

### STUDENT UNION BULLETIN

#### TODAY

The second Priestley Lecture will be held in the Chemistry Amphitheatre at 7 o'clock.

Freshman candidates for the Collegian will meet in Room 418, Old Main, at 7:30 o'clock.

Intramural mushball entry fees of one dollar, and a list of players, must be turned in to Miss Keller at Recreation Hall before 4 o'clock tomorrow afternoon.

The Penn State Grange will meet in Room 405, Old Main, at 7 o'clock.

Student Council will meet in Room 417, Old Main, at 7:30 o'clock.

Freshman men with an average of 2.5 and over are eligible for Phi Eta Sigma, freshman honorary, and should register tonight or Thursday night in Room 14, S.L.A., between 7

and 8 o'clock. The Girl's Glee Club's formal dinner will be held in the Sandwich Shop at 6:15 o'clock.

#### TOMORROW

The third Priestley Lecture will be held in the Chemistry Amphitheatre at 7 o'clock.

Interfraternity Council will meet in Room 405, Old Main, at 7:30 o'clock.

Pi Delta Epsilon will meet in Room 412, Old Main, at 7:30 o'clock.

Pi Tau Sigma will meet in Room 318, Old Main, at 4 o'clock.

The Christian Science Society will meet in Room 410, Old Main, at 7:30 o'clock.

Alpha Phi Omega will meet in Room 407, Old Main, at 7:30 o'clock.

#### THURSDAY

The fourth Priestley Lecture will be held in the Chemistry Amphitheatre at 7:30 o'clock.

#### MISCELLANEOUS

Tomorrow noon will be the deadline for entrance in the Student Union chess and checker tournaments. Students interested should sign up at the Student Union Desk in Old Main immediately.

#### Case's Picture Show In New York Exhibit

Professor Andrew W. Case, of the fine arts department, had a picture entered in the 46th annual show of the New York Water Color Society which was held in the galleries of the American Fine Arts Society, New York City, from April 13 to 28. The judges for this exhibition, a prominent one each year in the New York art season, selected approximately 350 paintings from over a thousand entries.

### Studebaker, Tait Win Block, Bridle Cups

Ward W. Studebaker '36 and Elton B. Tait '37 won the silver loving cups awarded to the experienced and amateur livestock judges respectively in the Block and Bridle contest held here recently. In total scores on eight classes of livestock and eight sets of reasons, the professional or experienced judges placed as follows: Studebaker, Matthew M. Smith '36, Harvey M. Russell '36, Walter S. Gabler '36, Karl P. Catterall '36, Samuel F. Simmons '36, and John R. Hoffman '37. Smith placed first in judging sheep, Gabler first in swine judging, and Studebaker first in both beef cattle and horse judging. All received medals.

In the amateur division, judging eight classes of livestock and giving four sets of reasons, the contestants placed in the following order: Tait, Charles S. Werner '38, Robert K. Shearer '38, Philip W. Grabman '37, Gerald H. Fouse '38, Arthur W. Ambrosius, William M. Gredd, Morris S. Huntzinger, Joseph V. Carols, '37, and Carl Z. Stevens jr. '38, and Frank W. Jones '38 tied for tenth.

Fouse ranked first in sheep judging and Ambrosius first in placing beef cattle. Huntzinger and Fredd were tied for first in judging swine, while Carols, Tait, and Huntzinger tied for first in judging horses. Medals were presented to these winners.

Prof. William L. Henning, of the animal husbandry department, explained that the amateurs have had only one course in livestock judging while the professionals or experienced judges have had more than one course.

### Graduation Programs, Invitations Go On Sale

Programs, announcements and invitations for the June Commencement will go on sale at the Student Union desk at 4:00 o'clock today. They may be obtained any afternoon this week from 4:00-5:00 announced John F. West 35, chairman of the committee. Seniors are advised to order immediately in order that invitations may be sent out well in advance of graduation.

### Society Holds Meeting

The Forestry Society met Friday night to hear Commissioner Deibler of the State fish commission. At that time annuals were presented.

### College Bowling Team Collects National I. C. Diadem From U. of P.

Penn State's three-man bowling team defeated Penn to win the National Intercollegiate championship, in the final matches at Philadelphia, Saturday night. The tournament was held in conjunction with the Penn Relays.

In the three games of the finals, Jack VanNatta bowled 192, 175 and 173; Jim Hunter rolled 175, 182 and 213, and Tom Roantree hit 183, 185 and 281. The team was chosen as a result of the performances of the individuals in intra-mural competition.

A trophy, engraved with the names of the members of the winning team, will be presented to the school next week. Drexel Institute and Columbia tied for third place. Other schools participating were Temple, New York University and Chicago University.

### Cryder Reports New Heavy Water Method

(Continued from page one) most importance at the present time to America.

A group of five chemists and chemical engineers under the direction of Dr. Cryder have been working on the method ever since heavy water was first produced in the laboratory here. Their efforts resulted in the discovery of an efficient distillation process to replace the expensive electrical process. Others doing research work in "heavy water" here are Prof. Merrill R. Fenske, of the department of chemical engineering, Dorothy Quiggle, Carl O. Fongberg, and Dr. A. R. Lux, research assistants in petroleum engineering.

### To Address Candidates

Freshman business staff candidates for the Collegian will be addressed by Edward R. Hawkins of the department of economics and sociology, in room 418 tonight at 7:30 o'clock. His topic will be "Advertising Agencies."

### Dr. Hunter To Discuss New Hardening Method

The Priestley Lecture for tonight will deal with "Reactions in the Solid State." Dr. Hunter, speaker, will discuss fabrication, annealing, hardening, and newer analytical methods. Prof. Lambert Kinsloe, head of the electrical engineering department, will act as chairman for the meeting.

The Wednesday and Thursday night lectures will concern "Physical Properties of Alloy Systems." The speaker will discuss in these lectures the many varied physical and chemical aspects of various alloy systems. Dr. Grover C. Chandler, head of the department of chemistry, and Dean Robert L. Sackett, of the School of Engineering, will act as the respective chairmen of these meetings.

### CLASSIFIED

WANTED: TO BUY—One Penn State Master of Science hood. Please address P. O. Box 140, State Teachers' College, Lock Haven, Pa. 69-2tnp UW

WANTED—A ride to Philadelphia Friday, return Sunday. Call 203-M and ask for Smith. 74-1tpdCM

### WSGA Chooses New Co-Ed Scoring System

Innovating a change in the W. S. G. A. point system, the association voted for a new point system because the present one has been found objectionable due to the lack of rotation in women's offices.

At present the president of the W.S.G.A. is given sixty points. Next year the presidents of the three major organizations, W.S.G.A., W.A.A., and the P.S.C.A., will be granted fifty points.

The vice presidents of these organizations will all be given forty points. The president of the Panhellenic Society, now earning thirty-five points, and the Women's Editor of LaVie, at present given only twenty points will both be credited forty points.

The junior editor of COLLEGIAN and the staff head of play productions will both be given thirty-five points. Those to be given thirty points are the chairmen of May Day and intramural sports managers.

The secretaries of the W.S.G.A., W.A.A., and P.S.C.A. will all receive twenty-five points. The presidents of social fraternities will be given thirty points.

### High School Students Plan Tour of Campus

(Continued from page one)

will be kept intact in their visiting, but a separate tour has been planned for the girls to make their visit most profitable to them. Dean Charlotte E. Ray will have charge of their entertainment.

William S. Hoffman, registrar, and Hugh R. Riley jr., of the department of public information, will have charge of general entertainment plans. They will be assisted by Charles A. Myers, of the Student Union, and others.

### Alber To Speak Friday

Louis J. Alber, chief of the speaking activities of the Federal Housing Administration, will deliver a lecture in Room 107 of the Main Engineering building on Friday afternoon at 4 o'clock. He will speak of the financial and physical aspects of the administration's better housing program. The occasion is sponsored by Seabro, national architectural fraternity.

### Plan Summer Sessions

Summer sessions for 1935 will include the inter-session, of three weeks duration, from June 11 to 28; the main session of six weeks from July 1 to August 9; and the three weeks' post-session from August 12 to 30.

It would take 503 years for one person to complete all of the courses now being offered by Yale University.

### Letter Box

To the Editor:

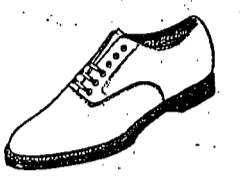

I write to call your attention to an error in the issue of April 16th, which I am sure you will be glad to correct. I quote:

"Announcement of the first minstrel show ever produced at Penn State, which will be presented Saturday, May 11th, was made by Professor Richard W. Grant."

When I came to the College in 1902, there was an organization of students who, for a number of years, had given an annual minstrel show, and who, for some years thereafter, continued to do so. That organization was known as the Pharonians, and numbered among its members, numerous distinguished alumni of the classes preceding 1906 or 1907, when, if my recollection is not too far at fault, it disbanded. About that time, 1907-8, to be exact, the Thespians began the production of musical comedies, and the Pharonians lapsed into innocuous desuetude. Some of the older alumni, who might read the article from which I quote, could, with reasonableness inquire, "How come?"; hence my note of correction. —John H. Frizzell

### Gardeners Plan Meet

Amateur flower gardeners will sponsor a program here, June 18, 19, and 20, according to an announcement by Dr. Earl I. Wilde, of the department of horticulture. College staff members and gardeners will speak on subjects ranging from the primary soil preparation to flower shows.
