

BETWEEN THE LIONS

By BOB GRUBB

It's news when the Lion soccer team meets its match in intercollegiate competition. The 4-4 score of the Syracuse encounter would lead one to believe that the Nittany booters did meet their match last Saturday.

As far as Coach Bill Jeffrey is concerned, nothing would be said about Saturday's game. But from the players themselves comes the cry of fraud. And when the Lion soccer team raises the cry of fraud we are inclined to believe that there is something in it.

The whole controversy centers around the unsportsmanlike treatment the soccer team received at the hands of the Orange team, officials and spectators. It is the story of a game and a crowd that got beyond the control of the referee. It is the story of a game that resembled football more than it did soccer.

Before the game opened, the referee explained the 1936 rules to both sides, stressing the fact that rushing the goalie was prohibited. In the first period Goalie Haag's shoulder was knocked out of place. This seemed to be the signal for rough stuff to start. From then on rules were forgotten and the game became a free-for-all, with the Lions getting the worst of it.

Every point made by the Lions was disputed. Spectators rushed on to the field. The referee lost all control. And then Bill Jeffrey spoke. For the first time in 11 years the Penn State coach opened his mouth in protest. His protests were of no avail, however, as rough play and bad decisions continued.

Two out of the four Syracuse goals were legitimate. The others were decidedly not. Even the Syracuse newspapers in their stories on the game recounted the bad decisions of the referee and the general confusion throughout the game.

As a result of Saturday's game the entire team is shaken up. Haag was hurt so badly he will not start tomorrow's game. Mandell and Barnes as well as some of the others received injuries.

This is not the first time that Penn State teams have received unsportsmanlike treatment at the hands of pro-Syracuse officials and spectators. The football team experienced it last fall. The boxing team experienced it last winter.

Lingerer Will Address Young Peoples' Group

Dr. Fred F. Lingerer, professor of agricultural economics, will speak to the Westminster Fellowship of the Presbyterian church at 6:30 o'clock Sunday night on the subject, "Does Europe Prepare for Another Armistice Day?"

Dr. Lingerer has recently returned from a comprehensive tour of Europe and is therefore able to give the latest information on this vital subject.

Booters Will Meet Western Maryland

X-Country Teams Will Run at Pitt

By WOODY BIERLY

The Lion varsity cross-country team will be out for their third victory of the season when they meet the Pitt aggregation on Schenley Park tomorrow morning at 11 o'clock. The freshmen will also leave tomorrow morning for Pittsburgh where they will run against the Pitt freshmen at 10:30 o'clock.

Coach Chick Werner will enter the same seven varsity men in the meet who defeated Syracuse. Competing for the Nittany Lions will be Captain Howard Downey, Pete Olesky, Len Henderson, Charles Clark, Bill Griest, Herbert Hazard and Burt Aikman.

Freshmen To Run Ray Conger, freshman mentor, will replace Richard Yohn with Jim Hostettler for the meet against Pitt. Otherwise the freshman team will be composed of the same seven that ran against the Orange. They are Norman Gordon, Frank Maule, Hal Galer, Graham Miller, Herbert Nipson, Eric Van Patten and Jim Hostettler.

It was raining on Tuesday afternoon when Coach Werner held trials to select the team to go to Pitt. The times were not so fast as those of last week, but the route was slippery.

3 Tie in Time Trials Captain Downey, Hazard and Henderson tied for first place in the trials. They ran the route in 27 minutes and 52 seconds. Placing fourth with a time of 28:07 was Pierce, who led the squad in the trials last week. Olesky was fifth with a time of 28:26 to lead Clark and Aikman by four seconds.

Although Pitt has not defeated State during the past 12 years of competition, the Panthers usually pre-

sent some strong opposition for the Lions. Last year State won the meet by a score of 27-to-28, Olesky placing first with a time of 28 minutes and 21 seconds. Harold Tost and Alex Leggin, who are expected to run tomorrow, finished in second and third positions, Tost being 14 seconds behind Olesky.

Maule Wins Plebe Trials Others who are on the Pitt team are John Woodruff, who ran around the stadium in Berlin last summer to win the 800-meter 1936 Olympic championship, Alex Zamborski, Geo. Cook, Frank Bonurati, R. G. Neostrom, and Robert Polletti.

The Schenley Park course is five-eighths of a mile longer than the cross-country route here. It takes the runners over three or four steep trials and a cobblestone hill, which won't make things easier for the Lions.

Gordon did not run in the freshmen trials which were won by Maule with a time of 16:50, Galer placed second with a time of 17:00; Miller with a time of 17:01; Nipson, 17:02; Van Patten, 17:31 and Hostettler, 17:35.

Gymnasts Slate Dangerous Foes

Glasser Faced with Hard Task; Only 3 Lettermen Return From Last Year

Having tentatively scheduled meets with the three leading teams in the country and only three lettermen returning from last year, the gym team's new coach, Julian Glasser, is still looking for more likely prospects. Glasser, who was assistant coach at the University of Illinois last year, was captain of that school's team in 1934, and placed in the national A. A. U. meet that year, and was runner up in many other championship meets.

A meet with Temple has definitely been scheduled for February 17 here, while tentative dates have been set for Army on February 6 and Navy on the 13th. Temple was the national intercollegiate champion last year, and Navy placed second, with Army third.

Lettermen returning from last year are Captain Ray Matern, Mat Koran, and Sam Beck. Coming up from last year's freshman squad are Ray Runkle, Charles Huges, and Franny Megrail, while another very promising sophomore, who was not out for the team last year is Al Kligman.

Other prospects are Guy Close, Julian Parton, Marshen, and Sydnam. Stanley Feldman, former West Philadelphia high star looks good in his daily workouts with the freshman squad, along with Schaefer, Shmukler, Zern, M. Beck, Weaver, and Epstein.

Pre-Med Examination Scheduled for Dec. 4

The Pre-Medical Aptitude Test, administered by a committee of the Association of American Medical Colleges, has been scheduled for 3 o'clock on December 4, 1936. Any student wishing to take the examination, must see Professor Oscar F. Smith at his office in 112 Pond Laboratory before November 7th.

All students who plan to enter a Medical School in 1937 should arrange to take the test, as it is considered one of the normal requirements for admission. A fee of \$1.00 is collected from each applicant to assist in defraying the expenses of the committee.

Schweitzer To Play Goalie In Place of Injured Haag; Megrail To Start at Half

Soccer Game at 1 O'clock, Only Varsity Sport On Home Program; Terrors Strong

Penn State's undefeated soccer team will meet Western Maryland on New Beaver field tomorrow at 1 o'clock in the only varsity sport to be played at home.

Coach Bill Jeffrey has made two changes in the lineup for the battle with the Green Terrors. Hank Schweitzer, a sophomore, will be in the goal in place of Dick Haag. Haag took a severe beating in the Syracuse game, and a shoulder injury has not yet fully responded to treatment.

Frank Megrail, reserve halfback, will start his first game of the season at center, replacing Will Painter, another sophomore. Megrail is a faster player and it is hoped he will speed up the play.

Swimmers Begin Training in Pool

Squad of 40 Report To Coach Galbraith; Capt Cummings Leads Lion Team

By JERRY WEINSTEIN After two weeks of gymnastic workouts, Penn State's swimming team has entered the pool to begin training for its second season in intercollegiate competition.

Coach Bob Galbraith has a squad of forty men working out four times a week. With eighteen veterans, which include stars from last year's freshman team, on hand, plus more than twenty newcomers who have survived the first cut, Coach Galbraith has a competent group with which to work.

Cumming Leads Team Leading the Lions will be Captain Jimmy Cumming, high scorer from last year. Cumming is a versatile performer, having been used in both freestyle sprints and distance, as well as in the backstroke.

A bright spot in the swimming array is Dick Geiger, star dorsal swimmer, who captained the Nittany team last year. Geiger took the only first place in the Penn meet and is expected to be in even better form this year.

The breast-stroke will be well covered by Gil Bureleigh and Gene Lesko, veterans. Dick Oliver, a sophomore, is also strong in this event.

That the freestyle events will be amply cared for is concluded by the presence of Charley Welsh and Ken Bunk, sophomores. Welsh, who swims either the fifty, 100, or 200, was a star at Mercersburg, while Bunk, good in the 220 and 440, was on the State championship Allentown team of two years ago. Both will be available for two events.

Among the sprint men who have returned are Bob Dewalt, Bobby Brown, Johnny Walker, and Bill Helreigel, all lettermen. Ray Parks, star diver, is on hand also, as is Marty Mart, sprinter and diver. George Henderson, a 440 man who was impressive as a freshman, but who did not compete last season, is training. Ian Murphy is another veteran who has reported.

Transfers Eligible Two transfer students will be ready to swim this year and may further strengthen the distance events. They are Van Benschoten and Voell.

Holdovers from the freshman team include Bechtel, Kiefer, Lehman, Wise, and Holdren. The newcomers are Taylor, Ettinger, Manolen, Reed, Rhoades, Blossak, Whitebread, and Bailey.

Others are Crawford, Hershey, Mangle, Cobb, Quick, Breeding, Decker, Weatherly, Walker, Carlson, Lucas, Gotwalt and Port.

Six Meets Scheduled Progressing from four meets in the initial season six have been scheduled for the coming season. The team will meet Penn, Pitt, Cornell, and Syracuse, in addition to the newcomers, Western Reserve and Carnegie Tech.

Workouts will continue for the varsity until Christmas. With two weeks to go after that before the first meet, a concentrated period of training will begin. The freshman team will be called out December 1. With a meet tentatively arranged with Mercersburg, the yearling squad will probably be eligible for numerals.

Dean Attends Meeting Charlotte E. Ray, dean of women; Miss M. Ellen Burkholder, assistant to the dean; and Miss Katherine Phelps, supervisor of freshman dormitories, will attend the sixteenth annual convention of the Pennsylvania Association of Deans of Women at the Penn-Harris Hotel, Harrisburg, Friday and Saturday.

'40 Gridmen Meet Bisons Tomorrow

By FRANCIS SZYMCAK

Tomorrow at 2 o'clock on New Beaver Field the freshman football team will meet the highly-rated Bucknell yearlings in one of State's old rivalry series.

Because of the weather the freshmen have had several indoor practices. On the gym floor they "dummed" their plays and practiced pass defense. Thursday they held their only scrimmage prior to the game.

Bucknell Ranks High Injuries will hamper the Lions in their quest for another victory. Ewalt has a bad knee, while Rollins is definitely out with a stoved wrist suffered during the Pitt game. McClintock, Ted Nemeth, and Washabaugh all have minor injuries, but there is the possibility that they all

Basketball Candidates Report for 2nd Trials

Both those men who were cut from the freshman squad and any new candidates for either freshman or varsity are still welcome to try out for the basketball team, according to Coach John D. Lawther. Due to the large turnout, there were, naturally, a few men overlooked, and it is Coach Lawther's wish that each man gets a fair trial.

The squads have been practicing for a month, four times a week, and things are shaping up pretty well, with the morale and spirit of the candidates running high. Not all of the varsity men of last year have reported yet, since they are on other teams.

Three sophomores of last year's varsity are, even at this early date, playing an outstanding brand of ball. Juniors with one year of varsity competition behind them, Joe Proksa, a guard, Jack Reichenbach, center, and Herb Peterson, forward, make future prospects look bright.

Among the freshmen, studded with many former high school stars, Hoffman, Kranich, Hetra, Blough, and Rhodes have shown up well in early practices.

will start. Bucknell, although having two defeats so far this season, ranks high among the freshman teams in the east. They lost in the fourth quarter during their game against the Army plebes, 6-to-0. Temple toppled them the next week-end with a 7-to-0 defeat, although the Philadelphia boys didn't earn a first down until the fourth quarter.

George Kyiek, 194-pounder, who was outstanding in crashing the line against the Plebes and Owlets is expected to display his abilities here on Saturday. Harry Sitarsky, brother of the coach, John Sitarsky plays a tackle position. The coach captained the Bisons last season.

Lions Need Speed Against this heavier and more experienced opponent the Lions will rely on shanking Ewalt loose to keep pace with the visitors. Toti will replace Rollins in the halfback position, with De Franco shifting from quarterback to a wing back, while Valeri will call signals.

Coach Marty McAndrews will start a team consisting of Washabaugh and McClintock at the ends, Straviniski and Ted Nemeth at tackles, Thompson and Pollock at the guards; Lucas will play center. The backfield will be composed of Ickes, Toth, DeFranco, and Valeri. An acting-captain for the game has not been selected as yet.

Prospective Farmers Hold Informal Social

An informal social was held by the collegiate chapter, Future Farmers of America, in the Sandwich Shop last Monday for freshmen.

The speakers of the evening were George Myers, former national officer, and Richard Warfield, president of the state organization of the Future Farmers of America. Professors William A. Broyles and Henry S. Brunner, of the department of rural education, spoke of the prospects in vocational agriculture.
