WILLIAM YEAGER is the winner in this week's Football Scoring Contest held by Fromm's. Tho' many of the entries guessed the correct scores to the games this past week, no one was able to guess the correct score to more than one game. William Yeager, the winner of an Arrow Shirt, guessed the correct score to the Villanova-Detroit game, and was lucky enough to guess the correct scores of 4 other teams, giving him enough points to lead all other entries.

Cub Gridders Face Bucknell At Lewisburg

Yearling Team Regulars Ineligible To Make Trip Tomorrow.

Scrubs Will Meet Bison Freshman Combination

By BOB GRUBB "I'll be a great game to watch—but not for me." This was the sentiment expressed by Freshman Coach Nels Walke as he prepared to send a yearling team, composed for the most part of men who have never seen service in previous games, against a highly-rated Bucknell freshman team tomorrow.

Walke's pessimistic attitude concerning the game at Lewisburg tomorrow is occasioned by a recent ruling of the Senate Committee on Athletics which prohibits members of the freshman squad from making more than two trips in a season. This means that the men who played in the Mercersburg and Senanton-Keystone Junior College games will be ineligible to make the Lewisburg trip.

Concession Granted The schedule of four games away and two at home has presented the difficulty—not the ruling, which is intended to give every member of the squad an opportunity to participate. Taking the unbalanced schedule into consideration, the Senate Committee has granted a concession—extending the number of trips which the men may make from two to three.

This concession gives the yearling mentor the choice between sending his first team to Bucknell or Navy. Walke chose the latter, as it is regarded as the toughest game on the entire schedule.

From some twenty "scrubs" then, Coach Walke will have to select a team. He has spent the past week concentrating on these men in preparation for the game with the young Bisons. Hardly one of the men eligible to make the trip has even substituted in any of the previous games because the Lion Cubs have been so hard pushed in these contests that substitutions could not be resorted to.

With this material, the majority of who have never played high school football, and who have been receiving little attention here so far because of the freshman team's formidable schedule which has permitted no let-down in training of the regulars, Coach Walke will meet the Young Bisons in the featured home sports

NIITTANY BOOTERS MEET SPRINGFIELD TEAM TOMORROW

Undeclared, Untied, Unscored Upon Record of Penn State Soccer Team at Stake In Tough Game Tomorrow.

By TOWNSEND SWALM Not to be outdone by R. O. T. C. units with their corps of beautiful sponsors, the Penn State soccer team, as a special tribute to Houseparty weekend, will have their own beautiful blond backer in the person of diminutive Willie Willis, attractive senior co-ed, who will start the ball rolling by kicking off when the local booters meet Springfield on Beaver field tomorrow at 1 o'clock.

This procedure is not without precedent, as Miss Willis performed the same service last year when she started the exhibition game on Decoration Day with a beautifully placed boot that put nine-tenths of the regulars to shame.

Springfield Has Good Record With six games under their belts, the Springfield aggregation brings a good record to State, and will present the toughest opposition the undefeated Nittanymen meet this season. After stopping the East Stroudsburg Teachers, 2-to-1, in their first start, the Springfield boys were forced to the limit in a 2-to-2 tie with Dartmouth.

After suffering a 2-to-0 defeat at the hands of a local all-star team, which game is of no consequence in intercollegiate circles, the New Englanders topped Syracuse, 6-to-0, and last Saturday were defeated by a pack of bulldogs from Yale by a lone goal. Wednesday the group played Army, losing by a 1-to-0 score. Although comparative scores are notoriously indicative of nothing at all, State defeated Army 6-to-0 recently.

"Jeffrey's Teams Always Good" Last Saturday the Lions defeated Syracuse here, 4-to-0. The week before Springfield defeated the same group, 6-to-0. After the game last Saturday we approached Arthur J. Horrocks, coach of the Syracuse eleven, and asked him for a comparison of the two teams—State and Springfield.

"There is no comparison," the Syracuse mentor stated. "Penn State is attraction at Bucknell. Bisons Lost to Temple The Cub mentor has selected to start Edroney and Costello at ends, Worley and Detwiler at tackles, Babiarz and Olinginski at guards and Max Corbin at center. In the backfield, Wuenschel will call signals, while Lineweaver and Clapp will be at the halfback posts and Clapp at halfback.

The Young Bisons will be making their first home appearance, playing the second game of the season. Three weeks ago they lost to the Temple freshman team, 7 to 0, at Philadelphia. Coach Mose Quinn, remembering the Bucknellians' disastrous meeting with the State yearlings last year, is expecting much from the Lion Cubs, according to reports from Lewisburg.

Quinn will use a backfield combination comprising power, speed and deception and featuring an aerial attack. Lane will start at quarterback. On the line, Rhodes and McDonough will start at ends, Crow and Mazanek at tackles, Klein and McFate at guards and Ottowski at center.

INTRAMURAL HIGHLIGHTS

By DICK LEWIS Finals in this football competition come up Saturday, and may be played off before the thousands of houseparty queens on New Beaver Field immediately before the Villanova game if authorities permit. The site of many a titanic struggle, New Beaver Field will provide a colorful background for the game. And those who come early, can be entertained until the main attraction of the afternoon starts, instead of peering around to see what Joe Plotz '39 brought up from Punxsutawney, or risking their necks peering down the somewhat indefinite railing of the East stands to see what the Soccer team's doing.

Sigma Tau Phi rode to a 12-to-0 victory over a tough, but outplayed, Sigma Chi aggregation Tuesday. Al Ochroch, led the Sigma Tau Phi passing attack. McMullen and Llewellyn shone brightest in the Sigma Chi constellation.

Beta Sigma Rho won 10-0 over an outkicked Sigma Phi Epsilon eleven Tuesday night under the glare. "Bones" Cohen, Beta Sig ace booter, matched varsity caliber kicking with Bob Devalt of S. P. E. Honors were fairly even between the two, until Cohen, standing on his own goal line, quick-kicked 90 yards over the heads of his amazed opponents. The kick which will go down as one of the longest in the annals of Intramural football traveled fully 70 yards in the air. Most amazed of anyone in that startling game was amazing kicker Cohen.

Sigma Alpha Epsilon took Pi Kappa Alpha by 5 first downs. Kicking here was brief on yardage, and passing became a matter of getting rid of the ball. In one quarter, each team intercepted six passes of the opposition. Failing in the air, both teams confined their efforts to bone-bending line play. In our opinion, S. A. E. got more first down by virtue of their superiority in number of enormous guys.

Bill Smith who has been the power behind this smooth-running football tournament as manager, has shattered all managerial precedent by seeing every game so far. He and those who have been reffing these games are picking an all-Intramural football team on the basis of individual excellence.

Rifle Team Practices For 70 Meet Schedule The first practice meeting of the rifle team was held in the Armory on Tuesday night, with a large number of varsity candidates trying out. Over seventy matches are scheduled for the season, according to varsity manager Thomas J. Wright '37. More men can be used. Those interested who were not at Tuesday's meeting, should report at the Armory at 7 o'clock tonight.

Armistice Plans Made

The regular Armistice Day exercises conducted by the military department each year, consisting of the firing of a salute and a silent period following, will be made to dovetail with the peace movement program on this campus, according to the military department.
