

### Trackmen Leave For I.C. 4 A Today

Picked Squad of 8 To Compete Against Athletes From 30 Eastern Colleges.

By JOHN BRENNEMAN  
A picked squad of eight varsity trackmen will leave this afternoon for New York City where they will compete in the fifteenth annual indoor track and field championships of the Intercollegiate A. A. A. to be held tomorrow night at the Madison Square Garden, along with athletes from about thirty eastern colleges.

Coach Charles "Chick" Werner is counting most heavily upon his 2-mile relay team, composed of Duvernoy Book, Howard Downey, Bill Stiteler, and Frank Baird. The latter is a veteran trackman here, although this season will be the first that the present college generation has seen him. Baird performed here under Nate Cartmell, dropped out of school for several years, and came back this fall.

Pete Olexy is another performer who should do well. He will compete in the 3,000 meters run and last Saturday was clocked in 9 minutes and 7 seconds on the small wooden track here. This time is only 7 seconds slower than the time of the winner for this event last year.

Adrian Markowitz will run in the 600 meters, a new event on the program this year. Captain Bill Miller will compete in the 35-pound weight throw, and Jim Redmond, captain of last year's freshman team, will run the hurdles and high jump.

### To Face Cobb

O'DOWD, PENN STATE HEAVYWEIGHT

### Fencing Season Ends Tomorrow As State Meets Rutgers Team

Although it will be the last meet of the regular season, tomorrow's fencing match here with Rutgers will afford local followers of the sport their first opportunity to see the State team in action. The match will be held in Recreation hall at 2 o'clock.

Coach "Nels" Walke is counting most heavily on Ed Bowen, who won two foil matches at Syracuse and who scored two of State's three points against Cornell. Walt Storrs, who also won two matches against Syracuse, and Spence Potler will be the other foilsmen. Captain Allen and Dick Lewis will again see service in the sabre matches, while Bill Gookin and Carl Brodhun will probably be used in the epee event.

Charlie Lipezky, former fencing captain here, will act as director of the meet. Although the team dropped its two contests last week with Cornell and Syracuse, a week's added practice, in which they have been able to iron out a number of their weaknesses, should help them to enter the victory column tomorrow.

### Women in Sports

By REGINA RYAN  
Delta Gamma, playing per usual, defeated Kappa Kappa Gamma by a 15-to-12 score in their intramural basketball game at Rec Hall Monday night. Theta Phi Alpha took the starch out of Mac Hall's sails to the tune of 17-to-14—the latter did fairly well in their game with Women's Building last week—but—  
Theta Phi Alpha didn't carry on for long. When they met Kappa Alpha Theta they were beaten pretty badly. (Sorry Miss Haidt wouldn't allow me to print the score). Gamma Phi Beta took a 26-to-8 beating from

### Wrestling Team To Meet Cornell Tomorrow Night

Intercollegiates Hold Spot Light; Ithacans Appear Weak.

By TOWNSEND SWALM  
Penn State's wrestling team will close its dual meet season, meeting a statistically mediocre Cornell contingent, in Recreation hall tomorrow night at 6:45 o'clock. With his best men entered in each weight, Coach Speidel is not worried about tomorrow's encounter and is concentrating all his efforts on preparation for the Eastern Intercollegiates next weekend at Princeton.

The most interesting bout of the night will begin promptly at 6:45, when Sammy Wolfson meets the only grappler who has ever defeated him. Gregory Shallenberger, Ithaca 118-pounder, scored a surprise fall in two minutes over the Lion lead-off man in the semi-finals of the intercollegiates last year. In the dual meet with Cornell last year Wolfson piled up an 8:05 time advantage over Shallenberger.

In the 126-lb. class Ray Brooks will meet Charlie Moshier, a sophomore with two years of prep school wrestling behind him. Jack Light will meet the same man he defeated with a time advantage of five minutes last year; John Flores, who is a senior. Dick Waite will have a chance to throw his opponent, George Morgan, for the third time in two meets; last year the referee reversed his first decision and Sully was forced to throw the man again later in the match.

Jack Calvin will be in fast company when he tangles with George Brownell, Cornell captain and intercollegiate hope. Brownell is listed as the most promising wrestler on the team, according to news releases from the Ithaca school. In the 165-lb. division Joe Krupa will meet a lad from Argentine, Harry Smith, a sophomore.

Ross Shaffer will not endanger his undefeated record when he meets Ken Cornell, who is substituting in the place of Wally Spelman and Bill Ostryanski, veterans who are injured. Cornell's heavyweight representative, Jack Cobb, who will meet Joe O'Dowd, also owes his berth to injury, in this case to Asa George, who was injured in the Lehigh meet. Cornell has won four and lost two, to Lehigh and Army, so far this season.

Tomorrow's encounter will be the twenty-third dual Penn State-Cornell meet. State has chalked up twelve wins and Cornell nine during the course of the series, and has the unique honor of being the only team to win more often than the Ithacans in dual meets throughout the years.

In the intercollegiate Penn State is the only team, aside from Lehigh, which has threatened Cornell supremacy in total victories, having won six times.

Chi Omega when they met at Rec Hall Monday night.  
Alpha Omicron Pi defeated Delta Gamma 27-to-20 at the Armory on Wednesday night in a hard fought game.

Forfeit, forfeit, forfeit—just like a congregation of women. Why did Grange Dorm forfeit last week to the Kappas and repeat the performance again this week when they were scheduled to play Alpha Omicron Pi? History is supposed to repeat, but there is still some time in which to make history.

Grange, this is really disappointing. After forfeiting two basketball games, you had to breathe a weary sigh and give your volleyball game to Kappa Alpha Theta. After Grange's bad lead three other teams followed suit: Astrid to Alpha Chi Omega; Gamma Phi Beta to Delta Gamma; and Phi Mu to Theta Phi Alpha.

### INTRAMURAL HIGHLIGHTS

By PHIL HEISLER  
Plans are being completed for the intramural volleyball and handball tournaments. All fraternities or non-fraternity groups that wish to enter the tournament must register at Miss Keller's office in Recreation hall no later than noon tomorrow.  
The dates for the beginning of the matches will be announced in this column at a later date.  
Bracket games in the intramural basketball tournament are still being played off. According to present plans the league games should be completed next week and the schedule for the tournament will be announced.

### Panther Threat

PETE NOON - PITT CENTER

### Lions Will Meet Pitt, Tech Fives

Basketball Team Has Chance To Upset League Race As Season Ends.

By DICK LEWIS  
Leaving State College this afternoon for Pittsburgh, the Nittany Lion basketball team makes its final bow for the season on Pitt and Tech basketball floors, meeting Tech tonight and Pitt tomorrow night.

And thereby hangs a tale of no little importance in intercollegiate conference circles. For although the Lion basketball team remains safely entrenched on the bottom of the conference pile, they might prove a deciding factor in shaping the destinies of their opponents.

The two Pittsburgh teams are running neck and neck for the conference title, with the Panthers in the lead. Pitt heads the conference standings with five victories and two defeats, Tech noses in behind with six games won and three lost. Should the Lions succeed in downing Tech tomorrow night, the Tartans would drop automatically out of the race, with six victories and four defeats in the conference series.

And should the Nittany courtmen defeat the Panthers tomorrow night, Pitt could only hope for the victories over Georgetown and West Virginia to cop the cup.

On the other hand, should the Lions lose to Tech and defeat Pitt, the Panthers could only hope for a tie by winning their last two conference games.

Although the Lions put up a great show of power Saturday night by defeating Rutgers in an extra period, they are conceded little chance to upset the conference applicant.

Outjumped in every conference game this year, the Lions derived little aggressive power from center and continually lost the ball on the tip-off. The Nittanymen played against the most powerful aggregation of basketball talent combined in any eastern league. They were out-matched in height in almost every position.

Captain Bar Riley, Jimmy Smith, and Bob Small step into intercollegiate basketball floors for the last time tomorrow night on the Pitt Stadium floor. Next year's team can fill these places only with difficulty.

This season's schedule has succeeded in bringing the most brilliant court teams in the East to the local floor. And spectators saw the Lions drop one conference game after another to eminently superior teams. But in non-conference competition the Blue and White lost only one game—to Navy.

Coach Spike Leslie does not expect victory tonight or tomorrow night. If the team goes right, he said, they will put up a great show. But on the Pittsburgh floor anything so sensational as a victory can hardly be expected.

### 2 Boxing Teams To Meet Army

Varsity, Freshmen To Complete Eastern Schedule Against Strong Army Squads.

By BOB GRUBB  
Two Lion boxing teams will leave for West Point today where they will meet the U. S. Military Academy's varsity and plebe teams tomorrow afternoon. It will be the last dual meet in eastern boxing circles for Coach Houck's mitmen and the Lion Cubs will wind up their season also.

After a decisive victory over Cornell last week, the Lion varsity will be facing a real test in the undefeated Army ring team. Satisfied with the success of his mitmen in last week's engagement, Coach Houck will probably use the same lineup against the Academy boxers tomorrow.

Captain Russ Criswell is matched with Beard, who defeated him in last year's dual meet, in the bantamweight battle, while Bob Donato will fight Cadet Barsdale in the 125-pound division.

Goodman To Meet Meany  
Frankie Goodman will find an erstwhile opponent in Cadet Meany in the 135-pound fight. Last year Mike Zeleznock scored a T. K. O. over Meany and, although the Army man is reputed to be one of the best, Frankie should have no trouble with him if he continues the same tactics that have marked his other battles this season.

Should Sammy Donato again fight in the 145-pound class as he did last week, he will be matched with Cadet Harrison. Harrison has an impressive record, one of his victims being University of Maryland's Nedomatsky, who was undefeated for two years. Nedomatsky will be remembered among State fans as the boxer who won a technical knockout over Larry Madison in the second round of their fight here last year.

In the 155-pound class, Lou Ritzie will meet Army's York, while Johnny Sawchak, the Lions' tentative 165-

### Cornell Meets State Swimmers Tomorrow

Handicapped by illness, the Penn State swimming team will meet Cornell at the Glenland pool tomorrow afternoon at 2 o'clock. This will be the last home contest of the merman's first intercollegiate season.

Mainstays of the team, who will be seen in their regular positions, include Captain Dick Geiger and Jimmy Cumming in the back-stroke; Gil Burleigh and Gene Lesko in the breast-stroke; Ray Parks and Clyde Bayless in the fancy dive; and Bob Dewalt and Jimmy Cumming in the 220 yard free-style.

Competitors in the sprint events and the important relay will be chosen from Bill Helriegel, Johnny Walker, Bill Walker, Jerry Weinstein, Bob Dewalt, Bill Balderston, Jim Cumming and Bobby Brown.

selection, will meet Cadet Langer, who has an impressive string of knock-outs to his credit.  
In the light heavyweight and heavyweight classes Army is comparatively weak. "Whitey" Rhoda will probably face Cadet Sternberg in the 175-pound battle, while Izzy Richter's opponent in the unlimited class will be Cadet Isbell.

Coach Mike Zeleznock will send virtually the same freshman lineup against the Army plebes as defeated Lock Haven in their opening meet here two weeks ago.  
The lineup includes: Tappan, 115; Sopchak, 125; Nebel, 135; Soosa, 145; Schweitzer, 155; Andrukitis, 165; Patrich, 175, and Kociubinsky, heavyweight.

**Nothing is ever perfect**  
FOR 1936 we offer what we think is the finest car in Ford history. But no car is ever considered perfect and finished as far as Ford engineers are concerned. Once a year we introduce new models—since that is the custom—but constantly we make improvements in our car, for that is our lifelong habit. We don't wait for Show time to make a better car.  
Proof of this is the present Ford V-8. In basic design it is almost the same as when introduced four years ago. But in performance and economy there is no comparison between the 1932 and 1936 cars.  
Ford engineers do not work with yearly models in mind. The Ford Motor Company does not wait for introductory dates to incorporate improvements. As soon as exhaustive tests prove that a new material is better, into production it goes. When new machining processes or new inspection methods are proved superior, in they go also.  
The purchasers get the advantage of all improvements as soon as we are certain that they are improvements.
