8 Undefeated Matmen To Fight in Navy Meet

(Continued from page one)

they walk off the mat at the end, win or lose, they will walk off like champions. You can win over Navy men, but can never lick them."

In the opener, Sammy Wolfson, cagey, undefeated State junior, will meet either Navy's undefeated Tipton or competent Clay. Clay and Tipton will wrestle in the 118 and 126-pound classes, but their order is being withheld by the Navy coach until the meet begins. Seammey DiRito, who incidentally has staged a come-back and has been doing some stellar wrestling this week, will meet the one Wolfson doesn't meet.

Penn State's undefeated junior, Jack Light, will meet Navy's unbeaten Midshipman Cresap, in the 135-pound class. In the next fight, strong man Sully Waite, undefeated in his only two meets of the year, will match half-nelsons and hammer-locks with Navy's sailor, Merryman, also undefeated.

The finest wrestlers on both teams will meet at 155- and 165-pounds. In the first, Bill Cramer and Midshipman Sam Adams, both undefeated, should display some talented torso-twirling. Adams has won four of his five meets this year by quick falls! Navy's other undefeated man, sailor Mills in the 165-pound, will give Captain Red Johnston his biggest battle of the year.

Penn State's high-scorer of the season, Ray Yoder, who is incidentally undefeated, will meet Navy's Cole, who has been throwing his opponents with alarming consistency all year. After one week on the squad, Lou Kreizman changed his mind again and so will be among the missing tomorrow. Joe O'Dowd will meet Midshipman Schacht.

INTRAMURAL HIGHLIGHTS

By JOHN MILLER

SWIMMING
The Phi Gamma Delta swimming team will meet the Chi Phi squad Monday night to decide the winner of the intramural tournament. The match is scheduled for 6:30 o'clock. In the semi-finals, the Phi Gams topped the Kappa Sigs 32-24, while the Chi Phis overpowered Sigma Pi, 31-23.

The second round of the tournament was the most difficult for the Phi Gams as they won over the Chi Phis by a 29-27 score. D. U. forfeited to the Chi Phis. The worst

beating of the entire tournament was given to the Phi Sigma Delta group when the Betas literally drowned them 48-4.

WRESTLING

The finals will be run off with Stegmaler, Delta Upsilon, meeting Hishman, independent, in the 118-pound class and Romano, independent, meeting Weimer, Sigma Alpha Epsilon, in the 125-pound class. Carlson, Alpha Chi Sigma, and Zazzi, Alpha Phi Delta, will battle it out for the 135-pound class honors while Cramer, independent, and Horst, Delta Theta Sigma, will meet in the 145-pound match. Strandline, Pi Kappa Alpha, will meet Sunday for the 155-pound title. Johnson, Phi Delta Theta, and

Buczowski, Chi Upsilon, will vie for first place in the 165-pound class and Shaffer, Phi Delta Theta, will grapple Eshback, independent, for the 175-pound championship. The unlimited class contenders are Pohe, Chi Delta Theta, and Murphy, Chi Phi.

300 telephone wires in 1890

300 telephone wires in 1935

Above: From an old photo of lower Broadway at John St., New York about 1890. Right: Actual size of 150 pair cable.

Bell System engineers long ago began to work out a way to clear city streets of overhead wires. The first telephone cables were crude affairs—a few wires drawn through a pipe. Continuous research brought forth improved designs, better manufacturing methods, cables of smaller size yet far greater capacity. The cable with the greatest number of wires today—3636—is 2 1/2" in diameter.

More than 94% of the Bell System's wire mileage is now in storm resisting cable—one of many developments to improve service.

Why not drop in at home tonight — by telephone? For a lot of pleasure at bargain rates, call by number after 8:30 P. M.
