21 Trackmen Entered In Intercollegiate Championships

State Given Good Chance Of Scoring

Lions Place Hopes On Group Of Question Mark Runners

By BILL JOACHIM Twenty-one question marks have been nominated by track coach Chick Werner to carry on toward an undefeated season. The question marks will perform next Friday and Saturday. The occasion will be the IC-4A meet at Randall's Island, New York.

Most sport fans know that State has a good track team. But few realize that if all the question marks turn out to be positive quantities, the Lions can win the IC-4A title. All that is necessary is that the athletes come through with performance equal to their best records to date.

Pete Olexy is the number one question mark. Pete should win the two-mile run. Whether or not he will, of course, will depend upon a number of things, but as it stands now, Pete has defeated at one time or another almost every man in the field.

Jim Redmond might be placed next in line to Olexy. If he sticks to the high jump, Jim is another with a good possibility of winning. He has gone as high as 6 feet 4 1/2 inches this year, and a repetition of this performance would assure him of a high place in this event.

Bauer Much Improved Dave Bauer has improved so rapidly this year that almost anything can be expected of him. He outran Ken Ryden, Pitt's hurdler, in the low hurdles race two weeks ago. Previous to this meeting the Pitt papers had hailed Ryden as the greatest hurdler the Pittsburgh area had ever seen. Ryden has run the distance in 23.5 in competition, excellent time for early season meets. Bauer repeated this time in practice. So once again the material is there, but the result can not be predicted.

Howard Downey and Bob Clark are entered in the 440-yard dash and pole-vault respectively. Downey, co-captain of the team with Mike Brown, finished third in his specialty last year. Things look none too rosy for Downey, however, since both Eddie O'Brien, Syracuse, and John Hoffstetter, Dartmouth, will be in the race. O'Brien and Hoffstetter ran one-two in the 440 last year, ahead of Downey. Clark's opposition will come mainly from Dick Ganslon, of Columbia, and Bill Harding, of Yale.

Feldman Is Possibility Gene Feldman completes the list of possible Lion winners. His event is the hammer throw and his past record places him well up among the favorites.

Adrian Markowitz, Burt Aikman, Ray Hazard, and Len Henderson are entered in the middle-distance and distance runs. Greg Thompson has been entered in the hurdles, completing the list of runners. Field event entrants include Bob Poticher and Bernie Kralmanowicz, broad jump; Grim and Vic Sandham, high jump; Tommy Priolo, javelin and discus throws; Dean Hanley and Mike Brown, shot-put; Bob Corman, discus throw; Hillard Himes, hammer throw; and Shea, javelin throw.

Attends Meeting Ray Conger, of the School of Physical Education and Athletics, is attending the National Congress of Recreation at Atlantic City this week. Mr. Conger has been instrumental in developing the recreational program at this College this year.

Women in Sports

Six sophomores, five seniors and four juniors were chosen members of the women's varsity baseball team for this year by the judges, Miss Marie Haidt, Gene Giddings, president of W. A. A., and Sally Salberg, baseball manager.

The members of the honorary team are: Rachel Bechdel '39, Enid Bever '39, Amy Blandy '39, Olwin Evans '38, Virginia Goodman '37, Margorie Govier '39, Dorothy Hennicke '37, Helen Ketter '38, Freda Knepper '38, Barbara Lewis '39, Jean Northrup '37, Florence Taylor '37, Charlotte Walker '38, Bertha Wright '39, and Geneva Ziegler '37.

Mary Lou Frear defeated Gene Ziegler Wednesday to win the women's open golf championship. The championship was to have been played last fall but was postponed due to bad weather.

An archery tournament open to all women will be held today at 4 o'clock and tomorrow at 10 o'clock on Holmes field. Using the Columbia Round method of scoring, each contestant will be given 24 arrows for distances of 30, 40, and 50 yards from the target.

The total score of the three events will be used to determine the winner. Jan Northrup and Betty Springer, who placed third and fourth last year, are expected to take part in the tournament.

Ollie Orendorf, archery manager, has announced that any one wishing to enter must sign up before the opening event.

The Philotes baseball team defeated the Theta's in the final game Tuesday afternoon, 15-9. In inter-class baseball the sophomores won the series by defeating the juniors 15-11 the same afternoon.

Acrobatics Added To Cheerleading Routines

Penn State cheerleading methods will take a different turn next year when the new rah-rah boys start the latest acrobatic stuff which Samuel Beck, captain of the gym team for 1937-38 plans to teach them.

A new routine including cartwheels and flips will put the squad on a par with the cheerers in the Big Ten schools, predicts Emmett "Dusty" Rhodes '38, head cheerleader to succeed Walter S. Wiggins '37.

With the assistance of his associates, William B. Cleveland '38 and John G. Greuner '38, and the newly-elected assistants, William M. Andrews '39, Addison L. Hill '39, and Elmer W. Murray '39, Rhodes plans to put the cheering sections on their ears.

batting attack. Bob Siegler and Bill Joachim each helped Morini by slapping out three singles out of three times at bat.

Art Letz allowed only four hits as Don Wright, Jack Manning, and Dick Collins batted well to give the K. D. R.'s a 6-3 victory over the Sigma Nus. Don Stoffel and Paul Wolslayer starred in the A. G. R.'s 10-3 win at the expense of S. A. E.

Although action in the fraternity alley leagues has somewhat died down for some unknown reason, a few games are still being played where strong inter-house rivalry exists.

A. G. R., through the shutout pitching of Joe Ferris, was able to take a 2-0 game from Lambda Chi Alpha in the Fairmount league. Fred Edgerton, Joe Zimmerman, and Carl Whitman swung their bats effectively for the winners. Charlie Teller, George Merwin, and George Inskip led the Phi Eps to their 14-1 conquest of Sigma Pi. Dan Thomas and Tom Young each got three out of five for the Phi Psi in their 17-7 victory over Acacia.

Gamma Alpha Epsilon, with a team composed of McNeely, Elder, Welliver, and Miller, overcame Sigma Nu by a score of 10 1/2 to 5. Elder was the medalist of the match with an 80.

Beta Theta Pi defeated first the Sigma Phi Epsilons, 5 1/2 to 1/2, and then went on to lose to the Phi Kappa Sigmas, led by Bobby Morris, with a score of 4-2. Kappa Delta Rho won by a default from the Phi Kappas.

In a match not yet completed, Delta Tau Delta, supported by King, Little, Allen, and Murphy, is expected to tie with the Kappa Sigma team of Miller, Henderson, Stroupe, and Pierce.

Tennis Chi Phi has entered the final round of the intramural tennis tournament in the lower bracket, and Delta Chi and Phi Kappa Psi are in the semifinals of the upper bracket.

Stu Mertz and Bill Walker, Chi Phi, is the surprise team and tourney dark horse. They defeated the two pre-tournament favorites, Beta Sigma Rho and Phi Delta Theta.

Results: George Faber and Ted Winkler, Delta Chi, defeated Walt Painter and Dick James, Sigma Phi Alpha, 6-6, 6-4, 12-10; Bob Sutton and Bob Morgan, Phi Kappa Psi, won from Lloyd Albright and Rus Gotwals, Alpha Chi Rho, 6-2, 6-3.

Walker and Mertz, Chi Phi, defeated Jerry Goodman and Norm Germainow, Beta Sigma Rho, 6-4, 6-3; Walker and Mertz beat Charlie Prosser and Ken Appleby, Phi Delta Theta, 6-4, 6-3.

Dick Walton, IM tennis manager, expects to have the tournament run off by the end of the week, weather permitting.

Beta Theta Pi Wins IM Bridge Tourney

Beta Theta Pi carried off first honors in the annual bridge tournament which was finished at the Nittany Lion Inn Wednesday night. Five teams competed in the finals.

The winning Beta combination was Robert J. Ladshaw '37, James A. Beaver '39, Prentiss Wilson '39, and Gilbert S. Heath '37. The Betas total score was 17. The other finalists scored as follows: Phi Sigma Kappa, 14 1/2; Delta Upsilon, 12; Theta Upsilon Omega, 8 1/2; and Alpha Chi Sigma, 8.

PEK Elects Officers

The newly elected officers of Phi Epsilon Kappa, honorary physical education fraternity, for the coming year are: Edwin A. Sheridan '38, president; John J. Economos '38, vice-president; George D. Chalmers '39, secretary; and Joseph P. Proksa '38, treasurer. These officers were elected at a meeting held last week.

New Officers Elected

At a meeting of the Glee Club the following members were elected officers for next year. Named president was Frederick H. Seriff '38; manager, Joseph K. Cook '38; secretary, Willis C. Gates '39; and librarian, John W. Steer '40.

Exhibit Paintings Of Local Artist

Works of Mrs. Lucy Lederer Now On Display In Main Engineering Building

An exhibition of paintings by Mrs. Lucy Lederer, State College artist, is now being displayed in the third floor galleries of Main Engineering building. This display is sponsored by the division of fine and applied arts of the College.

At the division's invitation, Mrs. Lederer has collected her paintings, which have been in exhibitions throughout the country, so that the local public may have an opportunity to view her latest work. The exhibition will be open from 9 a.m. until 9 p.m.

Outstanding Alumna This exhibition bestows upon Mrs. Lederer the recognition of her alma mater for her outstanding achievements in the world of art. By her work as an alumna of the College in the class of 1914, she has obtained for the College national recognition in the field of creative art.

Lucy Lederer's paintings have not only placed her in the front rank of American artists, but have gained the acclaim of foreign critics as well. A prominent European critic, after seeing her work in national exhibitions, said "her work indicates the widest range of color of any living American artist; her paintings reflect the blithe joy of beauty; the work is done in high, clean colors, and in many of the paintings there is the spontaneity of laughter."

One of the subjects which Mrs. Lederer feels is especially timely is the "Sentinels of Democracy," in which the monuments of George Washington and the Marquis de Lafayette, with the Cross of Christianity, form the theme.

Krupa '37 Wins Award Joseph H. Krupa '37 was given the "Improvement Award" of Phi Epsilon Kappa, honorary physical education fraternity, for showing the biggest gain in ability. Krupa was a varsity wrestler and a member of the football squad. Last year Richard Waite '36 was given the same award.

FIRST AID FOR FLOODED AREAS DURING the January floods, Western Electric—Service Of Supply to the Bell System—once again set in motion its machinery for meeting disasters. From its three factories and many distributing points, it rushed telephone materials of every kind into the flood stricken areas. Day and night, telephone men and women worked to maintain and restore communication. Dramatic as is this emergency Service Of Supply, it is really no more important than Western Electric's everyday work. For 55 years, it has backed up the Bell System with an endless flow of quality equipment. A major factor in making your telephone so far reaching, so dependable! Why not give the family a ring to-night? Rates to most points are lowest after 7 P. M. and all day Sunday. BELL TELEPHONE SYSTEM
