Trouble always seems to pile up on innocents who attempt to select Saturday's football scores on Fri-day morning. The thing is abso-lutely headed for failure from the start-for instance, there are thirteen games scheduled.

Most of the games tomorrow are set-ups. Cornell should have no trouble with St. Lawrence, Dartmouth with Norwich, Carnegie Tech with Geneva, Temple with V. P. I., Navy with William and Mary,

P. I., Navy with William and Mary, and Army with Washburn. Every one of these games will probably result in scores above the forty mark, with the possible exception of 'Pop' Warner's beef trust.

The Pitt-Washington and Jefferson game, however big the set-up label, may not be quite the pushover that is usually the Panthers' lot on opening day. Jock Sutherland will probably recall a couple of halfbacks that were farmed out to Kiski or Wyoming Seminary when Oscar entered high school and the result may approximate 33. and the result may approximate 33-0. Villanova vs. Ursinus. The Main
Liners have lost Whitey Randour
and Ursinus has been taking them
in big and fast and experienced these last three years. A wavering vote for Villanova, 20-0.

Brown vs. Boston University. The former will be on the field with a green team and the latter is in the midst of a shake-up of policy. Taking the hint from the Penn State-Lehigh game last year:

Brown, 14-0. Maine vs. Rhode Island. Her-bert Hofford is now connected with the Rhode Island faculty. A flock of votes for Maine, Hmm. I dun-no. Well, okey, 13-6.

Muhlenberg vs. West Chester.
Muhlenberg will be minus 'Red'

Chester. One vote for the Green Stone outfit. Signals off. They pay
