### Class Presidents Give Statements

#### Kennon, Peel, Howarth To Make Definite Effort To Uphold Party Platforms

According to statements issued by the three newly elected class presidents, a definite effort will be made to uphold the platforms upon which they were elected. The statements follow:

John D. Kennon '38—At this time I would like to take the opportunity of thanking my classmates for the support and confidence they have given me in the past election. I take this confidence as a serious pledge and will do all in my power to justify it. I feel that the vote accorded to me was an expression of the approval of our platform. Therefore, this platform will be the guide for my term in office. All the points in the platform will be fulfilled if it is humanly possible. The success of the fulfillment will depend in a large part on the cooperation we get from students holding office in the college administration. The student body will be in a large measure responsible for the success of the reforms and it is to them that we will dedicate the student government for next year.

### Apple Trees Blossom

For people who are again planning to make a trip out to the apple orchards north of State College to see the apple blossoms in bloom, Dr. Roy D. Anthony, of the department of horticulture, advises that the trees will be in full blossom about May 8 or 10.
