**Pitt, Tech Last Foes
In Tennis Tomorrow**

(Continued from page three)

there is no reason to chalk up his first defeat before he has even entered the courts. Undoubtedly he will give Madden the stiffest competition he has come across this year. Ralph Bald, Pitt No. 2 man, will be another who must be reckoned with. He holds overwhelming victories which cannot be overlooked when predicting a match. State's No. 2 man will be rather busy with Bald. Pitt's individual stars do not stop with their first two men. All down the line-up there is an array of talent such as the Lions have not faced. The line-up will remain essentially

the same for the Carnegie match. The results of that contest will largely determine the line-up which will face the Panthers. Thus far the team has won four of their six contests. After losing the opener to Cornell, 6 to 3, the netters captured the next four matches before they again fell in defeat. Syracuse, Bucknell, Dickinson, and Gettysburg were beaten, most of them by big margins. In the last match, however, Navy, perennial nemesis to the tennis team won a 6 to 3 decision.

**Let Your Baggage
Go Home
by the
LAUNDRY
ROUTE**

Arrange to ship it off this June by your old friend Railway Express and when Commencement Day dawns, be fancy free to board the train for home. Anything—trunks, bags, books, golf clubs, cups, even your diploma—Railway Express will pick them all up on your phone call, forward them at passenger train speed, deliver them safe and sound at your home. And it's economical. Railway Express rates are low, and you pay nothing at all for pick-up and delivery service. There are no draymen's demands, no tips, no standing in line, and sureness is made doubly sure by Railway Express's double receipts, with \$50.00 liability included on every piece you ship. Besides, you have the choice of forwarding your things either prepaid or collect, and they'll be home as soon as you are. No other way of shipping gives you this kind of service, as you probably know, and to get it you have only to phone the nearest Railway Express office.

**HALF & HALF MAKES
ONE SWELL SMOKE!**

You'll like the way Half & Half burns. Cool as a mother-in-law's wire: "Arrive Friday." Sweet as the news that she's changed her plans. Fragrant, full-bodied tobacco that won't bite the tongue—in a tin that won't bite the fingers. Made by our exclusive modern process including patent No. 1,770,920. Smells good. Makes your pipe welcome anywhere. Tastes good. Your password to pleasure!

Not a bit of bite in the tobacco or the Telescope Tin, which gets smaller and smaller as you use-up the tobacco. No bitten fingers as you reach for a load, even the last one.
