## LACROSSE SQUAD WILL ALSO MISS VETERAN ATHLETE

### 5-Letter Man Expects To Get Position This Month

The Lion basketball team received another setback recently when it was announced that Jack Fletcher '35, one of the two veterans of the team, would receive his degree at the mid-semester graduation exercises and might not even be available for play after January 8.

Fletcher already has sufficient credits to earn his diploma in February and has definitely decided to end his intercollegiate career at that time. At the present time he is angling for a position that may require his presence on January 9, making it necessary for him to forego further schooling. In either event, he will be eligible for his bachelor's degree in February.

The loss of the State College boy will be keenly felt, not only by the basketball team, but also by the lacrosse team, on which he played as a regular last spring. One of the best all-around athletes that State College has given to the Nittany Lion institution in several years, Fletcher has already won five major letters, three in soccer, one in basketball and one in lacrosse.

He was captain of the Nittany soccer team this past season and one of Bill Jeffrey's regulars for the past three seasons. Last year he was selected as an all-American center halfback by Jeffrey, while this season he was second choice for the same position.

Fletcher was regarded as one of the kingpins on the Lion basketball team this season and his loss will be a severe one for the Lions to overcome. A regular last season, his presence on this year's varsity was counted upon to keep the Nittany forces in the running this year.

## Intramural Contests In-Boxing Begin Sat.

With 30 boxers already entered, the intramural boxing tournament will get under way Saturday afternoon at 2 o'clock. Today at 4 o'clock is the deadline for filing entries, according to Walter W. Shaw '36, tournament manager.

## Steve Hamas Says He Can Beat Mr. Baer, And Mr. Lasky in Doubleheader Program

### Former Lion Champ To Fight German

By JOHN MILLER  
"I'll take on Steve Hamas and Art Lasky the same night."—Baer.  
"I'll take on Max Baer and Lasky in a double-header."—Hamas.

And it would be hardly fair to Lasky's reputation as a boxer to say that he wouldn't agree to meet his obstacles to the heavy weight crown under the same conditions.  
But there are technicalities as might be supposed from the announcement issued by Charlie Harvey, Steve's manager, who said, "Hamas accepts that challenge with one stipulation—that he be given the first of two bouts. If he wins, then he'll meet Lasky on the same evening."

Baer's proposal, however, is to meet, Lasky first. The winner, then, either the old champion or a new one, would rest five minutes and take on Hamas. Maxie believes that the winner of the first encounter would be in perfect shape for the second. He hints that there is little likelihood that the first bout would go the full ten rounds for both of the men would be trying for a quick knockout.

Such a program would attract one of the largest fight crowds in history. With the heavyweight championship crown at stake twice in the same night, Baer estimates the gate receipts would reach a million dollars with his share of the spoils totaling between \$400,000 and \$500,000.  
Baer gave a four round exhibition of his ability at the expense of Johnny Miller, light heavyweight of Des Moines, Iowa, on December 7. It was his first appearance since he won the title from Primo Carnera last June by a "technical knockout," but he stopped toying with his opponent long enough to prove to his audience that his "lethal gas" right is still in working order. Last week he bowled over King Levinsky in a four round exhibition.

On the other side of the fence, Hamas' manager got tired of hearing Baer's boasts and challenged the champion to "put-up" by meeting Hamas in a four round bout or to "shut-up" his talking about what a soft touch Hamas would be in the proposed double header.

Jack Dempsey, the Red Grange of the ring, who has an interest in Baer, declared laconically that the proposal was "not so hot." He believes that Ancil Hoffman, Baer's manager would never consent to ruining a good title match by staging a little four-rounder.

"No," Dempsey says, "will Maxie meet Joe Louis, Detroit knockout sensation. The booters were undefeated, but were tied for Springfield.

Both freshman and varsity cross-country teams were defeated in dual meets but only finished seventh and eighth in the IC-4A run: The yearling track team won both of its meets with Cornell and Pittsburgh. Commendable records were made by the varsity basketball and baseball teams. The diamondmen, after a slow start, finished strong and defeated Syracuse, West Virginia and Pennsylvania.  
Four Lion athletes also won individual intercollegiate championships in 1934: Russ Criswell and Mike Zaloznick were crowned champions in the 115-pound and 125-pound classes respectively of the Eastern Intercollegiate Boxing Association, while Bob Elliott successfully defended his Eastern 118-pound wrestling championship and Howard Johnston, a State College boy, captured the 105-pound championship of the Eastern Intercollegiate Wrestling association.

## Sports Show 660 Average for Year

Varsity Teams Won 68, Lost 33 Tied 2 Contests—Freshmen Won 17 of 21 Games

Penn State's athletic teams showed considerable improvement during the calendar year of 1934, compiling a won and loss percentage of .660, including both varsity and freshman teams. The varsity team average was .622 as compared to .452 in 1933.  
Lion teams competed in 103 contests, winning 68, losing 33 and tying two. Varsity teams alone won 51, lost 29 and tied two. Yearling teams showed the most notable improvement, winning 17 of their 21 engagements for an average of .810.  
The best records were made by the varsity wrestling, soccer and golf teams. The wrestlers lost only to Lehigh and finished second to the Brown and White in the Intercollegiate. The golf team won six of its seven meets, losing to Cornell after having defeated the Ithacans earlier in the season.

## Bezdek Favors Change In Subsidization Policy

(Continued from page one)

"I question whether that position is entirely the right one to take," he said. "We're all competing for students. If I can sell Penn State to a prospective student, whether he is an athlete or not, I am going to do so. If this is the wrong procedure, then I'm sorry."  
He also labeled the first point of the code, which makes it unjustifiable for a student to receive any subsidy of monetary value, either directly or indirectly, primarily for athletic services, as a "negative statement," because "it doesn't include all."

He would have the scholarships given on the same basis as the Rhodes awards, just as he suggested in his proposed plan. If the athlete could fulfill the two other requirements—scholastic ability and character—he would be eligible for a scholarship.

## 2 Contenders Will Meet In Hamburg Mar. 10

sensation, because of a promise he made when he first started fighting. According to Max, he promised never to cross the color line."

But something almost as threatening to the double header is in store since the International Boxing Union declared that Baer must meet the Belgian, Pierre Charles, or risk loss of recognition by the union. May 6, 1935 was set as the date for Baer to accept a match with Charles.  
Storm clouds appear on Steve's side also as the time draws close for his meeting Max Schmeling again in Hamburg, Germany, on March 10. Harvey has cabled an agreement to an offer for twelve rounds at a guarantee of \$25,000.

"Baer has done nothing but monkey around," Harvey said. "We've accepted terms for the bout in Germany and if Baer finally decides to meet Steve, we'll be ready. In the meantime we'll take any other offers and make some money."

The signing of Hamas throws a monkey wrench in the plans of Madison Square Garden officials who had been figuring on a Hamas-Schmeling bout in Miami next February. "It's news to me," Jimmy Johnston, Garden matchmaker, said when informed of the German engagement.  
"We have Hamas under contract for his next fight and if he is serious in this Hamburg proposition, we'll have to get our lawyers to work, Johnston continued. "Our contract should be good around the world."  
In spite of the many "technicalities" now hiding the double-header for the championship of the world in the heavyweight division, if it is staged it will probably be in some out-door arena in the South, if in winter, or in the North, if in the summer.

## NCAA Adopt Aid on Subsidization Question

(Continued from page one)

"(3) It is unjustifiable to permit a boy to participate in intercollegiate contests who has ever received a loan, scholarship aid, remission of fees, or employment primarily because he is an athlete, through channels not open to non-athletes equally with athletes.  
"(4) It is unjustifiable for members of athletic or physical education staffs to recruit athletes by initiating correspondence or conversation, or by arranging for interviews with boys who are prospective athletes.  
"(5) It is unjustifiable to promise prospective athletes employment, loans, scholarships, or remission of fees except as they may be secured by other students through regular channels of the institution, and those channels should be outside the athletic or physical education departments.  
"(6) It is unjustifiable for alumni groups, clubs, fraternities, or other organizations to make promises of direct or indirect subsidies to prospective students primarily for their athletic ability.  
"(7) It is unjustifiable to endeavor to persuade a prospective athlete by offering him a scholarship or job, or by any other means, to transfer from a college where he has made application for admission and has been accepted.  
"(8) It is justifiable to permit athletes to work in any department of the university as long as they give full return in work and receive the same rate of pay as given to other students.  
"(9) It is justifiable for members of the athletic or physical staff in speeches, or in response to direct inquiries to point out what they believe the educational advantage of the institution which they represent."

## NITTANY QUINTET WINS THIRD TILT

### Down Wheaton College 53-36 As Kornick, Smith Star

By CHARLIE SCHWARTZ

A vastly improved Lion quintet opened the 1935 sports program Wednesday night by easily trouncing a slow-moving Wheaton College team, 53-to-36. Frank Smith, playing a stellar game at guard, showed Penn State fans how a team can look at top-notch form early in the season. Smith, Captain Johnny Stocker, and lanky Jim Hunter each tallied ten points. However, scoring honors for the evening went to Bob Glover, Wheaton center, who ran up three field goals and five fouls.  
The Lions have averaged forty-four points per game, winning their opener against Ithaca, 39-26, and dropping a spirited match to Rutgers last Saturday night, 52-50. Coach Leslie will travel with his proteges to Philadelphia this week-end to meet a strong Penn team.

The Red and Blue, Eastern Intercollegiate champs last year, won over Lafayette and Harvard so far this season, and dropped a game to St. Joseph's. They will probably line-up with Captain Bob Freeman at center, Franny Murray and Bill Tansseer at guards, and Shorty O'Donnell and Henry Koziol at forward positions. The man to watch in this aggregation is Freeman!

The Blue and White courtmen have only topped the Quakers five times in their twenty-three previous encounters. The last victory having been scored in 1923, when the Lions won 30-23. The game was cancelled last year, 43-24, but after Wednesday night's display of speed and power, the story may be different this year.

Coach Spike Leslie substituted freely in the Wheaton encounter, using practically the entire squad. Jimmy Smith was not in the line-up, having been sick in bed all week.  
For the first ten minutes of the second half the Nittanymen looked like a first-class ball club, averaging two points a minute. Mike Kornick, although only gaining four points, was an outstanding guard on the defense and was responsible for breaking up a number of the Illinois school's plays.

Jack Fletcher and Earl Riley accounted six tallies each, while Jack Heyison scored three fouls and Charlie Glennon and Van Linton rang up a basket apiece. On fouls the Lions looked bad, accounting for only five of ten. The visitors made nine of seventeen tries.
