

CINEMANIA

"Pigskin Parade," football fun and extravaganza, with Stuart Erwin, Betty Grable, Patsy Kelly, Jack Haley and the Yacht Club boys is the entertainment at the Cathaum tonight.

The recent black legion expose has furnished the movies with new material. The weird organizations which have mushroomed out of decay are summed up with a Hollywood touch in "Legion of Terror," which plays at the Nittany tonight and tomorrow.

This is the third in a series of pictures which have been of some value in arousing public sentiment against existing terrorist organizations and their methods. MGM's "Fury," which appeared last spring, and "The Black Legion" are two recent examples.

"Here Comes Carter" plays at the Cathaum tomorrow night. It is a rather unique radio comedy, with Ross Alexander playing a radio gossip reporter and some singing. Thursday at the Nittany.

Jean Arthur and Joel McCrea, in "Adventure in Manhattan," engage in sophisticated comedy at the Cathaum Thursday.

Prof. Locklin To Talk

Prof. Anna Pauline Locklin, of the department of English literature, will deliver the first in the series of readings sponsored by the College Library. Professor Locklin's readings will deal with poetry. She will speak in the upper lounge, Old Main, tomorrow at 4:15 o'clock.

Harrison Stars, Silvano Makes Comeback, As Nittany Eleven Stops Syracuse, 18-to-0

(Continued from page one)

It was another sustained drive, this time of sixty-five yards, in the third quarter that sent Joe Metro across for the second score from the one-yard line. It was Harrison's running that put the ball in position.

State's final score came in the last period when O'Hara faded back from the Orange 28-yard line and tossed a forward to Harrison who stepped over the goal. None of the Lion extra points materialized. One pass failed, and Silvano had one kick blocked, while another hit the crossbar.

Lose 3 Touchdowns

It was unfortunate that the Lions' 21-to-8 superiority in first downs could not be further displayed in the score. The Lions lost no fewer than three touchdowns. Time prevented one, but the other two were the result of flaws. Harrison uncoiled a brilliant 60-yard run in the closing seconds of the first half that put the ball on the Orange 6-yard line, only to have the whistle blow. It was an off-tackle run, this affair of Harry's. He sliced through the left side, reversed his field to the opposite sideline, picked up his interference and dodged his way until he was nabbed from the rear after being momentarily stopped.

Then again O'Hara passed on the first down from the Orange 7-yard line, only to have it intercepted behind the goal by Reckmack for a touchback. Then in the final stanza, Silvano lost the ball as he plunged over the goal line and the Orange recovered it for another touchback.

Advertisers To Meet

Members of the advertising staff of the Penn State Players will meet in room 310, Old Main, at 7:30 tonight. They will start work on their next production, "Post Road," at that time.

players look good, outstanding linemen were Economos and Smith, who took a terrific beating. Cherundolo played his usual bangup game, and Dean Hanley also did well.

The Lions gained 310 yards from rushing to the Orange's seventy-eight. Syracuse rarely penetrated State territory at all, and then only to the 33 in the second quarter. The Lions completed three of eight passes and all four of their laterals.

Listen, he's not very active in the Y. M. C. A., is he?

"Summertime," sung by B. Troxell with the pro touch, "It Ain't Necessarily So," interpreted by Jim Unangst, and the ballet, "Jilted in Jazz" were undoubtedly the big moments in the show. Helene Hetzel gave a big hand on the last one. She gave the people something new and made 'em love it. Bart Henderson (you know, that's the respectable one) done fine. The same goes for the little girls.

And speaking of little girls, did you know that Jean Rountree is probably the best chorus girl who'll flick an ankle around these parts for a long time? Her work deserves more than a couple of lines. I could see more of Ruth Fein, too. She has what it takes, if I may earn a phrase. And Barbara Hayes: Don't ever let anyone put you on a piano in your graduation dress to sing "Bill." The Dean never let the girl in school who could do that number right. Sweet voice, though... even if you did have buck fever.

So all in all I'd say everyone had a fine time except the creditors. With more talent than the Pitt team, with gals who can hoof, have pretty figures and can be taught how to smile and with the kind of direction it will

surely get... I think you can look forward to a Spring Thespian Show that will be as good as the ones say, four or five years ago. Horowitz was funny, too. —Jim Norris '34

PURE... and of finer texture than most anything that touches your lips...

We all agree on this... cigarette paper is important. For Chesterfield we use the best paper that we can buy. It is called Champagne Cigarette Paper. It is made from the soft, silky fibre of the flax plant. It is washed over and over in clear, sparkling water.

A lot of the pleasure you get in smoking Chesterfields is due to our using the right kind of cigarette paper. Chesterfield paper is pure, and it burns without taste or odor.

Chesterfield

They're Milder and They Satisfy

Remember this... two things make the smoking quality of a cigarette—the tobaccos and the paper. The Champagne cigarette paper on Chesterfields is tested over and over for purity, for the right burning quality. Another reason why Chesterfield wins.
