

### INTRAMURAL HIGHLIGHTS

By FRANCIS SZYMCAK

Intramural football players must get physical examination cards and file them in Miss Keller's office in Rec hall to participate in further games.

Kappa Delta Rho defeated Unit 3, 25-to-0. Alpha Chi Sigma won over Theta Upsilon Omega, 32-to-0. The foresters topped Phi Kappa Sigma, 7-to-0. Chi Phi had a two-touchdown advantage over Pi Kappa Alpha, 12-to-0.

Beta Theta Pi defeated Pi Kappa Phi, 6-to-0. Kappa Sigma gained one

first down to none for Beta Sigma Rho. In all games the punts may be rushed according to Manager Charles Watts.

The horseshoe tournament has reached the finals in each bracket. Manager Jay Daniels issues the announcement that all teams must be punctual. A team that is over a half-hour late forfeits the match. The most promising teams seem to be Hill and Hickson of Delta Theta Sigma; Watts and Witmer of Alpha Tau Omega; and Robins and Hungerford of Beta Theta Pi.

### Women in Sports

By CAROLINE TYSON

Staging a comeback after their decisive loss of last week, the senior hockeyists battled to a close 1-to-0 triumph from the undefeated sophomores eleven on Monday. The sophomores can still hang of their 4-to-0 win over their upperclass rivals, but their hopes for a victorious season have been shot.

Freshman tennis entrants must play off their games and report the score to Jean Giddings, Grange, by Monday night.

### A CLEAR VOICE

—A Light Smoke

Whether you sing in the  
parlor—or just hum in your  
morning tub, be kind to  
your throat. A clear voice,  
a light smoke—they go to-  
gether. Guard those delicate  
membranes. Select a light  
smoke—a Lucky.

# Lucky for You

—It's a Light Smoke!

### In Harmony with Your Throat

More marvelous than any invention is the "music box" inside your throat. But so delicate... with its maze of membranes! No wonder so many stars of the movies and radio say that for them a light smoke is the right smoke. Luckies are a light smoke of rich, ripe-bodied tobacco. Luckies hit the right note with your taste! The only cigarette with the tender center leaves of the highest-priced tobacco plus the all-important throat protection of the "Toasting" process. Remember—the only cigarette. So reach for a Lucky and be kind to your throat!
