

# BETWEEN THE LIONS

Dean Warnock Made Some 'Predictions'  
But It-Looked Like a Slam At Others

Posing as the great predictor, Dean of Men Arthur R. Warnock listed the problems which would meet Dr. Carl P. Schott if he were appointed Dean of the School of Physical Education and Athletics, the same day the trustees were to meet to decide on Dr. Schott. The Dean's prognostication was in his Centre Daily Times Half Column.

Of course, the ordinary reader didn't know that the president had already decided upon the appointment, and that Dean Warnock knew it. Dean Warnock also "predicted" five points which the president had included in the Board of Trustees' report, and which appeared in metropolitan newspapers the same day as Dean Warnock's column.

Says Dean Warnock, "we predict that any new phys. ed. dean will find himself devoting about one-fifth of his time to intercollegiate athletics..." That may be the truest statement in the Dean's column, but we feel, if conditions of the past few years continue, the problems of intercollegiate athletics here require much more of the phys. ed. dean's time.

Going on, Dean Warnock says one-fifth of Dr. Schott's time will go to modernizing the system of required physical education for men and women. This is the biggest slap in the face the present staff of the School of Physical Education and Athletics has received.

Penn State has the most modern program of physical education used in this country. Because of the new elective system started this year, Penn State has taken a lead in the field and has received nation-wide recognition.

Another fifth of Dr. Schott's time, Dean Warnock slyly says, will go toward "expanding the intramural program to take care of ever-increasing numbers of would-be players." This doesn't mean very much, in itself. The intramural program here, if carried out, is as good, if not better, than most colleges. As a matter of fact, Columbia Teachers College came out recently and rated the Penn State intramural program as among the 12 best in the country.

Not content with this, Warnock says Schott will "pioneer in a winter sports outdoor program." This is the dirtiest slam ever directed at a hard working department led by two experts in the field, Ray Conger and Max Derum.

Conger, a newcomer on the phys. ed. staff, has devoted the entire year to developing the natural resources of the surrounding country for student use. Weekly hikes were organized; bird, tree, and other groups were developed for study; winter sports, such as skiing, were put in as an activity for elective physical education.

Derum started the Penn State Ski club two years ago and since then the group has expanded so that it competed favorably with other colleges in the east and gathered a number of enthusiasts here.

And while Dean Warnock says Schott will pioneer in recreation, he forgets the fact that a certain professor of nature education, Green by name, started a student recreational program 25 years ago and is today aiding Ray Conger in continuing the movement.

Warnock concluded his wonderful prediction by saying Schott would "administer the four-year coaching curriculum" as if to say it wasn't being administered at present. As a matter of fact, the Association of Liberal Arts Colleges of Pennsylvania considered Penn State's curriculum good enough to ask the School to construct one for its use.

Dean Warnock, by writing his column on Dr. Schott, rather deliberately berated the School of Physical Education and Athletics. He also hit one of his supposedly good pals, Hugo Bezdek, who, despite his limitations, was instrumental in fostering the teacher-training programs, putting intramurals on their present basis, and generally heading for a modern School of Physical Education.

When Bezdek was on the pan just a year ago, Warnock was one of the few people around here who went to bat for him with the president and others. Now he turns around and infers Bez didn't do anything here.

Dr. Schott will take over on the first of July. He is a capable man, and will direct his efforts toward expanding the present set-up, according to his statement to the Collegian last week. But Dr. Schott cannot start anything around here, because

it has already been done, especially in the last six years. And while on the subject, it seems that Dean Warnock is also a capable man. His job as Dean of Men makes him responsible for student welfare and student-faculty relationship. We think he should stick to his field and stay away from the School of Physical Education and Athletics. Since a lot of people know Warnock was one of the candidates for Schott's job, it may look like sour grapes if he continues to criticize, in his indirect way, a pretty good athletic staff.

—J. W.

## Lacrosse Ten Beats Lehigh State Wins, 9-1, After Scoring All Goals In First Half

Scoring all their goals in the first half, Penn State's lacrosse squad scored a 9-1 victory over Lehigh on New Beaver Field Saturday for its fourth consecutive win of the season. Sel Cohn shot the ball past Gardner, Lehigh goaltender, 27 seconds after the opening whistle. This trick left the Engineers in such a deep awe of the Lion attack that State, taking full advantage of their paralysis, tallied five more times in the next six minutes.

### Lions Run Rampant

Buser dropped the ball for a score after he took a pass from Cohn behind the net. Cohn again figured in the scoring attack when he passed the ball to his captain, John Conley, who shoved it into the netting. Ray Coskery and Andy Krause, sophomore substitutes, each chalked up a point for State and then cooperated, Krause to Coskery, in producing the last tally of the first quarter.

The Engineers were more or less back to their senses in the second quarter and held the Lions to three tallies scored by DeFalco, Sheridan, and Foster, all subs.

The second half saw the Engineers again on the defense but the Lions were unable to break through for a score. Late in the fourth quarter, Griffiths, Lehigh attack, sent the ball into the net against Coach Thiel's substitutes for their lone score.

—S. S.

## Co-ed Swimming Team Try-outs Close Today

All women who wish to enter the swimming meet tomorrow must try out before 5 o'clock today. Judge Smith, swimming manager, stated that one of the class teams had been picked and that there is a chance for any co-ed to make the teams.

Managers of the swimming teams are: Rita Altstadt, senior; Beverly Brenizer, junior; Lucia Ohl, sophomore; and Winnie Watson, freshman. The meet will include both races and form events using the side stroke, the crawl, the breast stroke, and the back stroke. A diving contest will be judged by Miss Marie Haidt, Mrs. Amy Lichty, and Bert Wright.

## Boucher Gets Position

Dr. Robert V. Boucher has been appointed associate professor of agricultural and biological chemistry here, where he will be in charge of experimental work in poultry nutrition. He will replace Dr. Jesse E. Hunter.

# Gridders Show Promise in 12-0 Victory

## Tenth Inning Rally Swamps Lion Nine, 11-5

## Villanova Scores Six In Overtime Period To Break 5-5 Tie

By HERB CAHAN

It was exciting. It was dull. There was good baseball. There was bad baseball. Villanova should have won but not the way they did. Final score: Villanova 11, Penn State 5, in nine innings of baseball and one inning of farce.

With a revised lineup that seemed to add power to the team, the Lions came from behind twice to tie the score only to have Harry Harrison peg a low one to Mel Vonarx and Frank Smith throw a putout ball to a vacant third sack in the fatal tenth. But Frank shouldn't be held entirely at fault for, although he pitched a pretty fair game, his hitting helped out in two scoring innings.

Sol Miehoff and Mike Kornick came out of their hitting slump, and along with George Slabodan, Smith, Vonarx, and Johnny Waters accounted for the team's nine safeties, against thirteen for the Wildcats.

The day's hitting honors went to Ray Stovink, who played a prominent part in last fall's defeat at the hands of the Villanova football team. Stovink garnered three hits, two singles and a lusty homer under the scoreboard in right field, and the sacrifice bunt in the tenth that caused "Dizzy" Smith's miscue.

Villanova stepped ahead in the ninth with a single marker to make the score 5 to 4. The Lions came right back when Slabodan tripled to deep right and Smith singled him home. Harrison then sacrificed, Wear got on base on an error, Kornick was intentionally passed, loading the bases for the second time. Schelle was relieved at this point by southpaw Bill McLaughlin. Here Joe Bedenk, in a questionable bit of strategy, sent Bob Steekel in to bat for Ray Brake, who has been the team's only consistent hitter. Steekel struck out.

The terrible tenth started off with two singles by Sheftic and Bond, who scored on Smith's error. Frank struck out the next man, but Harrison's bad throw on Del Umo's grounder and Wannamacher's single scored Stovink. Then Dizzy did another pitching about-face and conked Crawley to load the sacks. McLaughlin, the Wildcat relief hurler, immediately unloaded them with a single to bring the run total to six. He was out trying to stretch the hit after the runs had scored.

The Lions filled the bases again in their half of the tenth with two out, when Vonarx and Waters singled and Harrison walked, only to have Wear ground out to second.

The team travels to West Point on Wednesday to play a strong Army team. State should win if—

## Jr. Varsity Golf Team Defeats Cornell 8-to-1

The infant junior varsity golf team gave its first lusty cry and kicked a slat out of its cradle Saturday when it took over the Cornell junior varsity here to the tune of 8-1.

In the first foursome, Bill Walker, medalist of the day with his 74, was four up on his opponent, Rogers, at the fifteenth hole. Ed Hebda had an

## Penn State Sport Shorts

Dr. Carl P. Schott, the new phys. ed. dean, visited the press box at the baseball game Saturday... Bob Bond, Villanova first baseman, claimed Frank Smith was using a spit-ball, but the ump didn't agree... Mike Kornick said he would hit with the warm weather, and did...

Penn State fans don't follow the seventh inning stretch custom... When Jack Fisher, telegraph operator, sent a description of Villanova's tenth inning to the Philadelphia Evening Bulletin, they wired back "Gee!"... Doc Jacobs, Villanova coach, was called "sour puss" by some of his boys...

Welcome surprises to everyone concerned were Tom Priolo and Dean Hanley in the Navy track meet Saturday... Priolo broke the javelin record and Hanley, who begged his way from football practice, defeated co-captain Mike Brown in the shot... Pete Olexy and Burt Aikman have a pact to beat Johnny Woodruff, Pitt's Olympic star, in both the mile and 880... Herb Hazzard, ex-best miler, has recovered from his illness and may turn out for the team...

Both Cornell and Penn State tried the junior varsity golf team Saturday for the first time... The Lion jayvees think they should be given a chance to make the varsity, and that Coach Rutherford should hold eliminations each week...

The entire lacrosse squad of 24 players saw action against Lehigh... The Engineers had three reserves... and they have to supply their own equipment... Captain Jack Conley didn't get much of a chance to get ahead of Jake Hoff for scoring honors since subs were in most of the time... but Conley did get one... Carnegie Tech's football team suffered a loss when a few players were hurt in an auto crash-up in Blairsville on the way to the game... some members of the Tartan swimming team were hurt in the same town in the same way on their trip up here a few months ago...

Joe Metro sent both of his kickoffs to the Tech end zone... Tony Gianantonio ran 50 yards on the statue of liberty play but it was all sideways... Dean Hanley and Dick Skemp take the longest to get dressed... Ott Wuenschel is a rote enthusiast... Lloyd Ickes' parents were the proudest spectators at Saturday's game...

## Tennis Team Drops 2; Plays Here Tomorrow

After dropping two matches over the week-end to Penn and Lehigh, both by 9-0 scores, the Lion tennis team will open its home season against Bucknell tomorrow afternoon. Capt. Paul Massey came close to topping Penn's number one star and intercollegiate indoor champ, George Dunn, when he extended Dunn to three sets, 6-2, 2-6, 6-4. Chuck Patt gave the Quaker's number three man, Eddie Mellor, considerable trouble, their match also going to three sets, 3-6, 6-1, 6-4.

The State losses were due largely to a lack of practice against two teams that were far along in their seasons. Penn has met seven teams, and Lehigh has played eleven matches, going on a spring tour during Easter vacation.

eight hole lead on McFarland at the twelfth hole, automatically winning his point also. These two Nittany divot-diggers walked away with every point in the foursome, including the ball point.

## Olexy, Priolo Star As Lion Runners Win

## Tom Sets New Record For Javelin Throw As Navy Bows

By BILL JOACHIM

Paced by Pete Olexy and Tom Priolo, both of whom turned in the best performances of their careers, State's track team headed for the big meets of the year by turning aside Navy at Annapolis on Saturday, 68-58. Priolo was especially impressive, tossing the javelin to a new Lion record of 199 feet 8 inches, eight inches beyond the old record.

The odds were all against Tom. He wasn't considered good enough to be taken along to the Penn Relays. He had been throwing about 160 or 170 feet for most of the season. Fike, of Navy, placed third down at Penn, and was a cinch to win. But Tommy, enjoying the field day of a lifetime, got off just one tremendous heave that sailed to a record distance. Incidentally he won the discus throw with a not-so-bad throw of 138 feet, 4/8 inch.

Olexy Does 4:22 Mile Pete Olexy, building up for the Intercollegiate, set himself up as an iron man. He ran the fastest mile he has ever run and then came back and outlasted the field to win the two-mile event. His mile time was 4:22, and that for the two-mile, 9 minutes 42.7 seconds. But far more impressive than the times, which by the way were exceptionally good, was the way that Pete beat two outstanding men, sprinting down the home-stretch with a burst of speed that in each case brought him in a winner.

Other outstanding performances were registered by Junior Hanley, Dave Bauer, and Howard Downey. Junior won the shot-put, beating out Mike Brown, veteran, with a toss of 44 feet 8 1/4 inches. Brown's best was an inch and a half less. Hanley also took third place in the javelin throw with a good heave of 188 feet.

Bauer won the high hurdles in 15:5 and ran a close second in the lows. In addition, he finished second in a 9:8 century race. Downey, third place winner in last year's IC-4A meet, took the quarter-mile in 50:5 seconds. Aikman Shows Improvement Burt Aikman was another who showed improvement over other races. He ran the 880 in 1 minute 58.1 seconds, the fastest time a State man has turned in for several years.

Bob Clark again won the pole vault. This time he cleared 12 feet 9 inches. Clark has everything in his favor and is a potential Intercollegiate champion. Other placers for State were Vic Sandham, second in the high jump; Len Henderson, third in the mile; Will Sutton, third in the 100 and second in the 220. Greg Thompson, second in the high hurdles; Elmore Grim, third in the high jump; and Bernie Kalmanowicz, second in the broad-jump.

Especially pleasing to Coach Chick Werner is the fact that only three seniors are included in the group that placed at Navy. Most of the remaining group is made up of sophomores.

## Women Elect Officers

Theta Sigma Phi, women's journalism honorary, recently elected Jean L. Lyman '38 president. Caroline Tyson '38, is the new vice-president, Ruth L. Boyer, '38, secretary, and Jane Gordon '38 was made treasurer.

## I.M. Tourney, 3 Leagues Still In Primary Stages

First round eliminations are still under way in the intramural mush-ball championship race. Bud Gordon, intramural manager, expects to complete the round in the next few days and start the second round contests.

In the recent games, the Garman club outfit looks like a favorite, especially after the impressive 29-9 victory they turned in over the B. R. E. club. With Bud Davies and Tony Rubino leading the hitting attack in which all players figured, the club team piled up the largest score of the present season.

Another league has been formed by fraternities in the Locust Lane sector and is called the Beer league. It takes its name from the fact that the three last teams in the group at the close of the season will have to buy beer for the other teams. Although they lost their first game to the D. U.'s on Sunday, 11-2, the Phi Kappa Sigs still maintain their hold on first place.

The Delta Sigma Phis are leading the race in the three-year-old Locust Lane league. Last year they were runners-up to the T. K. E. mushballers. They won the cup in the first year of the league's existence. Here are some of the standings:

Fairmount League	W.	L.
Phi Epsilon Pi	4	1
A T O	3	2
A G R	2	3
Phi Kappa Psi	2	2
Acacia	2	2
Lambda Chi Alpha	1	1
Sigma Pi	1	1
T N E	1	1
Locust Lane Beer League	W.	L.
Phi Kappa Sigs	3	1
Kappa Delta Rho	2	2
Delta Upsilon	1	1
S A E	1	1
S P E	0	0
Kappa Sigs	0	1

## I.M. Soccer Results

Among the recent intramural soccer matches played were the following: Phi Gamma Delta 1, Sigma Nu 0; Alpha Chi Sigma won on a forfeit from Phi Sigma Delta; Beta Sigma Rho 1, Alpha Tau Omega 0; Phi Kappa Alpha 1, Delta Sigma Phi 1; Tau Kappa Epsilon 1, Alpha Gamma Rho 1; Delta Theta Sigma 3, Sigma Alpha Epsilon 0.

Five senior women from the department of home economics have already been elected to teaching positions in the state. They are Mary F. Pomeroy, Lois K. Gates, Evelyn M. Kraybill, Jean C. Kriebel, and Ruth E. Hendriks.

## Ickes Shines Against Tech In Final Tilt

## Newcomer Counts On 46-yd. Run; Metro Also Scores

By AL McINTYRE

Make way, Cornell. On the basis of the promising showing made by the Lion gridgers in their 12-0 victory over the Tartan forces of Carnegie Tech Saturday on New Beaver field, this statement is by no means rash.

The veteran Big Red team can expect to run up against a well-drilled State outfit, which has prospered much by spring practice, in the 1937 season opener on September 25.

Featuring a sparkling ball-toting performance by Lloyd Ickes, freshman up-and-comer, State's grid aggregation showed exceptionally well both offensively and defensively in the game that marked the close of the spring training season.

Runs 46 Yards For Score After Tech kicked out of bounds on their own 46-yard line toward the close of the first quarter, Ickes broke off left tackle on the first play, and with his interference blocking well he galloped for the goal line. Joe Metro, who was leading the play, took out the safety man with a perfect block, and Ickes sped on to the score, the 3 first of the game.

Metro played a bang-up game at the fullback position, and came into his own at the start of the fourth quarter when he plunged over left
