

Women in Sports

Florence E. Reese '36 and Dorothy E. Nicodemus '36 were elected assistant baseball managers at the W.A.A. board meeting Tuesday night.

Baseball practices for all classes have been scheduled for Monday, Wednesday, Thursday, and Friday afternoons as soon as the weather permits. Women who wish to get points for class teams must attend

at least two-thirds of the scheduled practices.

Elections for next year's basketball, rifle, and fencing managers will be held Tuesday night. All girls interested should sign up in McAllister hall this week.

Swimming tickets for the remainder of the semester will be sold to upperclassmen for \$1 each if enough girls are interested. Those wishing to buy one are requested to see Miss Haidt immediately.

"LETTER" MEN

"LETTER" men, as well as other leaders in undergraduate life, are individuals with lots of vitality. Their energy and their enthusiasm make them popular.

But many others fail to take proper care of their health. Their drive and pep is often slowed down by constipation due to insufficient "bulk."

Fortunately, this can be corrected. Kellogg's ALL-BRAN, a delicious cereal, supplies "bulk" as well as vitamin B and iron. This "bulk" is mild in action.

Two tablespoons daily, served with milk or cream, are usually sufficient to promote regular habits. Ask that it be served at your fraternity house, eating-club or campus restaurant.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating-club and fraternities are made by Kellogg in Battle Creek. They include Kellogg's Corn Flakes, PEP Bran Flakes, Rice Krispies, Wheat Krumbles, and Kellogg's WHOLE WHEAT Biscuit. Also Kaffee Hag Coffee—real coffee—97% caffeine free.

Sluggers To Open Season Saturday

State Baseball Team Will Meet Susquehanna; Bucknell Game Postponed.

By BILL McDOWELL Double-crossed by the weather man, who for the past few weeks had been their pal; the Penn State baseball team hopes to open its season against Susquehanna University here Saturday afternoon at 3 o'clock without further ado.

Coach Bill Ullery is expected to bring a veteran team for Saturday's contest. He will probably use Badger and Martinec for the box and plate jobs.

Wednesday afternoon, the field was still too damp for a rehearsal and the pitchers were forced to confine their efforts to a light workout at the edge of the woods on the north side of Rec hall. None of the pitchers has experience or endurance enough to go nine innings without strain and it is probable that Ernie Stokes, Lefty Knapp, or Wilmer Buchman—the southpaw trio—will all see a few innings of action, with perhaps Frank Smith to finish things up.

Last year's Susquehanna game went fourteen innings to a score of State-8, Susquehanna-7. The victory came after Keith Parks whiffed nineteen batters. Keith, by the way, was given his unconditional release Tuesday by Gerry Nugent, president of the Phillies.

Nugent said about the action: "We had an agreement with the lad that if he were unable to remain with us we would give him his unconditional release. And his going away does not mean that he does not have hurling ability. He showed plenty of skill in the South but not enough experience to warrant retaining him."

New Physical Education Courses Offered Here

Students interested in learning something about fishing, including casting, rod and reel handling, and fly-casting will have an opportunity to do so by signing up for a course which will be offered in the Physical Education 1 and 2 classes; and from 3 to 5 o'clock for those not in Physical Education classes.

The classes, which will be held outdoors if the weather permits, will be under the direction of George Harvey '35, track captain, and fishing expert. Harvey has been teaching large classes of local county fishermen in the art of casting for the past few weeks with great success.

'38 Men Get Numerals

Twelve members of the freshman basketball squad were awarded numerals yesterday. They are John C. Cosgrove jr., Donald J. Crossin, William A. Dinsmore, Randall C. Keller, John M. Koegler, James P. Mal-kames, Sol B. Miehoff, Herbert Peterson, Joe P. Proska, Jack Reichenbach, Joseph A. Snook, and Wendal W. Wear.

Kenneth H. Sanford drives approximately 480 miles to classes each week. The University of Missouri student commutes daily to his home at Mexico, Mo., a distance of 40 miles.

Takes Lead in Show

EDWARD BINNS '38

Thomas Lauds Players For 'Peace on Earth'

lege professor at an eastern university, played by Edward Binns '38, and his liberal principles, which eventually land him in a death cell. He is arrested at a munitions protest strike for reading the Declaration of Independence, and is framed for a murder by a member of the Board of Trustees of his college, a munitions manufacturer whom he tried to expose.

Cast Reduced to Fifty-four The last act, said by Broadway critics to be the most tense, emotional bit of drama produced in several years, is one of symbolic impressionism. Owens, the college professor, stands in his death cell and sees illusions of the forces of propaganda at work. The music for a torch song in this act, "I Want A Man With A Uniform On," was written by Robert A. Bassett, instructor in English composition and musical director for the Players. The song is sung by Sylvia Schindler '38.

There are more than seventy parts in "Peace On Earth," but Director Neusbaum has reduced the cast to fifty-four by doubling on minor roles. The cast is still the largest in Players' history, however. Those with leading roles are, Binns, Jules Vernik '36, Theresa Mravintz '37, Betty Lenzen '36, John Kreeger '35, and Richard Maize '38.

2 Students Attending I.F. Ball Had Measles

According to Dr. Joseph P. Ritenour, of the medical department, there were two students attending Inter-Fraternity Ball while afflicted with the measles.

Although the students felt ill on the night of the Ball, they did not know the nature of their sickness until next morning because the skin eruptions which accompany the disease were not yet apparent.

However, Dr. Ritenour stated that he expects several more cases of the measles, because it is extremely communicable, even in the incubation stage.

CATERERS:

For your Easter breakfast this Sunday we have quality cuts of ham and fresh country eggs. May we also suggest spring and yearling lambs for Sunday dinner

Lacrosse Team To Meet Lehigh

Lion Stickmen To Build Defense on Weber, Gerber; Squad Confident of Victory.

By HARRY HENDERSON Playing their first game under Nick Thiel, 1934 Syracuse All-American lacrosse player, the Penn State stickmen will meet the Lehigh lacrosse team on New Beaver field at 2 o'clock Saturday afternoon.

The game should be no more than a breather for the Lions. Throughout this last week they have shown up well in scrimmage, with a vicious attack centered in Tony Robeson, Eddie Rumbaugh, and George Koth. Koth will not be playing Saturday because he must attend an inspection trip out of town.

Koth's absence should hurt the Lions little since Lehigh does not boast of any great team. The Brown and White stickmen support themselves and, since the college does not furnish them with a coach, are organized into a self-coaching club.

Robeson has been going great guns in the practice sessions and the other night he just couldn't be stopped. The Lions defense will be built around 200-pound Captain Iggy Weber at first defense and Gerber at goal. The Lehigh team will have a tough time getting any place with the State stickmen, especially since in comparing scores it may be found that Princeton beat Lehigh 14-to-0 last week.

Two persons of 46 years and 13 students of 15 years are registered in the freshman class of the University of Utah this year.

Drexel Library School A one year course for college graduates. Confers the degree of B. S. in L. S. The Drexel Institute PHILADELPHIA

Spend Easter in smart Tudor City \$2.00 a day

Theatres, shops, and the goings-on about town are just a few blocks away when you stop at Hotel Tudor. And it's in Tudor City, New York's smart residential community. A new hotel—600 rooms—all with private bath.
