' Block went down at the hands of Captain Ganger, 6-2, 7-5, in a very close match. Green lost to Madden, 8-6, 6-4, and Jimmy Smith dropped a heartbreaker to Slocum, 7-5, 4-6, 6-3.

Skillen, Tops Heckler Captain Skillen topped Heckler, 6-1, 2-6, 6-3. Manwaring lost to J. Thompson, 6-4, 6-4. In the doubles, Green and Smith lost to Ganger and Madden, 6-3, 6-2; Block and Heyison defeated Slocum and J. Thompson, 6-3, 6-2; and Skillen and Manwaring won over Heckler and L. Thompson, 6-3, 6-2.

The netmen had an easy time last Friday with Carnegie Tech, defeating them 8-10-1. 'Pip' Block won from Krey in straight sets, 7-5, 6-4, while Nels Green beat Maczov, 6-0, 6-2. Jimmy Smith took over Pearlstein, 6-1, 6-2. Captain Randy Skillen continued his undefeated season by winning from Lightcap, 6-2, 6-0.

In the fifth singles matches, Homer Manwaring outstroked Loves, 6-3, 6-2. Lehne scored the only Tar-tan point of the afternoon from Pete Barbor, defeating him 6-4, 6-2. Smith and Green won from Krey and Maczov, 6-4, 6-2; Block and Heyison beat Jones and Goss, 5-7, 6-3, 6-4; and Skillen and Manwaring took over McDonald and Hartshorn, 6-3, 6-3.

Captain Randy Skillen is the only singles player who is undefeated. Two of the doubles teams have clean slates. They are 'Pip' Block and Jack Heyison, who are rapidly improving each week, and Captain Skillen and Homer Manwaring.

The netmen had bad luck during their Pittsburgh trip in the line of raquetts. They broke four of them in the Tech and Panther meets.

INTRAMURAL HIGHLIGHTS

By VANCE PACKARD

Trackmen Don Spikes
Whether the track meet scheduled for Wednesday afternoon will be held or not is still a moot question in the mind of the manager of the event. At 2 o'clock this afternoon only six teams had paid their entrance fees. Manager Anthony believes that there have not been enough teams entered to make a tournament worthwhile.

Houses which have entered teams are Alpha Chi Rho, K. D. R., Phi Delta, Phi Kappa Phi, and S. A. E. With the exception of the Phi Deltas, none of the teams ranking high in last year's meet have entered as yet. Neither last year's winner, Sigma Nu, nor Kappa Sig, third place team, have felt the urge to enter yet. Because of their strength in freshman class, the Betas were considered as formidable dark horses this year, but thus far they have failed to sign up.

Musball Tourney Re-opens
The musball tournament began again this afternoon with unabated enthusiasm after a six day rest, during which time Manager Hellick scoured the village for playing fields. Tomorrow's games will finish the first round of the tourney and the second round will begin Wednesday.

All of the remaining official games will be played on one of the following three fields: the local high school 'hollow', the New Beaver practice field, or the Army's playground back of the Mineral Industries building. The following abbreviations will be used for the fields—NB, HS, and MI. Eight games are scheduled for tomorrow afternoon.

Beta Sigma Rho vs. Delta Chi—MI
Sigma Pi vs. Tau Sigma Phi—NB
Phi Kappa Sig vs. Frear Hall—NB
Theta K. Phi vs. Varsity H.—H. S.
A. K. Pi vs. Kappa Sig—HS
Phi Ep vs. Sigma Tau Phi—MI
Phi Psi vs. Beaver House—NB
S. P. E. vs. Sigma Chi—NB

WRIGHTING BETWEEN THE LIONS

By FRED W. WRIGHT

What this campus needs is not a good five cent cigar, or as some of the more foolish gentry have it, not a good five cent nickel, but more men like the good professor H. R. Thayer. Of course, this refers only to sports; what the students in Engineering drawing think is entirely another matter.

Thayer is Penn State's loyalist of the loyal when it comes to athletic 'moral' support. He's the first man in the stands and the last to leave. He has never boasted about his loyalty, has never boasted about medals in this line, never received any campus-wide recognition, for, like the man who failed to appear at the church, he is conspicuous only through his absence.

A scant half-dozen years ago, when formal boxing and wrestling meets were the custom, he was one of the few who was thoughtful enough to cooperate. That was one of the few times in which he has really had a chance to be conspicuous in the crowd.

Saturday afternoon was no exception for Thayer. As usual, he was one of the fans. But he had a problem. A slight difficulty about seeing a track meet and a baseball game at the same time. Although the events were on opposite sides of the East stands of New Beaver field, the drawing proof engineered a neat coup. He found the lot of two points and proceeded to function as per usual. His position was the last row in the stands where he could watch both sports at the same time.

The good professor has other val-

uable functions in connection with things sporting. When any one comes late and wants to know what the score is, why, and how, Thayer tells him. He not only does his bit for Penn State through the medium of his own attendance, but he goes out of his way to make sure that his neighbors don't lose interest.

There aren't many visiting coaches who see eye to eye with the umpire at baseball games on New Beaver field, just as Coach Joe Beden doesn't see every decision through rose-tinted glasses. But there are two exceptions to that rule—Fritz Jerome of St. Vincent and Carl Twig of Western Maryland.

Early in the game last week Lion runner stole second. The second-baseman, Hurley, claimed he touched him out, but Umpire Duffy thought otherwise. There were loud laments, much gesticulating, hat throwing, etc., but Umpire Duffy still maintained the runner was safe.

A couple of minutes later the inning was over and Mr. Hurley was on the receiving end of a verbal line, Twig to Hurley. "No more beeping out of you," said, or rather shouted, Coach Twig. "Keep your mouth shut, or let somebody else take your place."

Note to Hen Bream, Gettysburg football coach: "Whitey" Rhoda won't be down next year. Oscar, the office cat, hasn't been able to find out whether Girton and Robbins will or won't. Function, Oscar, function.

TILDEN, VINES TO COMPETE IN ALTOONA TENNIS MATCH

"Big Bill" Tilden will play Ellsworth Vines; A. H. Chapin Jr. will meet Keith Gledhill in a tennis exhibition at the Altoona Golf and Tennis Club, Altoona, Wednesday afternoon at 4 o'clock. Reserved seats will be sold for \$1.65 and general admission will be \$1.10.

Tilden and Vines are on a coast to coast tour of exhibition matches to determine the World's Professional Tennis Championship with the Californian holding a slight lead in matches won thus far. Their appearance in Altoona will be the first and only one in this section of the State.

SOCIALISTS OFFER \$5 PRIZE FOR BEST CAMPAIGN POSTER

The local branch of the Socialist party is offering a prize of \$5 for the best two-color poster suitable for use in its current political campaign. The prize drawing will be distributed throughout the State with the winner's name in the usual position.

All other posters accepted by the jury will win honorable mention and a \$2 award. The contest is open to all past or present students of the College. Only one drawing will be accepted from each contestant and it must be between eight and eleven inches and fifteen by eighteen inches in size. The sketch must be suitable for line cut reproduction.

—they age good grapes to make rare wines

—and they do something like that to mellow good tobaccos

WHERE THE RARE WINES come from they know that the two most important things in wine-making are the selection of the grapes and the long years of ageing in the wine cellars.

IT'S VERY MUCH THE SAME in the making of a cigarette. You have to get the right tobaccos, then put them away to age and mellow in wooden casks.

You can't make a good cigarette like Chesterfield in a day. It takes over two years to age the tobaccos for your Chesterfields—but it adds something to the taste and makes them milder.

the cigarette that's Milder
the cigarette that TASTES BETTER

Everything that modern Science really knows about is used to make Chesterfield the cigarette that's milder, the cigarette that tastes better.
