

# Lion Backs Run Wild Over Demoralized Muhlenberg Team in Season Opener

"Mother" Dunn, Penn State's first All-American football player was a visitor here over Dad's Day and saw the Nittany Lion trample Muhlenberg, 45-to-0. Dunn, a center, was a member of the class of 1908, studying mining engineering. He received his M. D. degree at the University of Pennsylvania in 1913 and is at the present time at home in Maui, Hawaii. His son entered the College two years ago but did not return last year.

## Harrison Runs, Passes Well as He Leads Reserve Forces to New Heights in 2nd Half Spurt

(Continued from page one)

Harrison, who took the kick on his own 29 and ran it back through the entire team, save one man, to the Muhlenberg 35, a gain of 36 yards.

### Silvano Counts Again

Silvano then made two runs of 22 and 12 yards, scoring on the latter and kicking the point. The score was 25-to-0.

Scarcely a breath later, Cherundolo had stopped Gutekunst on the kickoff and with Enders had punished the Mule ball carriers on three successive plays. Dean Hanley then broke through on a spectacular play and blocked Farrell's kick and fell on it on the Muhlenberg 15-yard line.

Harrison passed to Waugaman for a first down on the 4 where Joe Metro took up the burden and lugged it over. Schuyler made the point, and it was 32-to-0.

### Harrison Returns Kick

Eagle kicked off for the Mules and Harrison returned it from his 5 to the 41. State kicked and Harrison went wild with the return kick, taking it on his 34 and going to his 46. A pass, O'Hara to Barantovich, who took the ball on the enemy 30 and ran to the 23 set the stage for the next counter. On the 6 sucker play Metro ran straight through the center of the line for the score. The hole that he went through was so wide that he could have been accompanied by an ice truck on each side. Harrison missed the kick and it was 38-to-0.

Substitutions galore were made in the final quarter. A forward-lateral, Harrison to Wuenschel to Scott for 21 yards was the big punch that gave impetus to the final score. Harrison passed to Krupa for 17 yards on the next play and State had a first down on the 6. A pass, Harrison to Waugaman, counted the final touchdown, and Harry kicked the 45th point. State was well on the way to another score when the game ended.

### Did Good Blocking

The secret of the opening success can be found in the first real blocking that State has done in a number of years. There are a lot of rough spots to be ironed out before the Lion will be ready for Villanova Saturday. The Wildcats will come with revenge in their blood and cannot be too highly respected.

Muhlenberg was overconfident at the beginning and then tired quickly in the second half as they juggled 23 players. State exhibited a strong reserve strength that will be invaluable in the future.

The Lions were lucky in recovering all their fumbles and wild lateral passes. This will not always be the case. And should they go in as sluggish the first ten minutes against Villanova they will be scored upon.

Best remark of the day went to the Western Union operator in the press box Saturday. . . . The sun had set and it was getting pretty dark as the stories were being wired to the various papers. . . . A police dog bounded into the box amidst all the gloominess. Said the operator, "What the Hell's that, the Nittany Lion?" . . .

What they talk about in the huddles. . . . Somebody promised Paul Enders that he would give him \$25 if he scored a touchdown, knowing that in his position as 2 back he would never carry the ball. . . . The Lions got the ball down on the 4-yard line when Enders asked Harrison in the huddle, "Hey, I can make some money. Let me carry it. I can take it through the center" . . .

The kicking will have to be improved.

### Bill Miller

(This is the sixth of a series of biographical sketches on Penn State coaches.)

For two years, Bill Miller played an unimportant role on Penn State's football team as a reserve center. Then, in his senior year, Coach Bob Higgins made an end out of him as an emergency measure. Bill's work at end last year was more than average, and advanced him from a substitute to a star.

Last year Miller captained the track team. He was a hammer thrower and was among the outstanding men of his event in the east. He was honored in June by being selected for the "outstanding athlete" award. He is now pursuing graduate work in physical education and athletics.

## Cross Country Team May Meet Stiff Manhattan Squad; Plebes' Date of Cornell Meet Changed

By WOODROW BIERLY

State's cross-country team will meet one of the toughest aggregations of harriers in the country on Saturday, October 24, if plans for a Lion-Manhattan dual meet are carried out. The event, which is almost a certainty, will give the Nittany harriers a chance to run on the Van Courtlandt Park course where the inter-collegiate will be held November 16.

Another change in the schedule is the date for the freshman-Cornell meet to be held on the Bears' course. The meet will take place on Saturday, October 24, instead of October 17, according to the original schedule, Neil M. Fleming, graduate manager of athletics, announced last night. This will enable the plebes to accompany the Lion grid team to Ithaca and will also add another week for them to draw some extra breaths before the opening of the season.

Hold Hare, Hound Race Delayed one day on account of the

rainy weather, Coach Chick Werner held his hare and hound race last Thursday afternoon. The result was a somewhat questionable victory for the hares, Ray Hazard, Len Henderson, and Norman, the first two sophomores and the latter a freshman.

Loaded with a large bag of paper, they started from the Athletic field, five minutes in advance of the pack of hounds, which included such runners as Pete Olesy and Captain Howard Downey.

### Lost In Underbrush

The rules of the game require that the hares drop paper at various points along the route. Being few in number, the hares managed to make their way through the muddy swamps and prickly weeds, which lie on the hills west of the Athletic field. However, the hounds had no such luck. They lost their trail several times, and not one was able to find his way through the underbrush in time to catch the hares. The three made their way back to the starting point, a feat which entitled them to be called the winners of the chase.

Yale University has the addresses of all but 80 of its 31,003 graduates.
