FORMAL CONGRATULATIONS

The COLLEGIAN wishes formally to join the thousands of students and friends of Penn State in congratulating the members and coaches of the boxing and wrestling teams on winning the intercollegiate team titles in their respective branches of sportdom, Penn State today has, as a result of their untiring and courageous efforts, more to be proud of, athletically speaking than in the days when Penn State got publicity in the Philadelphia papers.

All students and faculty members should attend the mass meeting which is scheduled to be held in Recreation hall tonight and tender to these men the ovation justly due them.

It should not be forgotten that these men who so brilliantly represented the Nittany Lion his past week-end were able to do so largely because of the fine coaching abilities of Leo H. Houck, in boxing, and Charles Speidel, in wrestling.

We do not mean to detract from any of the glory due to the contestants by that statement but rather to call to the attention of the public that it was because of these men's faith in their coaches and their faith in the men and their never-ending and grueling search to perfect themselves that Penn State now holds the intercollegiate team championships in both wrestling and boxing.

And to boxing manager, John L. Howarth '36, the COLLEGIAN also extends its congratulations. He conducted the tournament here in the most satisfactory and efficient method yet seen here.

OPTIONAL R. O. T. C. POSSIBLE

R. O. T. C. will be made optional at Penn State if a bill that has been proposed in the national Congress to amend the act on "military justice" is passed.

The bill has been introduced concurrently in both Houses by Senator Nye and Congressman Kvale and the provisions of the amendment are by no means vague. In substance it is an amendment to Section 40 of the National Defence Act so as to insert a proviso that no R. O. T. C. unit shall be established or maintained at any college until "such institutions shall have satisfied the Secretary of War that enrollment in such unit (except in the case of essentially military schools) is elective and not compulsory."

The sponsors of the bill pointed out that there is nothing in the proposed amendment that conflicts with the military training obligations contained in the Morrill Land Grant Act, under which Penn State is classified.

Despite the fact that the College has never been really compelled by Federal laws to make R. O. T. C. compulsory and that there has been several committee reports in past years advising that R. O. T. C. be made elective here, that goal has never been reached. The Nye-Kvale bill, if passed, will reach that end. It will prohibit the administrative bodies of any college to make R. O. T. C. compulsory.

Many leading educators, including President Marsh, of Boston University, President Glenn Frank of the University of Wisconsin, and Dr. C. C. Little, of the Universities of Maine and Michigan, have given their support to the student peace groups and other student organizations that are now urging their Senators and Congressmen to pass the bill.

In several of the investigations on compulsory military drill held throughout the country many -military men actually engaged in the administration of R. O. T. C. work have testified that elective training is preferable to compulsory because of its beneficial effect upon the morale.

The Nye-Kvale bill will not abolish R. O. T. C., but will make it optional on all the campuses of civil schools.

The Nye-Kvale bill is on the calendar of both Houses, but as yet has not been called out of committee.

The Nye-Kvale bill will be passed if the students cooperate in urging their representatives to vote for the

OLD MANIA

Gate Crasher:

Eddie Binns went up to Rec Hall Saturday afternoon, told the guys on the gate that he was an usher, walked in. Not wanting to put on a tux for the finals and pull the same gag, he went to his scrapbook, where he had filed two tickets he picked up after last year's finals. He took Chuck Bochert along with him and they didn't have any trouble getting in on the year-old ducats. Friday night Eddie paid for his ticket-the sissy! What with the money he won by making dime bets, he came out of the Intercollegiates about two bucks richer than he went in.

Frank Merriwell Note:

After Lehigh had beaten the Lion wrestlers in last year's Intercollegiates, they stole the State banner from over the bench. They kept it until this year's dual meet, when they presented it to the Lion team with some formality. The Lehigh banner is

WHEN IS A MAN WELL DRESSED?

USUALLY WHEN YOU ARE LEAST CON-SCIOUS OF HIS CLOTHES, HE IMPRESSES YOU AS CLEAN-CUT AND WELL GROOM-ED. BUT YOUR PLEASANT IMPRESSION IS OF THE MAN, NOT OF HIS CLOTHES.

WEARERS OF STARK BROS. & HARPER CUSTOM TAILORED CLOTHES ARE WELL DRESSED IN THE TRUE SENSE OF THE WORD BECAUSE STARK BROS. & HAR-PER FITS CLOTHES TO THE MAN-NOT MERELY TO THE FIGURE. AND THIS IS UNDOUBTEDLY THE REASON THAT STARK BROS. & HARPER HAS MANY PLEASED CUSTOMERS WHO NEVER BE-FORE WERE SATISFIED WITH CLOTHES AT SUCH MODERATE PRICES.

In a survey by a Collegian reporter, it was found that the Sandwich Shop led in the volume of business. Because all the visiting teams had their meals served there, regular patrons were forced to wait for tables and service. The entire back part of the Shop was pressed into use, It was some tap work by Astaire to make it more interesting.
