Sun-curing Turkish leaf tobacco. The tobacco is strung leaf by leaf and hung on long racks like you see below.

The aromatic Turkish tobaccos used in Chesterfield give them a more pleasing aroma and taste...

Every year we import thousands of pounds from Turkey and Greece

THE IMPORT DUTY alone is 35 cents a pound—but Turkish tobacco is necessary to a good cigarette.

The right amount of Turkish tobacco, blended with our mild, ripe home-grown tobaccos helps to give Chesterfields more aroma, helps to give them a more pleasing taste.
