**Trials for Cross Country Meet With Lehigh Will Be Held Today**

Indications as to the strength of State's varsity cross-country team should be forthcoming today when Coach Chick Werner sends his aspirants over the full five-mile course to determine the make-up of the squad which will compete Saturday against Lehigh at Bethlehem. These trials bring to a close the pre-season training period which was designed to put the runners in good shape for the actual competition which follows it.

Ray Hazard, sophomore star, has left the infirmary, where he was confined for several days with the grippe, and has returned to practice, still somewhat weak. Captain Downey is taking things easy in the hopes of getting rid of the shin splints which have been bothering him for the past several days.

made the freshman and varsity teams in both track and cross-country. Last year he was outstanding in the 440-yard run for the track team. By placing third in the ICIAA quarter mile, he reached the semi-final Olympic tryouts, but just missed a place on the team when he failed to qualify.

This is Downey's third year on the varsity cross-country team. He has always finished near the front of the pack in dual meets. Together with Olexy and Clark, Downey completes a strong trio of runners, which, with the addition of several sophomores, should form a fairly successful team.

**Downey Has Record**

For a time Downey occupied the unique position of being co-captain of two sports, cross-country and track, at the same. He held the first in partnership with Bill Trimble, and the second with Mike Brown. However, Trimble failed to return to school this fall and so Downey now holds the honor outright.

Downey has had a brilliant career as an athlete, both in high school and college. He attended Bellevue high school where, during his senior year, he was captain of both the basketball and track teams. He also played on the football team. His outstanding high school race was his winning of the Western Pennsylvania Interscholastic Athletic League 880-yard run.

Usually Near Lead  
 Since entering here, Downey has

**Read any statement about Chesterfield cigarettes**  
 We tell you what they are made of—mild, ripe tobaccos. We tell you that we use on Chesterfield pure cigarette paper.  
 We tell you that Chesterfields are carefully manufactured.  
 We suggest that you try Chesterfields and find out how mild they are and what a pleasing taste and aroma they have.  
 A great many cigarette smokers will tell you that Chesterfields satisfy—give them what they want in a cigarette.
