It is expected that Co-capt, Johnn Economos, Danny DeMarino, and Dud Enders, ailing regulars, will be in shape to play against Syracuse. Bar-antovich hurt his knee late in the third quarter of Saturday's game and it is also expected that he will be able to start the Orange game.

Team Gets Holiday

Higgins gave the team a holiday yesterday, before starting intensive practice against Syracuse plays. But back to the Lehigh affair. The

first quarter was all State's, with Harrison, Metro, and Johnny Patrick doing the ball toting. They advanced the ball to as far as the Lehigh four-

yard stripe, where they lost it with inches to go for a first down.

Although the Lions were in Engineer territory for all but two plays in the opening period, they broke their streak of having scored within the first seven minutes, as they had done in the three previous contests.

Briggs Intercepts Pass

Then on the second play of the second quarter, Bernie Briggs, who played the full 60 minutes at center, intercepted a pass on the State 45 and carried it to Lehigh's 47.

This started the touchdown march that ended in Harrison's tally two minutes after the period started. On the next play Harry hit right tackle for three yards, and then he took a pass from Lloyd Ickes that netted 28 yards and placed the ball on the 16-yard marker.

Three plays later Harrison was knocked down in an attempt to eateh another pass from Ickes and interference was ruled, giving the hall to be at the spot where the ball was put in play.

Pollock Converts

Ben Pollock was sent in to convert the extra point, which he did. This and the one he placekicked after Barantovich's touchdown make it five in a row for Bob Higgins' newly-discovered extra-point maker.

Answers

1. Touchback. The impetus that sent the ball across the goal line was provided by the offensive team.

2. Touchdown. The muffed ball touched the ground making it a free ball, and nullifying the restrictions of the fair catch.

3. Kickoff and get the ball in their 5. Action and get the ball in their territory. After they punt you will probably have the ball near mid-field.
4. By all means, punt. Lehigh's touchdown was a direct result of not having punted under these conditions.

Let them have the ball deep in their

territory when we are 14 points ahead.
5. Safety. The ball became dead as soon as the forward pass hit the ground in the end zone. When the ball becomes dead in progressions.
