ARMY CINDERMEN TURN BACK LIONS; VAN KEUREN WINS

Gray Runs Up 95 1-3 to 30 2-3 Tally as Cessna, Jackson Score in 2 Events

DUKE TOPS '37 TEAM IN TELEGRAPHIC ENCOUNTER

By JACK BARNES
With Van Keuren taking State's only first place, the Nittany trackmen were swept before an Army barrage which netted the boys in gray 95 1-3 points to State's 30 2-3.

Besides Van, who won the 220-yard low hurdles handily with a 7-yard lead, other State men to place were Jackson, Cessna, Harvey, Alexander, and Sigel. Army swept the shot-put, pole-vault, and quarter-mile events.

Cessna took close seconds in the 100 and 220-yard dashes, and Jackson did the same in the broad-jump and 120-yard high hurdles. It was up to Harvey, however, to furnish the thrill of the afternoon.

Sigel Spiked in Meet
Coming from behind in a late sprint in the half-mile run, Harvey, so it seemed, won by several inches. The judges couldn't see it, though, and awarded him a second place. In addition to this place George took a third place in the mile run.

Sigel, with a second in the discus, and Alexander, with a second in the two-mile run, completed the Lion scoring. Harry Sigel, dash man, was spiked during one of his events and may be out of competition for the Syracuse meet here Saturday. The strong freshman team lost their telegraphic meet to a stronger Duke University yearling team by a 92-to-52 score. They will seek a comeback Saturday when they meet the Cornell freshmen on New Beaver field.

College Alumni To Vote for Trustees

Ballots are now in the hands of 10,000 qualified Penn State alumni to enable them to vote for the three alumni trustees of the College who are annually elected by the Alumni Association to serve a term of three years. Elections close on June 9.

The four candidates include three who are at present members of the board: J. H. M. Andrews '98, of Philadelphia, assistant to the president of the Philadelphia Rapid Transit Co.; George H. Deike '03, of Pittsburgh, president of the Mine Safety Appliances Co., and John T. Harris '07, of Harrisburg, vice-president and general manager of the central area, Bell Telephone Co., of Pennsylvania. Mrs. Mary Thompson Dale '05, of State College, who graduated as the only girl in a class of 92 men in 1905 and has not missed a commencement or an alumni homecoming since that date, is the fourth candidate.

Down where they grow tobacco.. in most places Chesterfield is the largest-selling cigarette

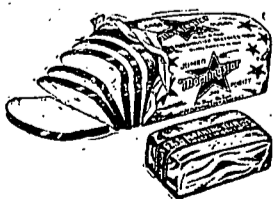

—what does that mean?

- it takes good things to make good things.
- the mild ripe tobaccos we buy for Chesterfield mean milder better taste.
- the way they are made means Chesterfields burn right and smoke cool.
- it means that down where

they grow tobacco folks know that mild ripe tobaccos are bought for Chesterfields.
And because Chesterfields are made of the right kinds of tobacco, it is a milder cigarette, a cigarette that tastes better.
There is no substitute for mild, ripe tobacco.
