

Court Aspirants Begin Fall Work

While fall sports teams shivered with the winter rains, Coach John Lawther and his large squad of basketball players seemed in season as they worked out twice daily in Recreation hall.

With freshmen working out in the afternoons and the varsity aspirants limbering up at night, the new Lion court mentor has taken on an ambitious program for pre-season training. On the yearling squad, sixty or more have reported. Approximately thirty men have reported for the varsity.

Although Coach Lawther was hesitant about making any predictions after so short a period of practice, several players have caught the former Westminster mentor's fancy. It will take some time before he is able to carefully examine each man as he intends to do.

Among the veterans who have been working out, Co-captain Mike Korkick, Jack Reichenbach, Herb Peterson, Chuck Glennon, Joe Proksa, and Jay McWilliams have been seen.

Hugo Bezdek Relieved Of Director's Duties

der to indicate more accurately its function.

Another change recommended by the Committee was that the title of the head of the School of Physical Education and Athletics be changed from "Director" to that of "Dean."

The findings of the Committee were contained in a five-page report which was submitted to the Board of Trustees at its meeting at 10 o'clock this morning. The committee itself met yesterday to put the report into its final form.

Bezdek was born at Prague, Czechoslovakia, and spent most of his early life in Cleveland and Chicago. After his graduation from the University of Chicago he went to the University of Oregon where he coached their championship grid team of 1906. He returned to his Alma Mater the following year as assistant to Coach A. A. Staggs.

In 1908 Bezdek went to the University of Arkansas as coach of football and baseball. In 1913 he returned to the University of Oregon where he was grid coach for five years.

Bezdek came to Penn State in 1918. From 1917 to 1919 he managed the Pittsburgh Pirates. In 1922 he took his team to the Rose Bowl where they were defeated by Southern California, 14-to-3.

About ten years ago anti-Bezdek agitation began on the campus. The resignation of Nate Cartmell, veteran track coach, in 1932, started the recent feeling which was climaxed last year by the COLLEGIAN publication on Alumni week-end.

INTRAMURAL HIGHLIGHTS

By FRANCIS SZYMCAK

The All-College Golf Tournament participants have been bracketed for the first matches. The first or "championship" flight includes Stevenson vs. Walker; Elder vs. Wetterman; Weaver vs. Markley; Albers vs. Bennett; Hebdia vs. McHaffey; Burkett vs. Gross.

The entries have qualified with \$15. It is necessary for a play-off to choose the two lowest who will meet Gottle or Provost of the first sixteen.

The remaining three will play in the second flight against Engerton, Blachmer, or Perre. The remaining matches of the second sixteen include Wenger vs. Barney; Siegler vs. Green; Chambers vs. Patterson; Rohb vs. Clegg; and Snyder vs. Casselberry.

The third sixteen is composed of Beck vs. Buch; Muller vs. Bevan; Graves vs. Henderson; Williams vs. Feab; Ellen vs. McNealey. Eyes were drawn by Gren, Spanau, and Warnock.

In the only first match played to date Co-captain Bennett defeated Captain Albers of the varsity, 3 and 2. The match was very close with Bennett shooting a 72, while Albers came through with a 75.

The rainy weather of the season has caused postponement of nearly all the first round matches, but it is necessary that all initial matches be completed by Sunday.

During the tournament an important regulation will be the adherence to "stymies." The winner of the first sixteen will have a choice between a cup and medal, while the two other winners will be awarded medals.

Rules governing the intramural cross-country competition were announced today by manager David Ludwig.

As the deadline for entries, Tuesday, October 6, draws near, all groups are warned that their entries must be listed and paid for in Miss Keller's office in Rec hall by that date.

Units and fraternities will be allowed to enter any number of men, but only the first three men will count towards winning the cup. Fees will be 25 cents per man.

The meet will be held on Thursday, October 22, at 4:30 o'clock, at which time all eligible participants will meet near the first tee of the golf course. Scoring in this meet will be based on placements, so that the team with the lowest score will win.

Beginning on Wednesday, October 7, a two weeks' TRAINING PERIOD WILL GO INTO EFFECT FOR PARTICIPANTS in the meet. All eligible participants are required to report to Manager Ludwig in Rec hall for practice at least eight days during this period.

No entrant will be eligible to compete if he has previously received numerals or a letter for cross-country or track, or if he is an outstanding member of this year's varsity or freshman teams.

All entries for intramural football must be in by Saturday noon. Manager Watts announces that this will be the last extension of the date.

X-Country Team Starts Hill Work

By WOODY BIERLY

Rain did not stop State's cross-country team during the early part of this week. Despite the wet weather the harriers were out, continuing to practice in preparation for the first meet of the 1936 season, the Lehigh encounter on October 17.

The trials have not been held up to this time, although the period of "getting in shape" is almost at an end. The squad is slowly shaping up, and although it isn't so large, it is believed that the harriers will show some quality.

Practice on Hills

The hare and hound race that was scheduled for last Wednesday afternoon, was not held on account of the rainy weather, although the boys were out running. Plans called for the race to be held yesterday afternoon.

Coach Werner has the harriers practicing on hills just now. They're getting into condition to run up and down the grades and it is probable that they will practice on the hills in vicinity of the Centre Hills country club before next week.

Inter-class hockey will again resume its position in the limelight of woman's fall sports after two weeks of strenuous practice and limbering of stiff-vacation muscles. The freshman-sophomore game will open the annual competition on Holmes Field, Monday, at 4 o'clock.

The junior squad will meet the seniors Wednesday while the freshmen will attempt to subdue the senior team on Thursday.

Golf aspirants desiring to enter the all-class tournament are requested to sign up in Mac Hall immediately. The golf competition is designed primarily to intensify interest in this outdoor sport as well as offer the advantage of attaining athletic points.

The champion of the tournament will automatically receive three points and all entrants may earn points according to the number of hours of participation. This record should be dropped in box located in the W. A. A. office in Mac Hall.
