Examination Schedule—Second Semester 1935-36

Classes for the second semester will end at 5 o'clock, Friday afternoon, May 29, 1936, and examinations will end at 4 o'clock, Friday afternoon, June 5, 1936. Examinations in courses in which seniors only are enrolled will begin at 8 o'clock Wednesday morning, May 27, and in other courses at 8 o'clock, Monday morning, June 1. Grades for graduating seniors are due at the Registrar's office at Thursday noon, June 4. Special examinations will be arranged by the instructors concerned for those seniors who have examinations scheduled after Wednesday, June 3, unless provisions can be made for them in conflict examinations.

Any student having two examinations scheduled at the same time or three examinations scheduled on the same day is required to report the fact in person at the office of the Registrar not later than 5 o'clock Friday afternoon, May 15. Notices of adjustment will be available to those students who reported conflicts and will be mailed to heads of departments on Monday, May 18. Conflict cards should be presented to the instructor in charge at the time of the conflict examinations, since they are official permits to take such examinations.

The time for those courses listed BY APPOINTMENT should not be arranged until Monday, May 18, when notices of conflict adjustments are available. The dates of these special examinations will be announced by the instructors concerned. The room designation SEE LIST means that definite assignments will be announced later by the department.

The examinations will be of two hours' duration, beginning at 8, 10:20, and 2 o'clock.

Freshman Baseball

The Kiski baseball team comes here to meet the plebes with a record of five victories and one defeat. Mercersburg Academy took them over by a score of 6-to-2. Last year's game with the freshmen here ended with a 13-to-6 count.

The probable line-up for the plebes will place Joe Didinger on the mound and Joe Gillespie, who led the batting attack in the game last week with a triple and a circuit clout, in the catching position. Walt Painter will be on first, Frank Coveleski on second, and Harry Harrison at third. Joe Metro will play short stop and the outfield men will be chosen from Tom Marlow, Alex Barantovich, Tony Tehannis, and George Chalmers.
