LESLIE ISSUES CALL FOR BASKETBALL CANDIDATES

Coach Spike Leslie has issued a call for varsity basketball aspirants. Practices will be held on Monday, Tuesday and Wednesday night at 7:30 o'clock, and will continue with this arrangement until the end of the football season. A call for second assistant managers will not be made until then.

In calling the candidates out earlier than usual this year, Coach Leslie hopes to have a better opportunity to watch individual performances, and thus "get a line on" men who show some promise, but need a little intensified coaching.

WRIGHTING BETWEEN THE LIONS

By FRED W. WRIGHT

Introducing Smythe, who hopes to last longer than Oscar: Southern California at Pittsburgh. Southern California will be 2,847 miles from home. They were beaten 19-0 last Saturday. On the other hand, they will be on the rebound, while the Pennsylvania Football Institute has yet to meet a really strong team. While there is a gentleman by the name of Jock Sutherland in Pittsburgh there will be Panther victories. One strong vote for P. F. I., 19-7.

Syracuse at Cornell. The Orange-Red feud is somewhat akin to the Penn State-Penn rivalry. Vic Hansen's team is the stronger in paper, but Cornell's gloomy Gil Dobbie is most pessimistic just before a victory. Refusing the hint, one wavering vote for Syracuse, 14-0.

Ohio State at Illinois. Every sport writer in the country says Ohio State and Smythe is willing to string along with the general sentiment. A flock of votes for the Buckeyes, 21-0.

F. and M. at Lafayette. With Herb McCracken at the helm, Lafayette can't look woefully weak all season. On the other hand, F. and M. has had two tough games on the past two Saturdays. Tossing a coin, Lafayette, 13-7.

Carnegie Tech at Michigan State. Assuming that the Spartans didn't suffer unduly against Michigan last week and that the Plaid will suffer some from the trip, one vote for Michigan State, 20-7, if it doesn't rain.

Iowa at Nebraska. Nebraska was beaten by one of the country's strongest, 20-0, but that won't stop them from winning from Iowa, 14-0.

Pennsylvania at Yale. The Rose Bowl champions could only beat the Bulldog by one touchdown last week. Meanwhile, Penn lost to Ursinus by one point. The odds favor Yale, but the game won't show it. The Gates plan isn't what it's cracked up to be, you know, as far as no pay, no play. Hoping that Penn will win so that Penn State will look good after they wallop the Quaker, but fearing they won't, one strong vote for Yale, 19-0. Gettysburg at Penn State. Get-

tsburg only defeated Juniata, 13-7, last week, but they've been pointing for this game for nearly a year. Smythe, however, down in his heart feels that the flashes of power shown last week on New Beaver field will be there again, with organization and smoothness added. Tossing a coin, Gettysburg, 7-6. Toss a coin hell, one vote for the Nittany Lion, 13-7, if it doesn't rain.

Good-bye, Smythe. It was nice to have known you. Record to date: .539. Credit Oscar with a deficit.

Thompson Loses Match

George Menard defeated Johnny Thompson, 6 and 5, in the all-College golf tournament, for the right to play J. Stevenson in one of the semi-final matches. "Chick" Beyer topped Tommy Marshall, 3 and 2, and will play Billy Hyndman in the other semi-final tilt. No matches were played in the second sixteen.

the Wellman Process
does this —

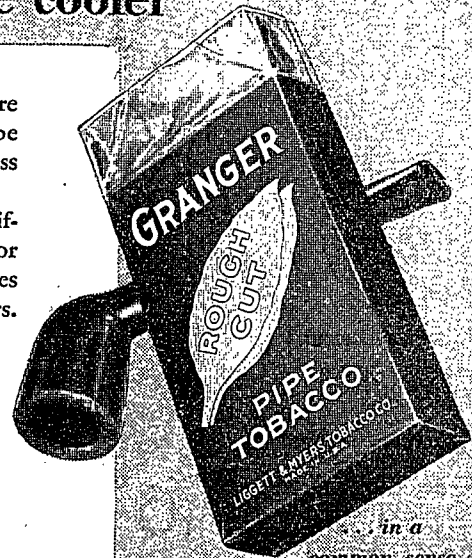

...it makes the tobacco act right in a pipe — burn slower and smoke cooler

In the manufacture of Granger Rough Cut Pipe Tobacco the Wellman Process is used.

The Wellman Process is different from any other process or method and we believe it gives more enjoyment to pipe smokers.

- ...it gives the tobacco an extra flavor and aroma
- ...it makes the tobacco act right in a pipe—burn slower and smoke cooler
- ...it makes the tobacco milder
- ...it leaves a clean dry ash—no soggy residue or beel in the pipe bowl
