# Alpha Chi Sigma To Battle Sigma Phi Epsilon in I. M. Gridiron Final

#### Tilt Slated for Tomorrow Night at 7:30 Under Arcs; S.P.E. Favored To Triumph

Managers Laurer, Jacobs Predict Close Battle; Both Grooming Their Teams in Pass Defense, Straight Power Plays

Defense, Straight Power Plays

By VANCE PACKARD

Ominous rumblings and dire threats are emanating from the S.P.E. and Alpha Chi Sig lodges as the two clubs enter the final stages of pugnacity in preparation for their onslaught on the Practice Field at 7:30 o'clock tomorrow night. The game will decide the winner of the intramural football crown.

When interviewed last night, the managers of the two clubs were very polite. Both pilots Laurer and Jacobs said that they expected a terrific battle, but hinted significantly that the best team would win.

After witnessing both outfits action in previous games, it would be rather nerve-racking to make any rash predictions, but if a definite stand had to be taken, it would be in favor of the gas-station crew.

This team has been positively impressive in every one of its games, and the way it bowled over the Phi Sigma Delta crew to the tune of 48-to-0 still lingers in our minds as nothing short of a spectacle. On the other hand, the chemists started our atther feebly, and didn't even attract our attention until the semi-finals with the S.A.E.'s. Then they trampled the rugged S.A.E. combination with gusto, and showed signs of even greater potential strength.

The S.P.E.'s have been perfecting their pass defense, and in the game hey intend to place all their hopes on straight power plays — no fancy stuff for them. Statistics on the previous Alpha Chi Sig games show that they also definitely shy away from aerial maneuvering, and that they also definitely shy away from aerial maneuvering, and that they also definitely shy away from aerial maneuvering, and that they have used three times more line plays than passes and deception plays.

straight league defeat on New Beaver field Saturday, by the decisive score of 7-to-1.

Bill McEwan was the scoring ace with three tallies, although his play was not as sparkling as it has been, possibly because of that knee trouble. Joe Bielicki drove two past the goalie, while Frankie Osterlund and George Corbett tallied a goal apiece. Miller, Navy's inside left, caged the only point for the Middies.

The first period, in fact, the whole game, was marked by State's passing attack, which kept the hall in Navy territory almost all the time. In the second quarter, Ray Bell and Jack Binns mixed their signals, with the result that Bell went much to far out from the goal, allowing Miller to score. Bell later redeemed himself in the tussle, especially in the second period when he fisted a high one on over the goal, and then fisted the subsequent corner kick away from the net to prevent an almost sure goal.

Penn State Will Rely on These Backfield Stars

Captain Merrill Morrison and Al Mikelonis, along with Harry Sigel, will be starting their last game in a Penn State backfield against the Bucknell Bisons on Saturday. The other man in the backfield will be Tommy Silvano. Reserves who played much of the game against Lafayette and will probably see action against the Orange and Blue are Lefty Knapp, Bill Cooper and Mike Kornick.

### WRIGHTING BETWEEN THE LIONS

At twenty minutes after four Saturday afternoon a landmark in Saturday afternoon a landmark in the gradual emergence of Penn State's football comeback was reached. With a record of four victories against three losses, the Lions this morning can boast of .571 percentage—and there is still a chance to boost the figure to .625 next Saturday afternoon against Bucknell.

Since the Nittiny Lions hit their modern low ebb in football in 1931 with a .167 average, the record has been constantly on the increase as far as victories are concerned. In 1932 the percentage went up to .286, last year to .500, and this year win, draw, or lose this Saturday, it can go no lower. The victories read 1, 2, 3, 4 for the past four seasons. four seasons.

\* \* \* For those who may be interested, the Lions scored 25 points in twenty-three plays Saturday afternoon, a fact that is little short of phenomenal when it is considered that in the previous 103 of the 139 plays of the game the Blue and White eleven drew a zip for their efforts.

We have a letter from predecessor J. M. S., who writes that Jack Livezey, captain of the 1931 baseball team and regular back with the grid eleven, is in his fourth year as football coach at Canton High School, slated to win the West Branch League championship. He will probably step up to bigger things before long, J. M. S. opines.

Also: Ed McAlinn, who scored more points than anyone else when he played guard on the Lion five a couple of years ago, if memory serves us correctly, is in his second Rocks High School and his team looks like a last place winner in the same league. Poor material is generally conceded to be the reason.

#### HAMAS, SCHMELING TO BOX IN MARCH

Fight Slated For "Somewhere In Germany" Will Decide Baer Challenger

By JOHN MILLER

Boxing fans are somewhat bewildered by the action of Steve Hamas, dered by the action of Steve Hamas, former Nittany Lion athlete, who signed a contract last Thursday to again face Max Schmeling "somewhere in Germany" early..in March. It's everything to lose and nothing to gain as far as a shot at Max Baer's chin is concerned.

If Steve wins the bout with the former German champion, his legitimate claim as the outstanding title tender for the heavyweight title would naturally be strengthened, but if he loses it would result in his having to start as a compact from the ing to stage a comeback from the pottom of the pile.

Because of Schmeling's unchallenged come-back victory over Walter Neusel, German fans are of the opinion that it will be Hamas and not Schmeling who will get "one of the worst beatings of his career," this time. The recent victory of the former Nittany Lion over Art Lasky at Madison Square Garden makes the oncoming fight all the more attractive to German and American fans.

Where the fight will be held in Germany cannot be determined until Walter Rothenbrug, the Hamburg promoter, is able to find a German city that is willing to assist in erecting a temporary hall which would be large enough to accomodate the 25,000 fans expected to witness the battle. None of the present halls in Germany could seat such a crowd.

the coming week.

According to the plan, the fifteen intramural units will be divided into two groups, the Blue and the White Iteams. The units in each group will play other teams in the same group, until each has had a chance to compete. The teams from each group which have won the largest number of games will play one another to determine the intramural championship.

Approximately fifty games will be played in the course of the intramural tournament, and the interclass games will be conducted separately. The point system will be revised to meet the needs of the new system.

#### LIONS RALLY LATE IN FRAY TO CRUSH LEOPARDS, 25-TO-6

Fry, Cooper, Morrison Tally in Final Quarter To Overcome Early Lafayette Lead; Squad Drills for Bisons

By DONN SANDERS

Finally finding itself in the last frame, the Nittany Lion eleven came from behind to trample the Maroon of Lafayette, 25-to-6, after trailing the Leopard for half the game on New Beaver field Saturday afternoon.

With that game in the bag, Coach Bob Higgins is now grooming his proteges for much tougher opposition—Bucknell. The varsity went through the regular drill sessions and will meet the freshman gridders in an open serimmage on New Beaver field at 4:30 o'clock this afternoon. The Bisons, formidable opposition any time, will be on the rebound after their loss to Western Maryland on Saturday.

The Lions played the sloppiest football of the season for about three quarters of Saturday's game, and then turned loose a furious running and passing attack to score twenty-five points on as many plays.

Lafayette scored early in the second period when Stabley, ace half for the Leopards, took one of Mikelonis' punts on his own 36-yard line and raced through the whole Penn State team behind good interference for a touchdown. Nesi's try for the extra point went wide.

The Leopards managed to hold this lead for the next two quarters, chiefly by the punting of Stabley. The Lion backs were unable to get away for any considerable gains and fumbled several times. They scored only five first downs from the time Lafayette scored until the end of the last quarter.

In the third period, the Lion for-
