### Campus Bulletin

#### TODAY

Sophomores who have received a 2.5 average or better at the end of the first or second semester last year are invited to register for membership in Phi Eta Sigma, freshman honorary fraternity, either tonight or tomorrow night between 7 and 9 o'clock in room 209, N. L. A.

Sophomore class meeting will be held in the Chemistry amphitheatre at 7:30 o'clock tonight.

Freshman Forum and freshman commission will hold a joint meeting in Hugh Beaver room at 7 o'clock tonight. Prof. John H. Ferguson, of the department of political science and history, will discuss "Students and Peace."

Sophomore editorial candidates for COLLEGIAN will meet in room 312, Old Main, at 7 o'clock.

Dairy Science club will meet in room 117, Dairy building, at 7 o'clock. Prof. Fred F. Lininger will give an illustrated talk entitled, "A Glimpse of the Dairy Industry Abroad."

#### TOMORROW

Sophomore seminar will meet in room 405, Old Main, at 7 o'clock.

Freshmen will attend a class meeting to be held in the Chemistry amphitheatre at 7 o'clock.

Le Circle Francis will meet in room 402, Old Main, at 8:10 o'clock.

Sigma Tau initiation will be held in room 418, Old Main, at 8 o'clock.

Rabbi Fischhoff will discuss "Mr. Justice Brandeis and the American Constitution" in room 420, Old Main, at 7 o'clock.

Junior-senior women's hockey game will be played at 4 o'clock.

Senior-freshman women's hockey game at 4 o'clock.

#### MISCELLANEOUS

Rabbi Fischhoff will discuss "The Next World War" at a meeting of the Hill Foundation in room 405, Old Main, at 7 o'clock.

Glee Club-Thesplan dance will be held on Saturday, November 21. Bill Bottorf and his band will play.

### Lion Freshmen Lose to Bisons In 3rd Defeat of Year, 7-to-0

By FRANCIS H. SZYMCAK

Lacking a scoring punch on five threats for touchdowns, the Lions' freshman football team lost their third game of the season to the Bucknell Bisons, 7-to-0.

Led by Frank Funair, Bison right halfback, Bucknell played steady football to outshine the frosh, although State led by eight first downs to seven for the visitors. Dick Ewalt and Ickes were outstanding in their long runs and defensive play.

Six minutes after the opening of the first quarter, Funair on a delayed line buck ran 45 yards for the game's only touchdown. After clearing State's line he straight-armed several of the secondary and out-distanced the remainder on his long run. Left guard Grieco converted on a placement for the extra point.

#### Toth Fumbles Near Goal

A few minutes after the Bison score, Toth and Ewalt alternated in carrying the ball from their 40-yard line to Bucknell's five. On the first down with goal to go Toth fumbled with Bucknell recovering. Funair cracked the line and ran to the 45 yard line when the initial quarter ended.

During the second period Dick Ewalt ran to the 14-yard line from his 45. DeFranco on the next play crashed through to the 5-yard line stripe. DeFranco fumbled on the succeeding play with Bucknell recovering on their own 2-yard line. The Bisons punting out-of-bounds on their own 40 gave State another opportunity when DeFranco passed to Ewalt on the 18. A five yard penalty against Bucknell put State on the 13-yard line. Time remained for an attempted pass which was incomplete.

Throughout the third quarter Bucknell staged several offensive rallies. Klieck and Funair crashed through for long gains to put the ball on State's 15. Ewalt knocked down an attempted pass which gave State the ball.

In fourth quarter Ewalt and Ickes

again displayed their ability to gain.

Ickes fumbled on the Bison 16-yard line with Quinn recovering. Ewalt returned Edwards' punt from the visitors' 40 to the 35. After two first downs the Lions were stopped on the 15. Klieck lost several yards and Edwards punted. Ewalt made a return from the 45 to 36. Ickes passed to Yetter for a six-yard gain. A clipping penalty against Bucknell put the freshmen on the 15-yard line. The game ended after an incomplete pass.

#### Grid Lines

Bucknell's highly rated yearlings were up to advance notices. Coach Sitarsky's brother holds down a tackle position. Too many fumbles and unsteady playing were too much for the freshmen to overcome.

With only one win this season out of four, and Syracuse is the only remaining competitor. On one of his long runs, Ewalt straight-armed the referee who got in his way. Even Marty McAndrews got a laugh out of it. Several times the freshmen could have stopped long gains, especially Funair's touchdown run if they had tackled properly.

Ickes has the makings of a good punter. While Ewalt and Toth are reliable open-field runners.

#### Poultry Team To Face Leaders in N. Y. Meet

The Penn State poultry judging team will leave on Wednesday to compete with seven other eastern colleges in the Great Eastern Poultry Exposition to be held at Commerce Hall, New York City.

The team, composed of Raymond J. Mazaleski '37, Robert H. Grimes '37, Homer J. Bickler '38, and Neal B. Wiltner '38, was accompanied by Coach Dr. D. R. Marble, who is a member of the staff in charge of the contest.

### INTRAMURAL HIGHLIGHTS

By FRANCIS SZYMCAK

Kappa Sigma and Alpha Chi Sigma entered the semi-finals of the football tournament. The Kappa Sigs defeated the defending champions, Sigma Alpha Epsilon, one first down to none, while Alpha Chi Sigma scored two first downs to win over Chi Phi.

The other teams, with one exception, have filled the quarter final positions. These teams are Watts Hall, Sigma Nu, and Phi Beta Theta. The winner of the Delta Chi-Sigma Phi Epsilon game will also be in the quarter finals.

Manager Watts intends to rush the remaining games in order to complete the play-offs before bad weather sets in. The new rules are making the games faster and a lot easier on the players participating.

The Delta Theta Sigma-Beta Theta Pi dead-end in cross-country will be run off this Thursday afternoon at 4 o'clock. Both teams were tied at the completion of the tournament held several weeks ago.

Finals in the horseshoe intramural will be played today, tomorrow, and

Thursday of this week. Jay Daniels, manager, wants all teams to report at 4:30 o'clock.

### Prof. Dahle Attends Research Convention

Prof. Chester D. Dahle, of the School of Agriculture, last week attended a meeting held by the Statistical Research Committee of the International Association of Ice Cream Manufacturers in New York.

A few of the informal surveys conducted by this group include an analysis of advertising methods, an analysis of different methods of packaging ice cream, and other similar surveys.

On his return trip, Dahle visited several caverns with the view of selecting a suitable cave for the ripening of Roquefort cheese. This particular type of cheese was originally manufactured in France and usually cured in caves where moisture and temperature conditions are suitable.

More recently, manufacture has been introduced in America. A co-operative experiment in manufacture and ripening is being considered here and by the United States Dairy Bureau, at Washington, D. C.

If you cannot come at above time leave money before sale starts to reserve your order

### NORRIS GRILL AND RESTAURANT

201 E. BEAVER AVE. STATE COLLEGE

Few things that grow require all the care and cultivation it takes to raise the mild, ripe tobaccos in Chesterfield Cigarettes.

Proper curing by the farmer gives flavor to Chesterfield tobaccos just as it does to fine hams and bacon.

# Chesterfield Wins

There is no higher standard of tobacco quality than the Chesterfield Standard.

Like fine wines, Chesterfield tobaccos are aged for two years or more to make them mellow and better-tasting.
