

Bicycle Jaunt Planned

Thirteen bicycles will be available at 50 cents to the first freshman girls who reserve them for a WAA bike

jaunt Sunday afternoon at 2 o'clock. All other girls of any class, who have bicycles, are invited. The group will go to the WAA cabin where refresh-

ments will be served. Those who are interested may make reservations with Rachel Bechdel, phone 2198, and meet at MacAllister hall.

Alpha Chi Rho Halts Triangle Rally, 12-7

Staving off a last period drive, Alpha Chi Rho trimmed Triangle, 12-7, in a thrill-teemed battle Wednesday afternoon.

Alpha Chi Rho moved ahead early when Howard Swank snared a Triangle punt, ran to the enemy 40, and rifled a touchdown pass to Edward Hartman for the first score. Jack Ohlson snagged an aerial from Swank for the second six-point near the end of the half. In the second period a razzle-dazzle attack, culminated by Douglas Adams, sparked a vain Triangle offense. Bill Wichert galloped around end for the extra point.

The College library contains 176,321 volumes, a recent report issued by Willard P. Lewis, librarian, shows.

Pi K. A. Scores Early, Rips Watts Hall, 19-0

Moving ahead within the first minute of the game, Pi Kappa Alpha skidded to a 19-0 win over Watts Hall Tuesday night.

Given a 6-0 lead on the opening scrimmage play when Frank "Butch" Blossnk raced over the goal line after snatching a long pass, the PiKAs added two more touchdowns in the

second half as Bill Stow and Bill Klein also converted on a toss. Klein churned the mud in the scoring from Vern Smith.

DR. CHAPMAN J. MILLING
114 BULL STREET
CHAMBERLAIN, N. C.
Feb. 10, 1937

S. M. Frank & Co., Inc.
New York, N. Y.

Gentlemen:

About eighteen months ago I was forced to quit smoking a pipe because the tarry products in the bowl kept me chronically nauseated. Too bad, but it couldn't be helped. No use feeling miserable every time I fired up. So I stayed off tobacco for over a year.

Then one day I saw a few Frank's Medicos in a druggist's showcase, and half-heartedly decided to try one. So many patented filter systems on the market, but I'd risk a dollar on one, anyhow, just in hopes.

For six happy months, now I've been smoking that Frank's. This afternoon I bought my second one, and have it sending up incense as I write. I want to tell you—in case you don't already know it—that you're one of the benefactors of society. Lol the poor Indian! Lol Sir Walter Raleigh! Lol everybody who died before you brought out a filter that really works. I'm telling my friends by the dozen, but not fast enough.

You may use my name if you care to, and add that this letter is absolutely unsolicited on your part.

Very cordially yours,
Chapman J. Milling, M.D.

HEART-WARMING AS "WEE WILLIE WINKIE" WAS THRILLING!

"Roguary is never quiet"

So said Chicago's chief of police in 1880—the year that city speeded up its war on crime with the world's first police telephone system. From that day to this, the telephone, the teletype and more recently police radio—an outgrowth of Bell telephone making—have made "roguary" harder and harder to get away with. Just one more way in which the telephone helps to make your life happier, broader, safer.
