# I. M. Mat Tourney Goes Into 2nd Week

Rec Hall is filled with grunts and grouns these days as the intramural wrestling tourney is being run off. Thirty-six bouts were wrestled on Tuesday and Thursday of last week with more scheduled for this after

No matches in the 118-pound of 126-pound class have been run off as yet. The 155-pound class was the heaviest entered division.

A new point system has been devised whereby first round winners in the tourney will not be given any points. Thereafter a win on time advantage will net three points, and a fall will merit five points, as will a ferfeit.

After the tourney is completed, the winner in each division will receive fifteen points, the runner-up, ten points, and the third man, five points. These points will be added to those already garnered for victories after the first round eliminations.

Captain Joe O'Dowd climaxed the
