

Baseball Nine To Play W. Maryland; Track Team Will Meet Pitt

Gettysburg Nine Defeats Nittany Lion Team 4-to-2

Smith Holds Opponents Scoreless for 7 Innings; Leads in Hitting Average

By DICK LEWIS

The Nittany nine meets the University of Western Maryland on the local field tomorrow afternoon at 3:30 o'clock. Wednesday afternoon, the Lions lost to Gettysburg College 4-to-2, after Tuesday's game with Susquehanna had been called because of rain.

For seven innings, Frankie Smith held the Gettysburg ballplayers scoreless, giving them only three hits. The Lions pulled in three runs in the fourth inning when Al Ochroch banged out a three-bagger to the East stands of the football field, which gave Joe Bielicki and Coney Robbins, who had been walked and were on base, plenty of time to score.

Gettysburg pitcher, "Doc" Bowers opened the eighth inning with a two-sacker; and Morris, shortstop, followed with a single. A three-bagger by Worley, lanky left fielder, cleared the sacks for Gettysburg's first two runs. Bollinger, next up, binged, and brought Worley home. In the second part of the inning, Miller and Bielicki fanned, and Kornick was tossed out at first.

The ninth threatened to become a repetition of the eighth inning, when Cico, Gettysburg first sacker, clouted a triple for his first hit of the game. Coach Bedenk replaced Smith by Rugh, who succeeded in retiring the Gettysburg men after a two-base hit by Bowers, which garnered the fourth point.

Frankie Smith outbit the rest of his teammates with a triple and a double, and Johnny Stocker followed with two singles, both making four of the seven hits of the game between them.

Both Joe Bielicki and Pero Miller gave some fine demonstrations of fielding. In the sixth, Worley, Gettysburg clean-up man, lifted the ball in the general direction of right field, and Bielicki managed to grab it after a long race. Pero did his stuff in the ninth by pulling down Jones' fly, which ordinarily might have been

INTRAMURAL HIGHLIGHTS

By TOWNE SWALM

This week the spring sports competition began in earnest. Mushball enthusiasts went into action on five different sand lots, and with forty-three teams entered in this most popular of spring sports, indications point to a plenty tough struggle for supremacy.

Putting

Last fall an unprecedented number of would be Bobby Jones' swamped the entrance list for the precision golf tourney. It seems that every brain trust discovered that some entrant garnered one point towards the Bzdek trophy for his organization, at the very nominal cost of only ten cents per man, with the result that whole houses were entered whether or not the brothers could tell a styptic from an infected eye.

Nothing loath the management, probably feeling like a successful chain letter fiend, gleefully collected the shower of dimes and, but for the advent of winter, the tourney would now be completed.

Taking over the task of running the show, Henry K. Beard '36, started the play all over again last Monday. Last fall's entrants list is being used and no additional entries have been accepted.

Soccer

With a total of eighteen teams entered, first round soccer competition began yesterday. Competing organizations include Phi Kappa, Beta Sigma Rho, Sigma Phi Alpha, Delta Upsilon, Alpha Tau Omega, Alpha Kappa Phi, Pi Kappa Alpha, Theta Kappa Phi, Sigma Nu, Delta Sigma Phi, Phi Delta, Sigma Phi Epsilon, Theta Chi, Phi Kappa Sigma, Phi Gamma Delta, Delta Theta Sigma, Alpha Chi Sigma, and Alpha Gamma Rho. The last named two fraternities drew byes to the second round.

Varsity, Freshmen To Meet Pittsburgh Here Tomorrow

Both Penn State Teams Weakened by Injuries; Little Chance for Victory Seen

By JOHN BRENNEMAN

Weakened by injuries and ineligibility, the varsity and freshmen track teams will meet Pitt here tomorrow with no hope for the former and slim chances for the latter to emerge with a victory.

The principal events in which the Lions had hoped to score points were the distance events, but it now appears unlikely that Captain George Harvey, who was counted on to win the mile and 2-mile events, will be running. Harvey has an infected nose, and while he wants to run, and probably could without any ill effects, Coach Werner feels by keeping him out of competition tomorrow he will be in condition for the Syracuse meet next week and the I. C. A. meet in June. Both of these are much more important since Werner has conceded victory to Pitt tomorrow.

With Harvey out, much will depend upon Book and Alexander. Both of them will run the mile against Musico and Tost of Pitt. At the Penn Relays Harvey easily was the superior of the former. In the 2-mile event Alexander, along with Detwiler and Hutchinson, will run. They will be opposed by Kirkpatrick and Wagonhouse, both good runners.

In the sprint events Arvil Fleming promises to be the Pitt ace. Last year in the meet he won the 100, 200, and low hurdles and promises to repeat this performance. Luttringer, Stewart, and Johns will oppose him in the sprints, Osterlund and Thompson in the hurdles. Lasky and Good will also be running these events for Pitt.

May Win in Discus

Stiteler and Downey will oppose Connelly, a crack quarter-miler, Kiger, and McDonald in the 440. Pitt will provide stiff opposition here, but the State runners may surprise with a win. In the half mile Werner will use the same two plus Book and Walker.

Sigel and Cromwell should do well in the discus as should Miller in the hammer. The first two are also in the shot put along with Brown. Stump and Frey are entered in the javelin against Taano and Gonloff, two of the best in the east.

In the pole vault, broad jump, and high jump the Pitt competition looks stiff, through Barnes may place in the last two. Some of the sprinters may also come through in the broad jump and Smith should do well in the high jump.

High Jumpers Are Stars
The outlook for the freshman is more promising. Redmond of State and Thomas of Pitt should be the individual stars. Last week against West Virginia the Pitt man won the 100, 200, and 440, all in fast times. Rothermell should give him some stiff competition, however.

Redmond will be up against another fine high jumper, Bennett, who has cleared 6 feet 4 inches. The contest between these two should be one of the high spots of the afternoon. Both are likely to do better than the varsity. The State man will also be counted on in the hurdles. Corman and Koon should take the discus and hammer.

Cub Nine Will Oppose Dickinson Sem. Here

By LES BENJAMIN

A good deal of batting improvement should be displayed by the freshman baseball squad when they meet Dickinson Seminary frosh on the New Beaver field at 12:30 o'clock tomorrow. With this added strength, together with the yearlings' usually professional fielding, the State freshmen should not have too much trouble winning their second home game.

Although the cubs were forced to do their practicing inside of Rec hall Monday and Tuesday because of rain, Coach Leo Houck made up for lost time by putting his nine through heavy work-outs, laying emphasis on batting weaknesses.

It is very probable that Benny Simonecchi will start the pitching against the Seminary with Johnnie Jageman completing the battery. Benny has mastered more pitching control than he has showed previously, and should not let Dickinson Seminary open for many hits.

"Dollie" Katz has been giving some real exhibitions of what a first baseman should be like. Marscia and Lappen, in the outfield, and Steckel, infielder, can still be counted on for dependable, accurate playing, while "Brooklyn" Klipstein keeps himself continuously warmed up for the catching job.

Nittany Team To Play Cornell Lacrosse Men

By KEN BEAVER

The lacrosse team will meet Cornell on the Big Red field at Ithaca tomorrow. Cornell, according to Coach Thiel, has a big, fast team that's plenty good. They've been beaten, however, by Princeton and Hobart.

The squad of eighteen men will leave here this morning at 8 o'clock. The line-up for the game will be the same as for the Penn game last Saturday, except that Rumbaugh will be moved to inside attack and Malley will be shifted to center field.

The defense has been pegged up in certain weak spots that showed up last Saturday and the attack has been speeded up for this fourth meet. Looking back, we learn that Princeton beat Pennsylvania, and so did we. Then, Princeton also beat Cornell.

Golfers To Meet Lafayette Here

4-Man Team Will Face Maroon Linksman in Fourth Match of Season.

By BOB GRUBB

With a record of one victory out of five starts, the Lafayette golf team comes here to face the Nittany linksman, tomorrow afternoon, in the Lions' fourth meet of the season.

Coach Bob Rutherford has selected only the number one and two positions of the four-man team which will face the Leopards; the other two positions are being hotly-contested for by six golfers and the foursome will be completed after the play-offs this afternoon.

Co-captains Tommy Marshall and Lloyd Beyer are the men selected to play in the first foursome with Charles Vrinack, Lafayette sophomore ace, and Will St. Clair, a Maroon veteran. George Menard, Don Masters, Rog Hetzel, Jim Hunter, Mason Walsh, and George Sperling are competing for third and fourth positions. In the second foursome, Lafayette will have Captain Wen Good and McRae, both seniors.

Playing on the famous Shawnee Country Club course at Delaware Water Gap, last year, the Lions defeated Lafayette 5-to-1. To date, the Leopards have played five matches, losing to Princeton, Swarthmore and Lehigh and tying William and Mary. Their slate shows a victory over Fordham.

National Boxing Meet To Follow I. C. Tourney

Following the tournament of the Eastern Intercollegiate Boxing association to be held here March 14 and 15, 1936, the National Collegiate Athletic association boxing tournament will be held at West Virginia University, Morgantown, W. Va., on Mar. 27 and 28.

Lions Will Meet Bucknell Netmen

Tennis Team Will Encounter Bison Squad of Unknown Strength Tomorrow.

By PHIL HEISLER

With two decisive victories under its belt, the Lion tennis team will clash raquets with a Bucknell team of unknown strength here tomorrow afternoon at 2 o'clock.

The Lions will enter the contest with a deservedly optimistic outlook, considering their showing thus far in the season. However, the netmen will be handicapped to some extent inasmuch as wet courts have prevented them from getting their usual amount of practice.

Line-up Not Definite

Coach "Dink" Stover expects to find little trouble with the Bisons. The line-up is still not definitely decided, but the veterans of the Pitt and Tech matches will probably see action again. Green, Block, Smith, and Campman may be counted upon to try out their aces against their Bucknell opponents in the singles matches.

The Nittany netmen defeated the Bisons last year with the score 8-to-1. However, most of the sets were extended into extra games and the matches into three-set battles.
