Probably the most popular hike is the one to Shingletown Gap, only four miles south of town. It is here that the reservoir on which State College relies for a portion of its water sup-ply is located. Excellent views of State College lying in the Nittany valley can be obtained by climbing the sides of the gap.

Three miles beyond Shingletown is

Bald Top, a treeless, steep mountain 2,300 feet in height. From its peak, a view of many miles of mountains and country is afforded. It can also be reached from Boalsburg, which is

The most famous mountain is Mount Nittany, in whose shadow nestles the little town of Lemont, about three miles east of State College. From the summit of Nittany, Penn's Valley can be seen running between the Nittany and Seven Mountain ranges and extending into the Nittany Valley between the Bald Eagle range and the Seven Mountains.

Eight campus honor societies exist for the promotion of the Penn State spirit, for the maintenance of the Penn State honor code, and for the preservation of the Penn State traditions.

Lion's Paw, a senior society. Lion's Paw was founded in 1907, and has as its purpose the furtherance of the best interests of the College.

Membership is limited to fifteen outstanding seniors. The society is not necessarily conspicuous in its efforts toward advancing the ideals of the College, but seeks to accomplish results by directing and assisting all organizations which are concerned in

Blue Key, founded in 1923, is a so-ciety composed entirely of members of the junior class. Its membership is made up of assistant sports manag-ers, as well as men chosen from other junior activities.

In addition, the members of the society usher at athletic contests, and attempt to further the good name of the College in pursuits which will be of a helpful nature.

Sophomore societies include Druids, founded in 1907, and Friars, established in 1912. Their primary purpose is the maintenance of College customs, especially those pertaining to freshmen. They also endeavor to foster and promote good sportsmanship at athletic contests, and promote the general welfare of the College.

Archousai and Cwens are the two campus societies open to women students. The former group is composed of a limited number of prominent senior women, while membership in the latter is restricted to sophomores conspicuous in some activity.
